Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of City Electric Supply Co., Inc. Employees Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of City Electric Supply Co., Inc. Employees Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted in ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America;
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (C) .

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of this report. We are required to be independent of City Electric Supply Co., Inc. Employees Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a) (3) (C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a) (3) (C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about City Electric Supply Co., Inc. Employees Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financials

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of this report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing the audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of City Electric Supply Co., Inc. Employees Savings Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements;
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about City Electric Supply Co., Inc. Employees Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i, Schedule of Assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA;

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of accounting

The financial statements of the City Electric Supply Co., Inc. Employees Savings Plan (the "Plan") are prepared under the accrual method of accounting.

(b) Investment valuation and income recognition

The Plan's investments are stated at fair value and represent units in pooled separate accounts (bond and mutual funds) at Minnesota Life Insurance Company ("Minnesota"), the Plan's custodian (see below). The Plan also has an investment in Guaranteed Return accounts. These accounts are considered fully benefit-responsive and are reported at contract value. Income or loss is recognized on the increase or decrease in the market value of the investment accounts. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(c) Forming an opinion on financial statements of Employee Benefit Plans subject to ERISA

The Plan has implemented Statement on Auditing Standard No. 136 (SAS 136), Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA, effective for the years ended December 31, 2023 and 2022. Provisions of SAS 136 required the audit be performed in accordance with ERISA 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's rules and regulations for reporting and disclosures under ERISA. As permitted, the audit did not extend to any statement or information related to assets held for investment by Minnesota Life Insurance Company.

(d) Information prepared and certified by plan custodian

The following information included in the accompanying financial statements and supplemental schedule, including investment assets, income and other transactions was obtained from data that has been prepared and certified to as complete and accurate by the Plan custodian. The Plan administrator and Plan custodian are separate companies with the custodian being an owned subsidiary of the administrator.

(e) Benefit payments

Benefits are recorded when paid.

(f) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(g) Subsequent events

The date to which events occurring after December 31, 2023, the date of the most recent balance sheet, have been evaluated for possible adjustment to the financial statements or disclosures is December 10, 2024, which is the date on which the financial statements were available to be issued.

(h) Reclassifications

The accompanying 2022 financial statements have been reclassified to conform to 2023 presentation.

NOTE 2 - DESCRIPTION OF PLAN

The following information represents only general descriptions of the Plan. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

DECEMBER 31, 2023 AND 2022

NOTE 2 - DESCRIPTION OF PLAN (continued)

(a) General

The Plan was originally adopted as of February 1, 1993, as a profit sharing plan. In August 2014, the Plan was restated to an employee savings plan. In January 2015, the Plan was amended to restate the existing plan to include City Electric Supply Co., Inc., Labora Group, Inc., Whitebox Real Estate, LLC and HMN Management Services, LLC (all related) as the employers sponsoring the Plan.

The Plan is a defined-contribution 401K savings plan covering all employees of the companies who have completed 250 hours of service within the first three months of employment or who have completed one year of service, and are age twenty-one and older. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Annually, participants may contribute up to the maximum deferral allowed of pretax annual compensation, as defined, to the Plan. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans.

At the discretion of the employer, the employer may make contributions equal to a discretionary percentage of a participant's elective deferral, determined by the employer.

(c) Investment options

Participants can direct all employee and employer contributions to any of the investment accounts available with Minnesota Life. Participants can redirect their contributions at any time by accessing their account on-line or in writing.

(d) Participants accounts

Each participant's account is credited with the participant's contribution and the allocation of the Company's contribution. Earnings are credited to each participant's account based on their proportionate share of earnings of their investment accounts. Administrative expenses are charged to each participant's account based on the terms of the pooled separate accounts.

(e) Forfeited accounts

Forfeited balances on terminated participants' non-vested accounts may be used to pay the Company's administrative fee to

the custodian or to reduce amounts otherwise required to be contributed to the Plan. Forfeited non-vested accounts used to offset fees and contributions amounted to \$213,457 and \$141,090 during the years ended December 31, 2023 and 2022, respectively. Forfeiture account balances at December 31, 2023 and 2022, were \$108,320 and \$99,491, respectively.

(f) Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's discretionary contributions plus actual earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

(g) Payment of benefits

Payment of a participant's vested account balance is made upon death, total disability, retirement or termination of employment. Participants can request a partial or lump-sum distribution of their vested account balance in the case of undue hardship or upon reaching stated plan retirement age.

(h) Party-in-Interest

Certain Plan investments are units of common/collective trust funds managed by Minnesota Life Insurance Company. These transactions qualify as party-in-interest transactions. They are exempt from ERISA prohibited transaction rules. Fees paid by the plan for investment management and administrative services amounted to \$126,112 and \$116,989 for the years ended December 31, 2023 and 2022, respectively. These fees are included in administrative expenses in the accompanying statements of changes in net assets available for plan benefits.

