INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
One World 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of One World 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 (Restated), and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of One World 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

INDEPENDENT AUDITOR'S REPORT
(continued)

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of One World 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Employer Receivable

We draw attention to Note 9 to the financial statements, which describe a matter related to the Plan's operation. During the years ended December 31, 2023, 2022, and 2021, it was identified that the Plan Sponsor failed to implement the auto-enrollment and auto-escalation provisions in accordance with the Plan document. Additionally, the Plan Sponsor failed to implement participant deferral elections in accordance with the Plan provisions for the same time period. The Plan Sponsor has taken corrective action, including making corrective contributions and notifying participants, in accordance with applicable regulatory guidance. Our opinion is not modified in respect of this matter.

Emphasis of Matter—Adjustments to the 2022 Financial Statements

As more fully described in Note 8 to the financial statements, the Plan has adjusted its 2022 financial statements to reflect the Plan Sponsor's corrective actions over its failure to implement auto-enrollment, auto-escalation, and participant deferral elections in accordance with Plan provisions for the time period.

As part of our audit of the 2023 financial statements, we also audited the adjustments to the 2022 financial statements described in Note 8 that were applied to restate the 2022 financial statements. In our opinion, such adjustments are appropriate and have been properly applied.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about One World 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of One World 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about One World 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter – Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. DESCRIPTION OF THE PLAN

The following description of the One World 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was adopted on January 1, 2020, and was amended and restated effective on July 15, 2022 to adopt certain provisions of the CARES Act and include additional members of the Plan Sponsor controlled group. The Plan is a defined contribution plan covering substantially all employees of One World Ventures, LLC (the Plan Sponsor) and the following members of the Plan Sponsor controlled group: One World CPG, LLC, One World Beef, LLC, One World Meat Company, LLC, OWB Packers, LLC, OWB Restaurant Group, LLC, One World Ranches, One World Transportation, One World Specialties, and One World Fleet Services LLC (collectively, with the Plan Sponsor, the Companies). The Plan excludes employees covered by a collective bargaining agreement, leased employees, and non-resident aliens. Effective November 2022, employees are eligible to participate in the Plan after completing two months of service and attaining 21 years of age. Prior to November 2022, employees were eligible to participate in the Plan after completing six months of service and attaining 21 years of age. Initial plan entry dates are the first day of each calendar month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to make salary deferral contributions to the Plan of up to 100% of eligible compensation, subject to annual limits established by the Internal Revenue Service (IRS). Participants are permitted to designate a portion or all of their salary deferral contributions as Roth or pre-tax deferral contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions, subject to IRS annual limits. The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their pre-tax deferral rate set at 3% of eligible compensation, and their contributions are invested in a designated fund until changed by the participant. On January 1st of each year, the pre-tax deferral rate for an automatically enrolled participant is increased by 1% until a maximum of 6% is reached.

Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers).

Note 1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

The Companies are not permitted to make matching contributions or profit sharing contributions to the Plan. The Companies may make qualified non-elective contributions to the Plan, which would be allocated in the same ratio as each eligible participant's compensation bears to the total compensation of all eligible participants.

Participants may direct the investment of their contributions (including the Companies' contributions) into various investment options offered by the Plan. Participants may change their investment allocations at any time.

Participant Accounts

Each participant has an individual investment account that is credited with his or her salary deferral and rollover contributions, qualified non-elective contributions, and actual earnings or losses thereon. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their salary deferral and rollover contributions, the Companies' qualified non-elective contributions, and all related earnings thereon.

Notes Receivable from Participants

Participants loans are not permitted under the terms of the Plan.

Excess Contributions Payable

Excess contributions payable are reported as a liability and a reduction of net assets available for benefits.

Payment of Benefits

Upon termination of service, normal retirement, or attainment of age 59½, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. In the event of death, extended payment terms for beneficiaries are allowed.

Note 1. DESCRIPTION OF THE PLAN (continued)

Payment of Benefits (continued)

Participants may also be eligible to request a distribution from their vested account balance for reasons of financial hardship.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive guaranteed investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's publicly traded mutual funds are valued at the daily closing prices as reported by the funds. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a settlement date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year as well as held at year end.

