INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Consumer Cellular, Inc. 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CONSUMER CELLULAR, INC. 401(K) PROFIT SHARING PLAN & TRUST
INDEPENDENT AUDITOR'S REPORT
Year Ended December 31, 2024 and 2023

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

CONSUMER CELLULAR, INC. 401(K) PROFIT SHARING PLAN & TRUST
INDEPENDENT AUDITOR'S REPORT
Year Ended December 31, 2024 and 2023

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2024 and 2023

NOTE 1. DESCRIPTION OF PLAN

The following description of the Consumer Cellular, Inc. 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution 401(k) and profit sharing plan, originally adopted on June 1, 1999, and most recently amended and restated on January 1, 2022. The Plan covers all eligible employees of Consumer Cellular, Inc. (the “Plan Sponsor”). The Plan is qualified under the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligible employees must be at least 18 years of age and be credited with 30 consecutive days of employment. Employees meeting these requirements can enroll the first day of the month following 30 days of employment. All participants are eligible to receive employer matching contributions. Eligibility for employer non-elective (profit sharing) contributions include being employed on the last day of the Plan year.

Contributions – Participants may contribute up to 100 percent of pretax and/or after-tax (Roth) annual compensation, as defined in the Plan, not to exceed statutory limits. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

Effective January 1, 2022, the Plan does not include an auto enrollment feature. Notwithstanding contribution catch-up provisions, the statutory limit on each participant’s contributions for 2024 was \$23,000.

The Plan Sponsor has elected to make ADP Safe Harbor Matching Contributions to the Plan that are equal to up to six percent of compensation, but not to exceed the participant’s elective deferrals.

The Plan Sponsor may also elect to make a non-elective (profit sharing) contribution to the Plan. Non-elective contributions, if any, are discretionary and annually determined by the Board of Directors. The employee’s share of non-elective contributions is based on their payout group (determined by position) and the proportion of the employee’s compensation to the total compensation for all eligible Plan participants in the corresponding payout group.

Investment Elections – The Plan allows for participant directed investments. Participants may choose any combination of permitted investments as presented in Plan documents. Participants can change investment combinations as often as permitted under the particular investment vehicle. The accounts of participants who do not choose among these options are automatically invested in the appropriate Vanguard target date fund based on their year of expected retirement.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts – Each participant’s account is credited with the participant’s contribution and allocations of employer contributions and Plan earnings. In addition, each participant’s account is charged with an allocation of expenses. Allocations are based on participant earnings or account balances, as defined in Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor’s contribution portion of their accounts is based on years of continuous service. One year of service is defined by the Plan as being 1,000 hours of service performed during 12 consecutive months. Participants become 100% vested upon attainment of normal retirement age, death, or permanent disablement. Beginning January 1, 2022, ADP Safe Harbor Matching is immediately vested. Safe Harbor Matching contributions made under the previous QACA match will be 0 percent and 100 percent vested, after completing one year and two years of service respectively. Vesting in employer non-elective contributions and matching contributions previous to the QACA will be 0 percent, 20 percent, 40 percent, 60 percent, 80 percent, and 100 percent vested after completing one year, two years, three years, four years, five years, and six years of service, respectively.

Payment of Benefits – Upon termination of service, a participant’s vested interest will be distributed within an administratively feasible time after the participant makes a request for payment. Benefits may be paid in a lump sum, rolled over to another qualified plan or to an individual retirement account. On termination of service due to death, disability, or retirement, or after reaching 59.5 years of age, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, rollover their account balance to another qualified plan or individual retirement account, or receive an annuity, as specified by Plan provisions. The Plan Sponsor may force-out accounts of terminated participants with balances of \$7,000 or less.

Hardship Distributions – The Plan contains a provision for hardship distributions in the event of a qualified financial hardship, which constitutes an immediate and heavy need. Examples of qualified hardships include incurring medical expenses, purchase of a principal residence, tuition costs, preventing an eviction from a participant’s primary residence, payments for burial or funeral, and qualifying casualty related damage/repair costs. Participants are allowed to continue making elective deferrals following a hardship distribution.

CONSUMER CELLULAR, INC. 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2024 and 2023

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts – At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$155,700 and \$173,055, respectively. Plan provisions provide that forfeitures may be used to reduce employer contributions or to pay for Plan expenses. During the Plan year ended December 31, 2024, \$906 of forfeitures were used to reduce employer contributions and \$67,762 of forfeitures were used to pay Plan expenses.

