Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **DELOITTE & TOUCHE LLP**

(2) EIN: **13-3891517**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of
New Century Energies, Inc. Employees' Savings and Stock Ownership Plan for
Bargaining Unit Employees and Former Non-Bargaining Unit Employees:

Opinion

We have audited the financial statements of New Century Energies, Inc. Employees' Savings and Stock Ownership Plan for Bargaining Unit Employees and Former Non-Bargaining Unit Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the

underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of
New Century Energies, Inc. Employees' Savings and Stock Ownership Plan for
Bargaining Unit Employees and Former Non-Bargaining Unit Employees:

Opinion

We have audited the financial statements of New Century Energies, Inc. Employees' Savings and Stock Ownership Plan for Bargaining Unit Employees and Former Non-Bargaining Unit Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the

underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS AS OF DEC. 31, 2024 AND 2023 AND FOR THE YEAR ENDED DEC. 31, 2024

1. DESCRIPTION OF PLANS

The following includes a brief description of the New Century Energies, Inc. Employees' Savings and Stock Ownership Plan for Bargaining Unit Employees and Former Non-Bargaining Unit Employees (BU Savings Plan) and the New Century Energies, Inc. Employee Investment Plan for Bargaining Unit Employees and Former Non-Bargaining Unit Employees (EIP Savings Plan), collectively the "Plans." Participants should refer to their respective Plan Document or Summary Plan Description for more complete information. The notes to the financial statements generally apply to the Plans and specific disclosures are presented to address matters for individual plans, where applicable.

General – The Plans are defined contribution benefit plans which provide eligible employees of Plan sponsor, Xcel Energy Inc., and its participating subsidiaries (Xcel Energy) the opportunity to contribute to a qualified retirement savings plan. Each Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

For the BU Savings Plan and the EIP Savings Plan, Xcel Energy contributes the employer matching contribution in cash. Participant deferrals and employer matching contributions are invested into one or more investment funds as elected by the participants.

Plan and Trust Management – The Plan administrator is Xcel Energy, who has authority to control and manage the operation and administration of the Plans. Plan assets are held by a trustee under a trust agreement as adopted by Xcel Energy. The Plans' assets invested in Xcel Energy Inc. common stock are held in the Xcel Energy Stock Fund within the Master Trust (see Note 4). The Xcel Energy Stock Fund also holds an immaterial amount of cash equivalents for operational purposes. Individual participant accounts are valued daily based on the current fair value of each asset type. The Vanguard Group is the record keeper and Vanguard Fiduciary Trust Company (VFTC) serves as trustee for the Plans.

Transfer of Plan Assets – Assets are transferred amongst plans when an eligible participant moves from one benefit plan to another plan sponsored by Xcel Energy.

Eligibility

BU Savings Plan

All regular, full-time employees of Xcel Energy whose collective bargaining agreement allows for participation in the Plan on the first day of the month following date of hire, while a regular, part-time employee (one who works less than 40 hours per week) must complete one year and 1,000 hours of service to become eligible.

EIP Savings Plan

All regular, full-time employees of Xcel Energy whose collective bargaining agreement allows for participation in the Plan as soon as it is administratively feasible following their date of hire.

Employee and Employer Contributions – Each plan allows participants to contribute a portion of their compensation as pre-tax, pre-tax rollovers from other qualified retirement plans and allows for a discretionary employer matching contribution (see Note 3). The BU Savings Plan and the EIP Savings Plan also allow participant after-tax contributions.

Vesting – Employee contributions, matching contributions made by Xcel Energy and earnings in each Plan are immediately vested.

Distributions

BU Savings Plan

Benefits may be distributed after termination of employment, disability, or death (payable to designated beneficiary) in the form of a single lump sum, rollover to an IRA or another employer's qualified plan.

EIP Savings Plan

Benefits may be distributed after termination of employment, disability, or death (payable to designated beneficiary) in the form of installments, a single lump sum or a rollover to an IRA or another employer's qualified plan.