Payment of Benefits

Benefits are recorded when paid.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Companies. Administrative expenses are recorded when incurred. Investment related expenses are included in the net realized and unrealized appreciation in fair value of investments.

Note 3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. The fair value of investments in mutual funds is based on the publicly quoted net asset value of the shares held by the Plan.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets, (b) quoted prices for identical or similar assets or liabilities in inactive markets, (c) inputs other than quoted prices that are observable for the asset or liability, or (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 3. FAIR VALUE MEASUREMENTS (continued)

Fair Value Measurements as of December 31, 2023:

	Fair Value	Level 1	Level 2	Level 3
Investments:				
Mutual funds	$ 3,838,081	$ 3,838,081	$ -	$ -
Total investments, at fair value	$ 3,838,081	$ 3,838,081	$ -	$ -

Fair Value Measurements as of December 31, 2022:

	Fair Value	Level 1	Level 2	Level 3
Investments:				
Mutual funds	$ 1,832,045	$ 1,832,045	$ -	$ -
Total investments, at fair value	$ 1,832,045	$ 1,832,045	$ -	$ -

Note 4. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in a fully benefit-responsive guaranteed investment contract, the Empower Investments Fixed Account (EI Fixed Account), through a group annuity contract with Empower Annuity Insurance Company of America (EAICA). The EI Fixed Account guarantees principal and a minimum rate of interest, and is an obligation of EAICA's general account. The interest rate credited under the contract is reset on a quarterly basis, and may be higher than the guaranteed minimum interest rate. As of December 31, 2023 and 2022, the contract value of the Plan's EI Fixed Account was $42,860 and $2,383, respectively. The interest rate equaled the guaranteed minimum interest rate of 1.23% and 0.93% per annum during the years ended December 31, 2023 and 2022. All guarantees are based on the financial strength and claims-paying ability of EAICA, who is solely responsible for the obligations under its contracts.

Certain events may limit the Plan's ability to execute transactions at contract value with the issuer (e.g., premature termination of the contract by the Plan, plant closings, layoffs, Plan termination, bankruptcy, mergers, and early retirement incentives, among others); however, the plan administrator has determined that those events that would limit the ability of the Plan to transact at contract value with plan participants are not probable of occurring.

Note 5. INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTIONS

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared by and certified to as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the trustees of the Plan.

	2023	2022
Mutual funds, at fair value	$ 3,838,081	$ 1,832,045
Guaranteed investment contract, at contract value	42,860	2,383
Dividend income	80,599	
Interest earned from guaranteed investment contract	124	
Net realized and unrealized appreciation in fair value of investments in mutual funds	393,655*	

* Earnings related to corrective employer contributions (Note 8) totaling $42,095 were not certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC as of 12/31/23 and have been excluded from the above certified amount of net realized and unrealized appreciation in fair value of investments in mutual funds.

Note 6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2023	2022 (Restated)
Net assets available for benefits per the financial statements	$ 4,127,460	$ 1,982,533
Excess contributions payable	13,883	4,040
Employer contributions receivable	-	(137,953)
Net assets available for benefits per Schedule H of Form 5500	$ 4,141,343	$ 1,848,620

Note 6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2023:

Increase per the financial statements	$	2,144,927
Excess contributions payable, end of prior year		(4,040)
Excess contributions payable, end of current year		13,883
Employer contributions receivable, end of prior year (Restated)		137,953
Net increase per Schedule H of Form 5500	$	2,292,723

Note 7. EXCESS CONTRIBUTIONS

Excess contributions received from participants totaling $13,883 for 2023 were refunded in 2024 to an active participant as required to satisfy the relevant nondiscrimination provisions of the Plan. Excess contributions received from participants totaling $4,040 for 2022 were refunded in 2023 to an active participant as required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are reported in the Plan's statement of net assets available for benefits as excess contributions payable at December 31, 2023 and 2022.

