**INDEPENDENT AUDITORS' REPORT**

To the Board of Trustees  
J.R. Cole Industries, Inc. 401(k) Plan  
Charlotte, North Carolina

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of J.R. Cole Industries, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of J.R. Cole Industries, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of J.R. Cole Industries, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about J.R. Cole Industries, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of J.R. Cole Industries, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about J.R. Cole Industries, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **J.R. COLE INDUSTRIES, INC. 401(k) PLAN**

### ***Notes to Financial Statements***

***December 31, 2024 and 2023***

---

#### **NOTE A – DESCRIPTION OF THE PLAN**

The following description of J.R. Cole Industries, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

##### **General**

The Plan is a defined contribution plan covering all employees of J.R. Cole Industries, Inc. (the Company or Plan Sponsor) who are full-time or part-time employees who are age 18 or older. Employees may enroll in the Plan on their date of hire with enrollment effective with the first subsequent payroll. The Trustees are responsible for oversight of the Plan. The 401(k) Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees. Empower Trust Company, LLC serves as the custodian of the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### **Contributions**

Eligible employees are automatically enrolled and defer 2% of their pay unless they elect a different percentage. Participants may contribute, through payroll deductions, a portion of annual compensation up to the maximum limits allowed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, deemed to be rollovers into the Plan. The Company may make matching and/or profit sharing contributions to the Plan at its discretion. For 2024, the Company’s matching contribution percentage was 50% of every dollar contributed up to 6% of gross compensation. There was no profit-sharing contribution for 2024. The participants direct the investment of their contributions and related employer contributions, if any, into various investment options offered by the Plan.

##### **Participant Accounts**

Each participant’s account is credited with the participant’s contributions and the Company’s matching contribution, if any, and an allocation of the Company’s profit sharing contribution, if any, and the Plan’s earnings, and charged with an allocation of the Plan’s losses and administrative expenses. Allocations are based on the participant’s account balance.

##### **Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings and losses thereon. Participants vest in the Company’s matching and profit sharing contributions based upon years of service. Participants are 20% vested after one year of credited service, increasing by 20% with each additional year of service with 100% vesting after five years of credited service. One year is equivalent to 1,000 hours within a Plan year.

## **J.R. COLE INDUSTRIES, INC. 401(k) PLAN**

### ***Notes to Financial Statements***

***December 31, 2024 and 2023***

---

#### **Investment Options**

Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options daily.

#### **Payment of Benefits**

Upon termination of service due to death, disability or retirement, a participant or his/her beneficiary may receive a lump sum distribution paid in cash, a direct rollover to an individual retirement account, or a distribution to another employer's tax qualified plan equal to the value of the vested portion of his or her account balance at the date of distribution. In addition, under certain terms and conditions, participants may withdraw all or part of their individual participant accounts, as defined by the Plan, upon application to the management committee of the Plan. Distributions and withdrawals are subject to the applicable provisions of the Plan agreement.

#### **Forfeitures**

Forfeited balances of terminated participants' nonvested accounts are used to reduce administrative expenses or future Company contributions. During 2024, \$41,183 of forfeitures were used to reduce ER matching contributions. As of December 31, 2023, there were \$33,601 of forfeited accounts available. There were no forfeited accounts available as of December 31, 2024.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

### **NOTE B – SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of Accounting**

The accompanying financial statements and supplemental schedule have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Use of Estimates**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**J.R. COLE INDUSTRIES, INC. 401(k) PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**Investment Valuation and Income Recognition**

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation for the year consists of realized gains and losses and unrealized appreciation or depreciation in the fair value of the investments.

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**Contributions**

Contributions from Plan participants and matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from amounts paid. All employee and Plan Sponsor contributions are participant-directed.

**Payment of Benefits**

Benefit payments to participants are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Certain investment related expenses are included in net appreciation of fair value of investments.

**Risks and Uncertainties**

The Plan provides for investments in assets that are exposed to risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of these investments may occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

**Subsequent Events**

The Plan Administrator has evaluated subsequent events through July 2, 2025 (the issuance date of the financial statements) and has determined that there were no subsequent events to recognize or disclose in these financial statements.

**NOTE C – CERTIFIED INVESTMENTS**

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company, LLC.

Investment Income:		
Net increase in fair value of investments	\$ 681,481	
Dividends	345,850	
Interest	21,424	
	<u>\$ 1,048,755</u>	

**NOTE D – FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

## J.R. COLE INDUSTRIES, INC. 401(k) PLAN

### Notes to Financial Statements

December 31, 2024 and 2023

---

#### Level 2 Fair Value Measurements

The reported value for the fixed annuity is reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. The individual holdings within the fixed annuity are valued using observable inputs.

#### Assets Not in The Fair Value Hierarchy

The common collective trust fund is reported at the net asset value (NAV) of units of the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table provides fair value information of the Plan as of December 31, 2024 and 2023.

#### NOTE E – PARTY-IN-INTEREST TRANSACTIONS

Fees paid to the Plan's recordkeeper, Empower Trust Company, LLC, for services qualify as party-in-interest transactions and amounted to \$28,573 for the year ended December 31, 2024. In addition, fees paid to the Plan's investment advisor, Merrill Lynch, Pierce, Fenner & Smith Incorporated, qualify as party-in-interest transactions and amounted to \$24,761 for the year ended December 31, 2024. These fees are included in administrative expenses in the statement of changes in net assets available for benefits.

#### **NOTE F – INCOME TAX STATUS**

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has determined that it does not have any material unrecognized tax benefits or obligations as of December 31, 2024. The Plan is generally subject to routine audits by the Internal Revenue Service and/or Department of Labor for three years, including 2021, 2022, and 2023. There are currently no audits for any periods in progress.