For each of the Plans, if the total amount of the participant's vested account balance exceeds \$1,000 at a distributive event, the participant may defer distribution until age 72, unless the participant consents in writing to commence distributions at an earlier date. If the total amount is less than \$1,000, the Plan Administrator will schedule a payment date and the amount will be distributed as soon as it is administratively possible. All vested account balances remaining in the Plans after the participant decides to terminate employment with Xcel Energy for any reason will be invested in the funds of the participant's choice. The participant will continue to receive their share of investment earnings and dividend distributions until the account is completely distributed.

Participant Accounts – Both Plans maintain individual accounts for each participant. Each participant's account is credited with the participant's contributions, Company matching contributions, and Plan earnings as applicable. Participant accounts are also charged with withdrawals, an allocation of Plan losses as applicable, and administrative expenses not paid by Xcel Energy. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Amounts – There was no forfeiture activity for the year ended Dec. 31, 2024. There was an immaterial amount in the forfeitures account of the BU Savings Plan as of Dec. 31, 2024.

Plan Termination – While Xcel Energy expects to continue the Plans, it reserves the right at its sole and absolute discretion to amend, modify, change or terminate the Plans for whatever reason it deems appropriate, subject to collective bargaining obligations. If Xcel Energy were to terminate the Plans, assets would be distributed in accordance with ERISA guidelines.

Administrative Expenses – Xcel Energy pays certain administrative expenses of the Plans. Certain investment advisory, trustee and recordkeeping fees are paid by the Plans or by the participant, as applicable. The Self-Directed Brokerage Option annual account maintenance fee and plan recordkeeping fees are paid by the participant. Loan set-up fees are paid by Xcel Energy under the BU Savings Plan. Loan set-up fees and annual maintenance fees are paid by the participant under the EIP Savings Plan.

Xcel Energy Inc. Common Stock Dividends

BU Savings Plan

Dividends paid on shares held in Xcel Energy Inc. common stock within the Master Trust are paid quarterly to Plan participants in cash as a taxable distribution.

EIP Savings Plan

Dividends paid on shares held in Xcel Energy Inc. common stock within the Master Trust are automatically reinvested in Xcel Energy Inc. common stock unless the participant elects to receive them as a taxable cash distribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements of the Plans have been prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties – The Plans provide for investment in a variety of investment funds. Investments, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is reasonably possible that changes in investment values will occur in the near term and such changes could materially affect participants' account balances and amounts reported in the financial statements.

Fair Value Measurements — The Plans present money market funds and mutual funds, the Xcel Energy Stock Fund held within the Master Trust, common collective trusts and self-directed brokerage accounts investments at fair value in its financial statements.

The fair values of money market funds are based on quoted net asset value (NAV), calculated as \$1 per share, and are included in the Fair Value hierarchy as Level 1 investments (see Note 6). The fair values of mutual funds and Xcel Energy Inc. common stock are based on quoted market prices and reported as Level 1 investments.

The self-directed brokerage option allows participants to self-direct investments in a wider variety of equity securities, mutual funds, debt securities, preferred stock and exchange-traded funds. Within self-directed brokerage accounts, the fair value of mutual funds, equity securities and exchange-traded funds are based on quoted market prices and are assigned as Level 1 investments, while the fair values of debt securities are based on market interest rate curves and recent trades of similarly rated securities and are assigned as Level 2 investments.

Common collective trusts include investments in retirement target date trusts, which have been assigned as Level 2 investments, are valued at the underlying investments' NAV at the close of the day.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as deemed distributions based on Plan document terms.

Investments – The Plans' net asset investments include money market funds, various mutual funds, collective trusts, a portion of the Master Trust, and self-directed brokerage accounts. Each participant elects the percentage of his or her account balance to be invested in each investment option. Investment income (loss) includes interest and dividends. Realized gains and losses on the sale of investments and unrealized gains or losses in the fair value of investments are shown as net appreciation (depreciation) in the fair value of investments. Total investment income (loss) is allocated to each fund based on the number of units in each fund. Security transactions are recognized on the trade date (the date the order to buy or sell is executed).