Note 8. RESTATEMENT OF PRIOR YEAR STATEMENT OF NET ASSETS AVAILABLE FOR BENEFITS

During the preparation of the Plan's financial statements for the year ended December 31, 2023, management identified an error in the previously issued financial statements for the year ended December 31, 2022. Specifically, the Company was required to make corrective contributions because of management failures to implement certain plan provisions in accordance with the Plan document. The Plan had not recorded corrective employer contributions receivable totaling $137,953, which were required to rectify prior year operational failures (Note 9).

As a result, the Plan restated its December 31, 2022 Statement of Net Assets Available for Benefits to include these corrective contributions. The restatement impacted employer contributions receivable and total net assets available for benefits as of December 31, 2022.

Note 8. RESTATEMENT OF PRIOR YEAR STATEMENT OF NET ASSETS AVAILABLE FOR BENEFITS (continued)

The following table summarizes the impact of the restatement on the previously reported financial statements:

Affected Line Item	As Previously Reported	Adjustment	As Restated
Employer Contributions Receivable	$ -0-	$ 137,953	$ 137,953
Net Assets Available for Benefits	$ 1,844,580	$ 137,953	$ 1,982,533

Note 9. EMPLOYER CONTRIBUTIONS RECEIVABLE

The Plan recorded employer contributions receivables totaling $258,731 and $137,953 representing contributions due from the Plan Sponsor as of December 31, 2023 and 2022, respectively. The employer contributions receivables relate to corrective contributions required for Plan years 2023, 2022, and 2021 as a result of (1) the failure to timely auto-enroll certain eligible employees, (2) the failure to auto-escalate deferral percentages for eligible participants in accordance with the Plan's automatic contribution arrangement and escalation provisions, and (3) the failure to timely implement participant deferral elections in accordance with plan provisions.

To correct these failures, the Plan Sponsor utilized the Employee Plans Compliance Resolution System (EPCRS) in accordance with Internal Revenue Service guidance. The Sponsor applied the Missed Deferral Opportunity (MDO) correction method, which requires a contribution of 25% or 50% of the missed elective deferrals for each affected participant, depending on the participant's employment status, along with related lost earnings as prescribed by EPCRS. The corrective contributions have been fully remitted to the Plan as of June 9, 2025.

Note 10. PARTY-IN-INTEREST TRANSACTIONS

Certain expenses of the Plan are paid for by the Companies and, therefore, these transactions qualify as party-in-interest transactions. The most significant of these costs are the salaries for the employees responsible for plan administration and fees paid to third party administrators.

Empower Annuity Insurance Company of America and Empower Trust Company, LLC, as trustees and investment managers for the Plan's assets, disburse benefit payments and execute all investment transactions. As a result, certain investment transactions qualify as party-in-interest transactions.

Note 11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 12. TAX STATUS

The Plan uses a prototype, non-standardized document sponsored by Premier Plan Consultants, Inc. The IRS has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax period in progress. The Plan's tax returns for all tax years since inception remain subject to examination by taxing authorities.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

Note 13. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

Note 14. GOING CONCERN CONSIDERATIONS

The financial statements have been prepared assuming that the Plan will continue as a going concern. The Companies have experienced losses from various early-stage business initiatives, current challenges in the cattle markets, and significant debt obligations coming due within the next twelve months. These circumstances raise substantial doubt about the Companies' ability to continue as a going concern. These circumstances also raise substantial doubt about the Plan's ability to continue as a going concern. The Companies' primary obligation to the Plan is to pay for certain Plan expenses.

Management has evaluated these conditions and the Companies have committed to funding these obligations as they arise and maintain that they hold funds outside of the Plan's assets specifically for this purpose. Consequently, the Plan's operations are not expected to be adversely affected by the Companies' going concern issue. The Plan's financial stability is monitored by the Plan administrators who consistently ensure that the Plan's expenses are met in a timely fashion. The Plan administrators will continue to review the Plan's funding status and operational compliance to safeguard the participants' interest. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Note 15. SUBSEQUENT EVENTS

Subsequent events were evaluated for accrual and disclosure through June 30, 2025, which is the date that the 2023 financial statements were available to be issued.
