Independent Auditor's Report

The Plan Administrator Immigrant Defenders Law Center 401k Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of Immigrant Defenders Law Center 401k Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with the auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedule of participant delinquent contributions for the year ended December 31, 2021 and the schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Immigrant Defenders Law Center 401k Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan was established in January 2015 and has been amended several times since that date.

General

The sponsor of the Plan is Immigrant Defenders Law Center (the Company or Plan Sponsor). The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was created for the benefit of all eligible employees of the Company.

Eligibility

Employees who have attained the age of 21 are eligible to participate in the Plan. Ineligible employees are: (1) employees covered by the terms of a collective bargaining agreement; (2) nonresident aliens who received no earned income from sources within the United States; and (3) employees who become employees due to asset or stock acquisition, merger, or similar transaction involving a change in the employer of a trade or business.

Employees have no minimum service requirements before becoming eligible for participant deferral contributions and may enter the Plan immediately upon meeting the age requirement. Employees must complete six months of service before becoming eligible for employer matching contributions. After one year of service, participants become eligible for employer profit-sharing contributions.

Participant Contributions

Participants may elect to defer up to current statutory limits determined annually as prescribed by the Internal Revenue Service (IRS). An employee who has satisfied the eligibility requirements will have to enroll online. Upon enrollment, participants will have to elect the investment options for which the contributions will be invested. The Plan also allows participants to make contributions to Roth 401(k). The Plan also permits participants to make additional voluntary contributions of qualified rollovers from other retirement plans.

Employer Contributions

The Plan provides for a Company safe-harbor matching contribution in the amount of 100% of the participant's elective deferral, not to exceed 3% of the participant's compensation. In addition, the Plan Sponsor may make discretionary profit-sharing contributions. The Company did not make any discretionary profit-sharing contributions for the year ended December 31, 2021.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, actual earnings thereon and allocations of the employer's contributions (if any) and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferral, any rollover contributions made to the Plan, employer matching contributions and employer profit-sharing contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their account at a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from the participants are secured by the balance in the participants' account and shall bear interest at a reasonable rate. All notes receivable from participants shall be repayable over a period not to exceed five years, except if the proceeds are used to purchase a primary residence, in which case the note receivable must be repaid within a period not to exceed 30 years. Principal and interest are repaid through biweekly payroll deductions.

Investment Options

The Plan is intended to comply with Section 404(c) of ERISA. Accordingly, the participants, rather than the Plan Administrator, are responsible for making investment decisions for their accounts. Participants direct the investment of their account balances into various investment options offered by the Plan. Upon enrollment in the Plan, a participant may make direct contributions in any increments into any of several investment options. All the accounts are in the custody of the third-party administrator. Participants may change their investment options inside the platform at any time.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reasons, a participant whose vested account balance does not exceed \$5,000 will have the balance distributed in lump-sum amount. Participant account balances in excess of \$5,000 may elect to receive a lump-sum amount, payment in installments, partial withdrawal, or annuity equal to the value of the participant's vested interest in his/her account. Participants with account balances of \$1,000 or less who are eligible for rollover distributions must take a lump-sum distribution as soon as practicable following termination.

Participants who are at least 59 ½ years of age may take an in-service distribution of their vested account balance.

Forfeitures

Forfeited accounts are used to reduce future employer contributions and administration fees. At December 31, 2021, the forfeiture account balance was \$0. There were no forfeitures that were used in 2021.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor, trustee and custodian. See Note 3 for discussion of fair value measurement.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are reported as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability, with a corresponding reduction to contributions.

Contributions

Contributions from Plan participants and the matching contribution from the Plan Sponsor are recorded in the year in which the participant contributions are withheld from amounts paid. Profit-sharing contributions are recognized upon authorization and recorded in the year in which the underlying compensation is recognized. All participant and employer contributions are participant directed.

Payments of Benefits

Benefits paid to participants are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Fees

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan are recorded as deductions on the accompanying Statement of Changes in Net Assets Available for Benefits as administrative fees. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative fees. Investment-related expenses are calculated as a basis point and included in net appreciation in fair value of investments. Administrative fees are paid by either the Plan or the Company, as provided by the Plan document.