Income Recognition – The difference between fair value and cost of investments, including realized and unrealized gains and losses, is reflected in the Statements of Changes in Net Assets Available for Benefits. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Payment of Benefits – Benefit payments are recorded when paid.

3. PLAN FUNDING

Employee Contributions

BU Savings Plan

Participants may elect to make 401(k) pre-tax deferrals, Roth 401(k) after-tax deferrals, or after-tax deferrals, or a combination of the above not to exceed 20% of their pay. After-tax deferrals may not exceed 8%. The IRS limit for contributions is \$23,000 in 2024. Participants who are age 50 or older during the Plan year may make additional (catch-up) contributions up to \$7,500 in 2024. The Plan is required to make corrective distributions when IRS limits are exceeded due to excess deferrals, excess contributions and excess annual additions, which are returned to participants during the subsequent Plan year.

EIP Savings Plan

Participants may elect to make either regular 401(k) pre-tax deferrals, Roth 401(k) after-tax deferrals or a combination of both not to exceed 30% of their base pay or \$23,000 in 2024. Participants who are age 50 or older during the Plan year, may make additional catch-up contributions (pre-tax and/or Roth 401(k) after-tax) up to \$7,500 in 2024. The Plan is required to make corrective distributions when IRS limits are exceeded due to excess deferrals, excess contributions and excess annual additions, which are returned to participants during the subsequent Plan year.

The EIP Savings Plan has an automatic enrollment program for newly hired/rehired full-time employees in regular status. Eligible employees who do not make an affirmative election or do not waive Plan participation within 30 days from date of hire/rehire are automatically enrolled at an initial percentage of base pay (4% pre-tax in 2024), contribution rates are automatically increased each year by 1% (capped at 10%), and their accounts are automatically invested in an age-appropriate target-date fund. Employees who are automatically enrolled can opt out of the default options and make their own independent choices at any time.

Employer Contributions

BU Savings Plan

Xcel Energy provides a matching contribution equal to 100% of the first 3%, and 50% of the next 4% of a participant's pre-tax contributions during the Plan year. All Plan participants are eligible for the matching contribution, regardless of their employment status at year-end. Employer contributions may be made at any time during the Plan year or after its close, but not later than 60 days after the close of the Plan year. 2024 employer contributions were paid in February 2025. The contribution is based on each participant's annual contribution and eligible compensation as

defined in the Plan Document.

EIP Savings Plan

Xcel Energy provides a matching contribution equal to 50% of the first 8% of base pay contributed by the employee on a pre-tax and/or Roth 401(k) after-tax basis during the Plan year. All employees participating in the Plan are eligible for a matching contribution, regardless of their employment status at year-end. Matching contributions are allocated after the close of the Plan year, typically during the first quarter. 2024 employer contributions were paid in February 2025. The contribution is based on each employee's annual contribution and eligible compensation as defined in the Plan Document.

Investment of Employee and Employer Contributions – Participants may invest their contributions among various investment funds offered by the Plans. Any dividends and interest earned on their investments will be reinvested in each of those same investments automatically. For the 2024 Plan year, Xcel Energy matching contributions made to the BU Savings Plan and the EIP Savings Plan were paid in cash and invested in accordance with the participant's investment election.

4. INTEREST IN MASTER TRUST

The Master Trust is an investment vehicle consisting of Xcel Energy Inc. common stock and a small amount of cash to ensure daily liquidity. The Master Trust pools the stock investment from all four Xcel Energy Inc. sponsored 401(k) plans to reduce administrative and investment expenses. The value of each Plan's interest in the Master Trust is based on the beginning of the year value of the interest in the Master Trust, plus actual contributions, transfers and allocated investment income or loss, less actual distributions and allocated administrative expenses. Investment income or loss and administrative expenses related to the Master Trust are allocated to the individual plans based upon the daily valuation of the balances invested by each plan.

The net change in value from participation in the Master Trust is reported as one line item in the accompanying Statements of Changes in Net Assets Available for Benefits and each Plan's interest in the Master Trust is reported as a single line item in the accompanying Statements of Net Assets Available for Benefits.

