INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Board of Directors
The Hamlin Companies, Inc. 401(k) Profit Sharing Plan
Garner, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Hamlin Companies, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Hamlin Companies, Inc. 401(k) Profit Sharing Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Hamlin Companies, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Hamlin Companies, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Hamlin Companies, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Hamlin Companies, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE HAMLIN COMPANIES, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

1. Description of Plan

The following description of The Hamlin Companies, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on July 1, 1981 as a defined contribution plan with both profit sharing plan and 401(k) plan elements for the benefit of substantially all employees of The Hamlin Companies, Inc. (the "Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Assets of the Plan are held by the plan trustee selected by the plan sponsor. The Company acts as plan sponsor.

Contributions

Employees who have reached the age of 18 and have completed three months of service during which one hour of service is earned each month, are eligible to participate in the Plan. Employees are automatically enrolled with a 5% pre-tax deferral election beginning immediately upon meeting eligibility requirements unless they elect to opt out. The Plan also includes an automatic increase provision in which a participant's elective deferral contribution will increase by 1% on the first day of each plan year up to a maximum of 10%. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may contribute up to the maximum amount allowed by the Internal Revenue Service ("IRS").

The Company makes safe harbor matching contributions at a rate of 100% of the first 3% of employee elective contributions and 50% of the next 2% of employee elective contributions. The Company may make additional discretionary profit sharing contributions. There were no discretionary profit sharing contributions in 2024. The Plan also permits rollover contributions from other qualifying retirement plans.

Participants' Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and allocations of plan earnings and administrative expenses. Allocations are based on the participant's compensation, contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the salary reduction amount contributed to the Plan and the employer safe harbor matching contributions. Participants are fully vested in their discretionary profit sharing contribution accounts after three years of credited service.

Forfeitures

At December 31, 2024, forfeited non-vested accounts totaled \$0. Forfeited accounts may be used to pay administrative expenses or reduce the employer matching contributions, as permitted by the Plan's provisions.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

1. Description of Plan (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance during the one year period ending on the day before the loan is made or 50% of their vested account balance reduced by any outstanding loan balance. A participant can only have two loans outstanding at a time. The notes are secured by the balance in the participant's account and bear interest at a fixed rate of prime plus 1% (8.50% at December 31, 2024) as of the date of the new loan. Principal and interest are paid ratably through payroll deductions. Total notes receivable from participants were \$286,298 and \$236,744 as of December 31, 2024 and 2023, respectively.

Payment of Benefits

Generally, participants become eligible to receive benefits upon their normal retirement age (59 ½), death, disability, termination, or for reasons of proven financial hardship. Upon termination of employment, a participant becomes eligible to receive benefits from that part of their vested account resulting from matching contributions and discretionary contributions. A participant may withdraw all or a portion of their vested account balance in a single lump sum payment. If the vested balance is less than \$5,000, a lump sum distribution is made. Effective January 1, 2024, this amount increased to \$7,000.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their elective contributions for immediate and severe financial need. In accordance with IRS regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

Payment of Benefits

Benefits are recorded when paid.

THE HAMLIN COMPANIES, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

2. Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are comprised of a fully benefit-responsive investment contract, pooled separate accounts, and mutual funds. The Plan's investments are stated at fair value except for its fully benefit-responsive investment contract, which is valued at contract value (see Note 7). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Investments in pooled separate accounts are valued using the Net Asset Value ("NAV") provided by the administrator of the fund, based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The pooled separate accounts do not have finite lives, unfunded commitments relating to these types of investments or significant restrictions on redemptions.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Plan Expenses

Certain plan expenses are paid by the Company as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participants' accounts.

3. Federal Income Taxes

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing plan document. This document received an opinion letter dated June 30, 2020, in which the IRS stated that the document was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). As allowed by the IRS, the Plan is relying on the opinion letter issued on the pre-approved plan document for its own qualification. The pre-approved plan document has been amended for changes required by the IRS since receiving the opinion letter. Plan management believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

THE HAMLIN COMPANIES, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

3. Federal Income Taxes (Continued)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that, more likely than not would be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal"), the trustee of the Plan, and was not subject to audit for the years ended December 31:

6. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Total
<u>December 31, 2024:</u>		
Mutual Funds	\$ 883,151	\$ 883,151
Total Investments in Fair Value Hierarchy	883,151	883,151
Investments Measured at Net Asset Value		12,533,190
Investments at Fair Value	\$ 883,151	\$ 13,416,341
<u>December 31, 2023:</u>		
Mutual Funds	\$ 769,635	\$ 769,635
Total Investments in Fair Value Hierarchy	769,635	769,635
Investments Measured at Net Asset Value		11,407,189
Investments at Fair Value	\$ 769,635	\$ 12,176,824

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

6. Fair Value Measurements (Continued)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 or 3 investments in the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

7. Investment Contract with Insurance Company

The Plan holds a fully benefit-responsive investment contract with Principal. It offers three characteristics: (1) stability of principal; (2) a declared interest rate and (3) accessibility. Benefit payments are made at book value (i.e. no termination or surrender charge adjustments) for plan benefit events and investment transfers initiated by Plan participants. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Principal. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

Certain events limit the Plan's ability to transact at contract value with Principal. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

8. Party-in-Interest Transactions

Plan investments are managed by Principal, the trustee, as defined by the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were \$74,091 for the year ended December 31, 2024. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through June 11, 2025, which is the date the financial statements were available to be issued.

In December 2022, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2022 ("SECURE Act 2.0") that continued the retirement system reform previously passed in 2020. Certain provisions of the SECURE Act 2.0 are effective starting in January 1, 2024 and various dates through 2026, with the plan amendment for the adoption of SECURE Act 2.0 due by December 31, 2026. Effective January 1, 2025, the Plan adopted the optional SECURE Act 2.0 provision which increased the catch-up contribution limit to the greater of \$10,000 or 50% more than the regular catch-up amount in 2025.

Effective January 1, 2025, the Plan was amended to permit Roth contributions and to increase the automatic increase provision to 15%.