Notes Receivable from Participants – Participants who are suffering a financial hardship for which supporting documentation can be provided, may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, reduced by the balance of any previously outstanding loans. Qualifying hardships include eligible medical expenses, purchase of a principal residence, payments to prevent eviction, and other related expenses. Loans are secured by participant’s vested account balance and bear interest at the Prime Rate plus one percent. Principal and interest are paid ratably through bi-weekly payroll deductions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – Shares of registered investment companies and common-collective trust units are valued at fair value based on published market prices. See Note 3 for further discussion of fair value measurement. Fair value for the investments of the Plan is certified by the custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions once a scheduled payment remains unpaid as of the end of the last day of the calendar quarter following the calendar quarter in which the required payment was due.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits – Benefits are recorded when paid. As of December 31, 2024, there were no distributions requested by participants, but not yet processed, that would require disclosure in these financial statements.

Administrative Expenses – Certain administrative activities are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Expenses paid for by the Plan, include investment advising, recordkeeping fees, and administration expenses directly attributable to the processing of loans, distributions and custodial costs. These costs are either allocated directly to the attributable participant account or allocated in a proportionate manner.

Some investment options used by the Plan generate revenue sharing. The Plan is set up to return revenue sharing back to the participant account that generated it. This is taken into consideration by the Plan when evaluating the net expense of investment options used or being considered by the Plan.

Investment Advisory and Third Party Administrator Fees – The Plan pays all Third Party Administrator fees out of the forfeiture account. Investment advisory fees are allocated to participants based on asset balances.

Date of Management’s Review – Subsequent events were evaluated through May 30, 2025, which is the date the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2024 and 2023

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

Registered Investment Companies (Mutual Funds) – Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common-Collective Trusts – Units held are valued using the net asset value practical expedient (NAV practical expedient). The NAV practical expedient is based on the fair value of the underlying assets owned, minus liabilities, and divided by the number of outstanding units. There are no redemption restrictions against individual participants for this fund. If the Plan initiates a full redemption of the trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables disclose by level, the fair value hierarchy, of the Plan's assets at fair value as of December 31, 2024 and 2023:

	As of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 55,340,988	\$ -	\$ -	\$ 55,340,988
Investments measured at NAV (practical expedient)				512,654
Investments at fair value				\$ 55,853,642

	As of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 44,286,762	\$ -	\$ -	\$ 44,286,762
Investments measured at NAV (practical expedient)				567,742
Investments at fair value				\$ 44,854,504

CONSUMER CELLULAR, INC. 401(K) PROFIT SHARING PLAN & TRUST

Years Ended December 31, 2024 and 2023

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables provide additional information for investments in certain entities that calculate net asset value per share (or its equivalent) as a practical expedient, as of December 31, 2024 and 2023:

	As of December 31, 2024			
	Fair Value	Redemption Frequency	Redemption Notice Period	Unfunded Commitment
Common-collective Trust	\$ 512,654	Daily	12 months	n/a

	As of December 31, 2023			
	Fair Value	Redemption Frequency	Redemption Notice Period	Unfunded Commitment
Common-collective Trust	\$ 567,742	Daily	12 months	n/a

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS

The custodian and insurance company held all investments and executed all investment transactions on behalf of the Plan. As of December 31, 2024 and 2023, information in the accompanying financial statements and supplemental schedule related to investments, investment interest and dividend income, and net appreciation/depreciation in the fair value of investments, was obtained or derived from information supplied to the Plan administrator and has been certified complete and accurate by the custodian, Empower Trust Company, LLC..

NOTE 5. PARTIES-IN-INTEREST

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Plan Sponsor. The Plan Sponsor provides to the Plan certain accounting and administrative services for which no fees are charged. Fees paid during the year to third party administrators or custodians for services rendered by parties in interest were based on customary and reasonable rates for such services. These transactions qualify as exempt parties-in-interest transactions.

NOTE 5. PARTIES-IN-INTEREST (CONTINUED)

The Plan issues loans to participants, which are secured by balances in the participants' accounts. These transactions qualify as exempt party-in-interest transactions.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100% vested in their accounts.

NOTE 7. TAX STATUS

The Plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