A summary of the Plans' interest in Master Trust as of Dec. 31, 2024 and 2023 are summarized below:

	Dec. 31, 2024	
	BU Savings Plan	EIP Savings Plan
Interest in Master Trust (in approximate shares)	662,118	409,555

Total net income	<u>\$ 28,126,123</u>	<u>\$ 4,658,713</u>	<u>\$ 2,686,142</u>

5. FEDERAL INCOME TAX STATUS

The IRS has determined and informed Xcel Energy by letters dated March 24, 2017 and March 13, 2017, respectively, that the BU Savings Plan and the EIP Savings Plan meet the requirements of Section 401(a) of the Internal Revenue Code (IRC) of 1986, as amended. Xcel Energy believes that the Plans are currently designed and are being operated in compliance with applicable requirements of the IRC and that the Plans continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plans' financial statements.

6. FAIR VALUE MEASUREMENTS

The accounting guidance for fair value measurements and disclosures provides a single definition of fair value and requires certain disclosures about assets and liabilities measured at fair value. A hierarchical framework for disclosing the observability of the inputs utilized in measuring assets and liabilities at fair value was established by this guidance. The three levels in the hierarchy are as follows:

Level 1 – Quoted prices are available in active markets for identical assets as of the reporting date. The types of assets included in Level 1 are highly liquid and actively traded instruments with quoted prices, such as listed mutual funds and money market funds.

Level 2 – Pricing inputs are other than quoted prices in active markets, but are either directly or indirectly observable as of the reporting date. The types of assets included in Level 2 are typically either comparable to actively traded securities or contracts, or priced with models using highly observable inputs, as is the case with preferred stock. The collective trusts are not actively traded on an exchange.

Level 3 – Significant inputs to pricing have little or no observability as of the reporting date. The types of assets included in Level 3 are those with inputs requiring significant management judgment or estimation.

The following tables present, for each of these hierarchy levels, the Plans' assets measured at fair value on a recurring basis:

7. NOTES RECEIVABLE FROM PARTICIPANTS

The Plans allow participants to borrow against funds held in their account in any amount greater than \$1,000 but less than 50% of the participant's vested account balance. In no event can a participant borrow more than \$50,000 less the participant's highest outstanding loan balance during the preceding 12 months. Only one outstanding loan is permitted at any time and may not exceed a period of 5 years for a general-purpose loan or 15 years for a principal residence loan. The loan shall bear a rate of interest equal to the prime rate in effect on the first business day of the month the loan request is approved plus 1%, and stays in effect until the loan is repaid. Repayment of the loan plus interest is made through automatic payroll deductions and is credited to each participant's account as paid. If a participant retires or terminates employment for any reason, the outstanding loan balance must be repaid within 90 days from the date of termination, unless the participant elects to continue making monthly installment payments established by the Plan Administrator.

A summary of the Plans' notes receivable as of Dec. 31, 2024 and 2023 is below:

BU Savings Plan

	<u>Dec. 31, 2024</u>	<u>Dec. 31, 2023</u>

Maturity range	2025 - 2038	2024 - 2038

8. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plans' investments include shares of Xcel Energy Inc. common stock. For the BU Savings Plan, on the Statements of Net Assets Available for Benefits, the value of interest in Master Trust included dividends declared and payable to the Plan of \$408,751 at Dec. 31, 2023. For the EIP Savings Plan, on the Statements of Net Assets Available for Benefits, the value of interest in Master Trust included dividends declared and payable to the Plan of \$235,575 at Dec. 31, 2023. There were no dividends payable to either plan as of Dec. 31, 2024.

The Plans also invest in shares of mutual funds and collective trusts managed by an affiliate of VFTC. VFTC acts as trustee for all Plan investments. Transactions in such investments qualify as party-in-interest transactions that are exempt from the prohibited transaction rules. The BU Savings Plan incurred fees for investment management and recordkeeping services of \$563,678 for the year ended Dec. 31, 2024. The EIP Savings Plan incurred fees for investment management and recordkeeping services of \$223,209 for the year ended Dec. 31, 2024.
