INDEPENDENT AUDITOR'S REPORT

To the Management of the
Clippard Instrument Laboratory, Inc.
Health Care Plan
Cincinnati, Ohio

Opinion

We have audited the financial statements of Clippard Instrument Laboratory, Inc. Health Care Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024, and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits (modified cash basis) of the Plan as of December 31, 2024, and 2023, and the changes in its net assets available for benefits (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describe the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In our opinion, the information in the accompanying supplemental schedule (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

Description of the Plan

The following description of the Clippard Instrument Laboratory, Inc. Health Care Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan provides health benefits covering all full-time, active employees of the Company. Employees are eligible to be covered under the Clippard High-Deductible Health Plan after the completion of 30 days of employment. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits. The Plan provides medical, prescription drug, major medical, dental and vision to all covered employees. The Plan also provides continuation of certain benefits upon termination of employment through Consolidated Omnibus Budget Reconciliation Act (COBRA). Benefits are paid directly from the Plan through a third-party claim supervisor. Participants are responsible for deductibles and coinsurance amounts and dependent on the level of coverage selected. The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions. The Plan agreement provides that the cost of the plan is to be funded by both Company contributions and employee contributions to provide benefits for employees. The level of any employee contributions will be set by the plan administrator and will be withheld from the employee's pay through payroll deductions.

Other. The Plan's board of trustees, as the Sponsor, has the right under the Plan to amend, suspend, or terminate the Plan in whole or in part. This includes amending the benefits provided under the Plan or the Trust agreement, if any. If the Plan is terminated, the rights of the covered employees are limited to the expenses incurred before termination.

Fees. Insurance premiums and administrative fees charged by third party service providers are paid by the Plan, as allowed by the plan document. All other expenses are paid by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the modified cash basis, which is a basis of accounting other than generally accepted accounting principles. The statements have been prepared on the basis of cash receipts and cash disbursements.

HEALTH CARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, benefit obligations, and changes therein, claims incurred but not reported, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Plan Benefits

Claims for health care benefits are recorded as a plan expense when paid. Plan obligations for health claims incurred but not reported are estimated to be equal to the amount paid for those claims in the first five to seven months of the subsequent year.

Subsequent Events

Management has evaluated subsequent events for the Plan through June 30, 2025, the date the financial statements were available to be issued.

Management reported that effective for the year 2025 and after, Paul N. Ambrosius is named a fiduciary of the Plan.

Reclassification

Certain accounts from 2023 have been reclassified in order to correspond to the classification for the year ended December 31, 2024.

3. FUNDING

In 2024 and 2023, the Plan offered two health care options, a non-deductible plan and a high-deductible plan. For 2024, the non-deductible plan and the high-deductible plan each had a maximum out of pocket limit of \$5,000/person or \$10,000/family. For 2023, the non-deductible plan and the high-deductible plan each had a maximum out of pocket limit of \$3,500/person or \$7,000/family. The high-deductible plan for 2024 has a deductible of \$3,200/person or \$6,400 per family. The high-deductible plan for 2023 had a deductible of \$3,000/person or \$6,000/family. No employer match was offered in 2024 or 2023 for the high-deductible health plan. The Company funding policy is 80% Company/20% Employee for single coverage and 80% Company/20% Employee for family coverage for 2024 and 2023, respectively.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

4. FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Interest-bearing cash: Valued at fair value based on the ending cash balance.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024, and 2023:

	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2024</u>		
Cash account, interest-bearing	\$ <u> -</u>	\$ <u> -</u>
Total investments at fair value	\$ <u> -</u>	\$ <u> -</u>
<u>December 31, 2023</u>		
Cash account, interest-bearing	\$ <u> 58,494</u>	\$ <u> 58,494</u>
Total investments at fair value	\$ <u> 58,494</u>	\$ <u> 58,494</u>

5. STOP-LOSS INSURANCE COVERAGE

The plan is self-funded for health benefits for an amount of up to \$150,000 per person and up to a total aggregate plan year maximum of \$2,293,668 and \$2,419,483 based on the enrollment for the policy years ending September 30, 2025, and 2024, respectively. The plan has purchased insurance to provide for the payment of claims in excess of those amounts.

CLIPPARD INSTRUMENT LABORATORY, INC.
HEALTH CARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

6. BENEFIT OBLIGATIONS

The financial statements have been prepared on a modified cash basis, and therefore there is no statement of benefit obligations in the financial statements for claims payable or claims incurred but not reported during the period. Claims must be filed within 90 days of the charges incurred, or under special circumstances, that period may be extended to one year from the date of the charges. Through May 31, 2025, and July 31, 2024, and the unrecorded benefit obligations for the year 2024 and 2023, respectively, were \$113,605 and \$100,560. The changes in benefit obligations as of December 31 are as follows:

	<u>2024</u>	<u>2023</u>
Claims incurred but not reported at beginning of year	\$ 100,560	\$ 94,664
Claims payable for year	2,845,134	2,085,948
Claims paid	<u>(2,832,089)</u>	<u>(2,080,052)</u>
Claims incurred but not reported at end of year.	<u>\$ 113,605</u>	<u>\$ 100,560</u>

7. TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501(c) 9 of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The trust has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan sponsor believes that the Plan continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

8. RISKS AND UNCERTAINTIES

The present value of benefit obligations is estimated based on the claims processed through the first seven months after the plan year. Due to the uncertainty inherent in the estimate and assumptions process, it is at least reasonably possible that changes in the estimate and assumptions in the near-term would-be material to the financial statements.

HEALTH CARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

9. RELATED PARTY TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services to the Plan. Custom Design Benefits, Inc. is the record-keeper. The HDH Group, Inc. (former Strategic Benefits of Cincinnati) is the benefits broker for the Plan. Clippard Instrument Laboratory, Inc. is the Plan sponsor. Kohrman, Frye & Associates is the Plan auditor. The employees of Clippard Instrument Laboratory, Inc. are Plan participants. These transactions qualify as exempt DOL party-in-interest transactions.

10. CONCENTRATION OF RISK

Cash is maintained at Northside Bank and Guardian Savings Bank and the account is insured by the FDIC up to \$250,000. As of December 31, 2024, and 2023 the uninsured balances were \$0 and \$13,723, respectively.

11. TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

12. PLAN AMENDMENT

On October 1, 2023, the Plan was amended to define that the Plan Sponsor has the sole discretion to identify the stop loss carrier regardless of the recommendation of the Claims Administrator, Custom Design Benefits.

In addition, on July 1, 2024, the Plan changed their insurance broker from Strategic Benefits of Cincinnati to The HDH Group, Inc.
