## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of  
The Goodyear Tire & Rubber Company  
Supplemental Unemployment Benefits Plan  
Akron, Ohio

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Goodyear Tire & Rubber Company Supplemental Unemployment Benefits Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule H, Line 4j – Schedule of Reportable Transactions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE GOODYEAR TIRE & RUBBER COMPANY  
SUPPLEMENTAL UNEMPLOYMENT BENEFITS PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

NOTE 1 - PLAN CREATION

The Goodyear Tire & Rubber Company (the “Company” or “Plan Sponsor”) and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Services Workers International Union, AFL-CIO-CLC (“USW”) and the Local Unions (collectively, the “Union”) created The Goodyear Tire & Rubber Company Supplemental Unemployment Benefits Plan (the “Plan”). The agreement for Supplemental Unemployment Benefits (“SUB”) was established on September 11, 1956 between the Company and the Union. The Plan’s assets are held in a trust (the “Trust”) administered by PNC Bank (the “Trustee”).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Plan Year

Under the terms of the agreement, the Plan Year is the calendar year.

Basis of Accounting

The accounts of the Plan are maintained on a modified cash basis, which reflects actual cash receipts and disbursements, accruals for interest income, and increases or decreases in the fair value of investments which are recognized currently. The accounts do not include accruals for contributions or allowable expenses. The modified cash basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Financial Data Certified by Trustee

All investment related information in the Statements of Net Assets Available for Benefits (modified cash basis), and the Statement of Changes in Net Assets Available for Benefits (modified cash basis) has been certified complete and accurate or derived from information certified complete and accurate by the Trustee in accordance with Section 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”).

Use of Estimates

The preparation of financial statements on the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from assets during the reporting period. Actual results could differ from those estimates.

Valuation of Investments and Interest Income

Investments are stated at fair market value. Interest income is accrued, and gains and losses are recognized as earned.

THE GOODYEAR TIRE & RUBBER COMPANY  
SUPPLEMENTAL UNEMPLOYMENT BENEFITS PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

Subsequent Events

The Plan has evaluated subsequent events through June 27, 2025, the date the financial statements were available to be issued. There were no subsequent events which required recognition or disclosure in the financial statements.

NOTE 3 - GENERAL DESCRIPTION AND OPERATION OF THE PLAN

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information. The Plan is subject to the provisions of ERISA and is a SUB plan covering hourly employees who are members of the Union at designated locations.

The Plan provides benefits to participants for regular layoffs and short work weeks, provided they have accumulated in the current year, or in prior years, credit units in excess of the credit units required for payment at the time the request is filed. Credit units shall have no fixed value in terms of money but shall be a means of determining eligibility for and duration of benefits. Plan benefits are reduced by the amount of weekly unemployment compensation participants are eligible to receive during the applicable layoff or short work week.

The Company contributes to the Plan at rates per hour worked, as specified in the Plan agreement. Company contributions are reduced by the cost of providing medical benefits for laid-off participants as specified in the applicable USW health and pension agreements. Employer contributions for the year ended December 31, 2024 did not reflect any reductions from such medical benefits.

In addition, the Company is required to contribute additional amounts to the Plan to fund benefits for short work weeks when Plan assets are less than the amount stipulated by the Plan (SUB Trust Fund Position is less than 24%, as defined in the Plan). The Company contributed \$37,043 to the Plan under this provision for the year ended December 31, 2024.

Additional amounts contributed to the Plan when the SUB Trust Fund Position is less than 4%, which had a net balance of \$0 at December 31, 2024, can be used to reduce future contributions to the Plan when the SUB Trust Fund Position exceeds 20%. Employer Contributions for the year ended December 31, 2024 reflect a reduction of \$1,481,704 for recoveries of this balance.

Allowable expenses paid by the Plan (and Trust established under the Plan) include fees of the independent auditors and expenses of the Trustee incurred in the administration of the Plan. All other administrative costs are paid by the Company. If terminated, the Plan assets shall be used until exhausted to pay benefits to eligible employees and administrative expenses.

THE GOODYEAR TIRE & RUBBER COMPANY  
SUPPLEMENTAL UNEMPLOYMENT BENEFITS PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

The Plan agreement specifies that investments shall be held only in general obligations of the United States Government or in other investments fully secured by such obligations.

NOTE 4 - BENEFIT OBLIGATION

As stipulated in Article VI, Section 4 of the Plan agreement, the maximum liability of the Plan shall be no more than the fair value of the trust fund.

NOTE 5 - TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor, by letter dated February 7, 2008, that the Trust, adopted by the Plan on January 9, 2004, and Plan are tax exempt under Section 501(c)(17) of the Internal Revenue Code ("IRC"). Once determined to be tax exempt, the Plan is required to operate in conformity with the IRC to maintain tax exempt status. The Plan has been amended since receiving the determination letter. However, the Plan Sponsor is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's tax status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements as of December 31, 2024 and 2023. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - FAIR VALUE MEASUREMENTS

Assets and liabilities measured at fair value are classified using the following hierarchy, which is based upon the transparency of inputs to the valuation as of the measurement date:

- Level 1 – Valuation is based upon quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 – Valuation is based upon quoted prices for similar assets and liabilities in active markets, or other inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

THE GOODYEAR TIRE & RUBBER COMPANY  
SUPPLEMENTAL UNEMPLOYMENT BENEFITS PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

- Level 3 – Valuation is based upon other unobservable inputs that are significant to the fair value measurement.

The Fidelity Investments money market funds (the “funds”) are valued at net asset value per share (“NAV”) at year end. Investments measured at NAV as a practical expedient to estimate fair value are not classified in the fair value hierarchy. Transactions (purchases and sales) may occur daily. The plan has no future investment commitments or redemption requirements related to the fund as of December 31, 2024.
