We have performed an audit of the accompanying financial statements of the 401(k) Profit-Sharing Plan for Employees of CenterPlace Health, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule that appears on Pages 13 and 14 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

The financial statements for the Plan as of December 31, 2022 were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated July 22, 2024 indicated that, in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of the ERISA Section 103(a)(3)(C). Their report also indicate that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF
CENTERPLACE HEALTH, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

1. DESCRIPTION OF THE PLAN

The following description of the 401(k) Profit-Sharing Plan for Employees of CenterPlace Health, Inc. (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of CenterPlace Health, Inc. (the "Company"). The Plan covers all employees who have attained the age of 21 and has no minimum service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants are auto enrolled in the Plan, when eligible, starting with a deferral rate of 1% and increasing every eligible year of service to a maximum of 5%. The Company offers a matching contribution of up to 3% of eligible compensation for the year for any employee with 1,000 hours of service that is employed on the last day of the year. During the years ended December 31, 2023 and 2022, the Plan approved an employer contribution of approximately \$181,000 and \$157,000 to the Plan, respectively. Participants direct the investments of their contributions and the Company's contribution into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the annual allocation of: (a) Company contributions and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the prorated earnings of the employee compared to the total earnings of all eligible employees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their employee contributions and rollover contribution amounts plus actual earnings thereon. Participants are vested in the Company's contribution portion of their accounts based on years of service. A participant is fully vested after one year of credited service. Participants also become fully vested, regardless of the number of years of service, when a participant reaches normal retirement age, dies, or becomes totally and permanently disabled.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. There is no limit on the number of loans that a borrower may have outstanding at one time. The loans are secured by the balance in the participant's account and shall bear interest at a reasonable rate that is commensurate with the current commercial rates on similar loans. Principal and interest are paid ratably through payroll deductions.

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF
CENTERPLACE HEALTH, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Payment of Benefits

The Plan provides for the payment of benefits in the form of a single sum payment upon termination, retirement, death, or disability. Financial hardship withdrawals are also permitted.

Forfeitures

Non-vested amounts forfeited by participants are retained in the Plan and may be used to reduce administrative expenses. Any remaining forfeitures may be used to reduce future employer contributions to the Plan. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$3,530 and \$2,675, respectively. During 2023, there were no forfeitures applied against administrative expenses or employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

The Plan's insurance company general account investment is valued at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan (see Note 5 for discussion of contract value measurements).

The plan sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF
CENTERPLACE HEALTH, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Group Annuity Contract

Amounts allocated to the fixed income account earn interest at the rate guaranteed under the contract established and declared in advance by the insurance company. The fixed income account is part of the insurance company's general account and is subject to the claims and the insurance company's general creditors. The insurance company guarantees a minimum rate of interest. Guarantees are subject to the insurance company's claims paying ability.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to plan administration are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. INFORMATION CERTIFIED BY TRUSTEE

All investment information regarding the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by Mutual of America Life Insurance Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF
CENTERPLACE HEALTH, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022:

Pooled separate accounts: Valued based on net unit values of separate accounts for the contracts as reported by the insurance company that manages the separate pooled accounts.

In accordance with ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965) – (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, and (Part III) Measurement Date Practical Expedient*, if an investment is measured using the NAV per unit (or its equivalent) as the practical expedient in Accounting Standards Codification Topic 820 and that investment is in a fund that files a Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity, disclosure of that investment's strategy will no longer be required. As such, the Plan is not required to disclose the investment strategy of the Plan's investments in pooled separate accounts. There are no restrictions or redemption requirements on these investments.

Due to ASU 2015-17, *Fair Value Measurements (Topic 820): Disclosure for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*, the Plan's investments in pooled separate accounts of \$1,906,861 and \$1,124,433 at December 31, 2023 and 2022, respectively, are valued based on the net asset value practical expedient and, therefore, do not require categorization within the fair value hierarchy.

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Company has entered into a deposit administration group annuity contract with Mutual of America (MOA) to which contributions under the Plan are made. Participants can elect to invest amounts allocated to their accounts in a general account maintained by MOA.

The Plan's insurance company general account investment is valued at contract value which represents contributions made under the contract, plus interest at the contract rate, less funds used to pay retirement benefits. Fair value of the general account approximates the contract value less any early withdrawal charges, maintenance fees and market value adjustments if the contract was terminated at the reporting date.

The general account is considered a cash equivalent as it presents the following characteristics: (1) there are no front-end or back-end charges, so the investments in the general account are completely liquid; (2) the interest rate credited is a current rate and is not dependent on the length of time the assets are invested with MOA; (3) withdrawals can be made at any time and are processed on the

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF
CENTERPLACE HEALTH, INC.
NOTES TO THE FINANCIAL STATEMENTS

day the request is received; and (4) the published value is the redeemable value of the fund as there are no deferred sales charges, load assessments or interest rate adjustments that would affect the value as a result of the withdrawal request. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MOA is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed periodically for resetting.

6. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's expenses are paid either by the Plan or the Company, as provided in the plan document. Expenses that are paid directly by the Company, such as professional and recordkeeping fees, are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of separate account investments presented in the accompanying statement of changes in net assets available for benefits.

Certain plan investments held during 2023 and 2022 were separate account funds managed by MOA. MOA also provided certain administrative services to the Plan. As such, MOA is considered to be a party-in-interest. Fees paid directly by the Plan for certain of these services for the year ended December 31, 2023 totaled \$2,439 and are considered to be party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

8. FORM 5500 RECONCILIATION

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	\$ 2,226,251	\$ 1,429,211

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF
CENTERPLACE HEALTH, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

The following is a reconciliation of total changes in net assets available for benefits per the financial statements for the year ended December 31, 2023 to total changes in net assets available for benefits per the Form 5500:

Total change per the financial statements	\$ 797,040
Change in excess contribution payable	<u>(16,019)</u>
Net income per the Form 5500	<u><u>\$ 781,021</u></u>

9. TAX STATUS

The Plan has adopted a prototype non-standardized profit sharing plan, which received an opinion letter from the IRS dated November 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 1, 2025, the date on which the financial statements were available to be issued.
