## Independent Auditor's Report

To the Chapter 7 Trustee  
Common Living, Inc. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Common Living, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets in liquidation as of January 1, 2024, and the related statement of changes in net assets in liquidation for the period from January 1, 2024 through October 10, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held is prepared and certified to by a bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of January 1, 2024 for the period from January 1, 2024 through October 10, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter**

As discussed in Note A, on May 31, 2024, the Plan Sponsor filed Chapter 7 bankruptcy and terminated the Plan. On August 22, 2024, the Plan’s trustee implemented the Plan’s liquidation. As a result, in accordance with ASC 962-40-25, the Plan Sponsor changed its basis of accounting, effective January 1, 2024, from going concern basis to liquidation basis. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## COMMON LIVING, INC. 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### **NOTE A - Description of Plan**

The following description of the Common Living, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan was established, effective January 1, 2018, as a defined contribution 401(k) plan that provides retirement benefits for all eligible employees of Common Living, Inc. (the "Company") who have attained eighteen years of age, who, however, are not covered by a collective bargaining agreement and who are not non-resident aliens who received no earned income which constitutes income from services performed within the United States. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On May 31, 2024, the Company filed for Chapter 7 bankruptcy at which point no further contributions were made to the Plan. On August 22, 2024, the Plan's trustee implemented the Plan's liquidation and liquidation was then considered imminent. In accordance with ASC 962-40-25, the Plan adopted the liquidation basis of accounting effective January 1, 2024. Upon termination, all participant accounts became 100% vested and three options were available to the participants to move their participant accounts. The participant could then rollover their balance to an Individual Retirement Account ("IRA"), rollover their balance to another employer sponsored retirement plan or receive a cash distribution. If one of these three actions was not taken by October 10, 2024, the vested account balance would then be rolled over into an IRA at Millennium Trust Company.

#### **Contributions**

Eligible participants could contribute up to the maximum amount of their annual compensation that would not cause the Plan to violate the provisions of the ADP test or the maximum permissible amount under the Internal Revenue Code. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company could in its sole discretion make matching contributions limited to actual participant deferrals. There was no matching contribution for the year ended December 31, 2024. The Company could, in its sole discretion, make profit sharing contributions, as long as the actual participant completed one hour of service during the Plan year. There were no profit sharing contributions for the year ended December 31, 2024. An eligible participant must have attained eighteen years of age and been employed by the Company as of the last day of the Plan year to be eligible for the matching contributions and profit sharing contributions. Employer's matching contributions and profit sharing contributions were allocated to each participant based on the amount of their salary reduction contribution to the Plan and matching contributions and profit sharing contributions were allocated in the ratio that the participant's compensation bore to all eligible participants' compensation within their respective employee group. All contributions to the Plan of amounts deferred by a participant and the Company's matching contributions and profit sharing were participant directed.

**NOTE A - Description of Plan (Continued)**

**Participant Accounts**

Each participant's account was credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that was paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

**Vesting**

Participants were immediately and fully vested in their voluntary contributions as well as employer's matching contributions and profit sharing contributions plus actual earnings thereon.

**Notes Receivable from Participants**

Participants could borrow from their account a minimum of \$1,000 and a maximum of up to 50% of the vested value of their account balance. However, outstanding loans under the Plan could not exceed \$50,000 per participant. Loan terms ranged from 1-5 years unless it was for a primary residence in which case the repayment term could be longer. Loans, which were evidenced by a negotiable promissory note, were secured by the balance of the participant's account and bore interest at a rate commensurate with prevailing rates as determined by the plan administrator at the date of the loan. Principal and interest were paid ratably through either bi-weekly or semi-monthly payroll deductions.

**Forfeited Accounts**

At December 31, 2023, there were no forfeited nonvested accounts. Those accounts could be used to reduce future employer contributions.

**Withdrawals**

Withdrawals of all vested amounts could be made after a participant attained 59 ½ years of age or if the withdrawal was for reason of hardship (as defined).

**Payment of Benefits**

On termination of service due to death, disability or retirement, the participant could receive a mandatory distribution in one lump sum amount without consent. If an affirmative election to either receive or rollover the distribution was not made, the Plan could roll over the distribution into an IRA of its choice designed to preserve principal and provide a reasonable rate of return. These funds could then be rolled over into

a different IRA provider, or another retirement plan eligible to receive rollover contributions. For those vested amounts in excess of \$5,000, participant consent was required before any distribution could be made.

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**NOTE B - Summary of Significant Accounting Policies**

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles may require the plan administrator to make certain estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Valuation of Investments and Income Recognition**

Investments are reported at fair value. The investments in the mutual fund accounts are valued at the market value of the Plan participants' shares of the underlying mutual funds held by the trustee in their respective sub-accounts. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Participant loans are carried at their unpaid principal balance plus any accrued but unpaid interest. Interest rates on outstanding loans were 4.25% to 9.50% during 2024.

**Payment of Benefits**

Benefits are recorded when paid.

**NOTE B - Summary of Significant Accounting Policies (Continued)**

**Expenses**

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company were excluded from these financial statements. Fees related to administration of notes receivable from participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net appreciation of fair value of investments.

**NOTE C - Fair Value Measurements**

The Financial Accounting Standards Board's standard on "Fair Value Measurements" (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels.

Level 1 is unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access and has the highest priority. Level 2 is observable information for similar items in active or inactive markets and Level 3 is unobservable inputs to be used in situations where markets don't exist or are illiquid. Level 3 has the lowest priority.

Shares of registered investment companies are valued at their quoted market prices in active market as of the close of business, which represent the fair value of shares held.

**NOTE D - Certification by the Trustee**

**NOTE F - Related Party and Party-In-Interest Transactions**

Certain plan investments are managed by Betterment Business LLC, the Plan's trustee. Therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. The fair value of such investments aggregated \$4,137,276 as of December 31, 2023, respectively. Fees paid by the Plan for investment management services are netted against net appreciation in fair value of investments.

**NOTE G - Tax Status**

The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 401(a) of the Internal Revenue Service Code qualifying for tax-exempt status.

The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the Plan's sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely will not be sustained upon

examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE H - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets in liquidation.