NOTE 3 FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the FASB guidance are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for identical or similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

The following is a description of the valuation methodology used for investments measured at fair value:

Investments in mutual funds and money market funds are measured at Level 1 of the fair value hierarchy. These are valued based on quoted net asset values (NAV) of the shares held by the Plan at year end. The NAVs are calculated at the end of each trading day, at market close. NAVs represent the value of the underlying securities. The NAV is calculated by taking the total assets, deducting liabilities, and dividing by the total number of shares outstanding. The NAV is a quoted price in an active market.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

Investment Category	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 1,279,606	\$ 1,279,606	\$ -	\$ -
Money market funds	282,006	282,006		
	<u>\$ 1,561,612</u>	<u>\$ 1,561,612</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 4 FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN

The Plan's asset information as of December 31, 2021 and for the year then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedules, were obtained by management and agreed to or derived from information certified by Mid Atlantic Trust Company (MATC), the custodian of the Plan. The Plan Administrator has obtained a certification from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments, as reflected in the Statement of Net Assets Available for Benefits, as of December 31, 2021;
- Investment activity, as reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021;

NOTE 4 FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN (CONTINUED)

- Investment information disclosed on Note 3 to the Plan's financial statements; and,
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021.

NOTE 5 INCOME TAX STATUS

The Plan Sponsor adopted a non-standardized profit-sharing plan sponsored by Paychex, Inc. (Paychex), which obtained an opinion letter dated August 31, 2020, from the IRS stating that the Plan was in compliance with the applicable sections of the IRC. The Plan has filed individually with the IRS for a letter regarding the Plan's qualified status and the Plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by MATC, and recordkeeping functions are performed by Paychex, and therefore, these transactions qualify as party-in-interest transactions. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activities to service providers. Fees paid by the Plan to MATC and Paychex totaled \$3,594 for the year ended December 31, 2021. These transactions are exempt party-in-interest transactions under ERISA.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries after payment of any expenses properly chargeable to the Plan, in accordance with the provisions of ERISA.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the Statement of Net Assets Available for Benefits.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2021 as reported in the accompanying financial statements with that reported on Form 5500:

Net assets available for benefits as reported on the financial statements	\$ 1,591,636
Add: Excess contributions payable	6,482
Less: Participant contributions receivable	(8,287)
Less: Employer contributions receivable	(9,062)
Less: Receivable from Plan Sponsor	(2,192)
Net assets available for benefits per Form 5500	<u>\$ 1,578,577</u>

The following is a reconciliation of the changes in net assets available for benefits for the year ended December 31, 2021 as reported in the accompanying financial statements with that reported on Form 5500:

Net increase in net assets available for benefits as reported on the financial statements	\$ 643,232
Add: Excess contributions payable	6,482
Less: Participant contributions receivable	(8,287)
Less: Employer contributions receivable	(9,062)
Less: Receivable from Plan Sponsor	(2,192)
Net increase in net assets available for benefits per Form 5500	<u>\$ 630,173</u>

NOTE 10 NONEXEMPT TRANSACTIONS

During the year ended December 31, 2021, the Plan Sponsor experienced technical errors which resulted in inadvertent failure to deposit participant contributions amounting to \$6,539, within the required timeframe as stated by the DOL regulations. The Plan Sponsor reimbursed the amount of \$2,192 to the participants' accounts in the Plan for lost earnings. The delinquent participant contributions and lost earnings were deposited to the Plan in September 2024. The amount of lost earnings is deemed immaterial to the December 31, 2021 financial statements.

NOTE 11 NEW LAWS AND REGULATIONS

On March 27, 2020, the CARES Act was enacted and signed into law. The CARES Act provided plan sponsors with the ability to offer qualifying participants penalty-free distributions up to \$100,000, increased loan limits and deferment of loan payments. The CARES Act also temporarily waived the required minimum distributions for terminated participants in the calendar year 2020. In connection with the CARES Act, the Plan implemented various provisions to allow coronavirus related withdrawal distributions, delay payment of coronavirus-related loans for one year and waive required minimum distributions for one year.

During 2020, the Plan implemented certain Coronavirus Aid, Relief, and Economic Security (CARES) Act provisions to allow for special coronavirus-related distributions, an increase in Plan loan amounts, deferral of loan payments and a waiver of 2020 required minimum distributions. Written amendments to the Plan reflecting these operational changes will be adopted in accordance with applicable law and IRS guidance. The Plan will be formally amended prior to December 31, 2025.

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement rules for long-term, part-time employees. The Plan continued to be operated based on the required legislative and regulatory requirements. The Plan is required to complete the plan amendments by December 31, 2025.

NOTE 12 SUBSEQUENT EVENTS

The Plan Administrator has evaluated events or transactions that occurred subsequent to December 31, 2021 through November 7, 2024, the date the accompanying financial statements were available to be issued, for potential recognition or disclosure in the financial statements and determined that no subsequent events occurred that required disclosure or adjustment to the accompanying financial statements.