NOTE 3 - PLAN TERMINATION

The Company has the right under the Plan, subject to the provisions of ERISA, to terminate the Plan at any time. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 4 - TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan is subject to examination by various Federal taxing and other authorities. At December 31, 2023, years open to examination of general taxation matters by taxing authorities range from December 31, 2018 to December 31, 2022.

In the event of an examination by a taxing or other authority, Plan management does not expect the outcome of the examination to have any material financial impact.

NOTE 5 - INVESTMENTS

The following investments represent five percent or more of the Plan's net assets:

NOTE 6 - PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent of their vested account balance. The loans are secured by the balance in the Participant's account and bear interest at reasonable rates, which are commensurate with local prevailing commercial rates as determined by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions or electronic fund transfers from Participant's outside accounts.

Participant loans receivable are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing Participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 7 - BENEFIT OBLIGATIONS

Net assets available for benefits at December 31, 2023, include \$13,217,331 allocated to accounts of persons who, as of, or prior to that date, were no longer employed by the companies.

NOTE 8 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan has adopted Financial Accounting Standards Board Statement of Financial Accounting Standards (FASB) ASC 820, Fair Value Measurements, which provides a framework for measuring, reporting and disclosing fair value under generally accepted accounting principles. ASC 820 applies to all assets and liabilities that are measured, reported and/or disclosed on a fair value basis.

As defined in ASC 820, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Plan uses various valuation methods including the market, income and cost approaches. The assumptions used in the application of these valuation methods are developed from the perspective of market participants pricing the asset or liability. Inputs used in the valuation methods can be either readily observable, market corroborated, or generally unobservable inputs. Whenever possible the Plan attempts to utilize

CITY ELECTRIC SUPPLY CO., INC.
EMPLOYEES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 8 - FAIR VALUE OF FINANCIAL INSTRUMENTS (continued)

valuation methods that maximize the use of observable inputs and minimizes the use of unobservable inputs. Based on the observability of the inputs used in the valuation methods the Plan is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities measured, reported and/or disclosed at fair value will be classified and disclosed in one of the following three categories:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all the significant inputs are observable, either directly, or indirectly.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following is a description of the valuation approaches used to value investments at December 31, 2023 and 2022:

Market Approach - A valuation technique that uses prices and other relevant information generated by market transactions involving identical or comparable to the item being measured.

Income Approach - Valuation techniques that convert future amounts (for example, cash flows or income and expenses) to a single current (that is, discounted cash flow) amount. The fair value measurement is determined on the basis of the value indicated by current market expectations about those future cash flow amounts.

Net Asset Value - Valuation technique based on the net asset value per share (or its equivalent, such as member units or an ownership interest in partners's capital to which a proportionate share of net assets is attributed).

Pooled separate accounts, bonds and mutual funds, are invested primarily in fixed maturity securities, equity securities and cash and cash equivalents. The majority of which have observable inputs and are classified within Level 2. These accounts are valued at a quoted market price in an active market. These funds trade within industry standard settlement periods.

NOTE 8 - FAIR VALUE OF FINANCIAL INSTRUMENTS (continued)

The guaranteed return account is a stable value investment for which the net asset value is based on contract value. These investments are required to be reported at fair value. However, contract value is considered the relevant measurement for fully benefit-responsive investment contracts.

The guaranteed return account is value adjusted to reflect current market interest rates only to the extent the market rates exceed crediting rates. There are no unfunded commitments.

The tables below present the balances of assets measured at fair value on a recurring basis by level within the hierarchy.

NOTE 9 - RISKS AND UNCERTAINTIES

Participants invest in investment securities provided by the Plan. These securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term. Such changes could materially affect a participant's account balances and the amount reported in the statement of net assets available for plan benefits.

Employee contributions per financial statements	\$ 13,811,460

Employer contributions per financial statements	\$ 4,882,348
Timing difference	<u>631</u>
Employer contributions per Form 5500	<u>\$ 4,882,979</u>

NOTE 11 - DELINQUENT CONTRIBUTIONS

As required by ERISA Section 2510.3-102, the plan sponsor is required to segregate employee contributions to the plan from its general assets as soon as practicable but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. Due to continuing issues encountered in the change in payroll providers and changes in sponsor personnel, there were contributions deposited untimely. These shortfalls were voluntarily submitted, as discovered, as follows:

There were no delinquent contributions noted in 2023. During 2022, \$11,073 of late contributions was discovered and deposited along with \$14,642 from 2021. The total late contributions of \$11,073 represents employee contributions. Lost earnings of \$631, including \$580 from 2021, have been accrued at December 31, 2022.

NOTE 12 - CORONAVIRUS PANDEMIC

In early 2020, the United States, including all states, was subject to an infectious virus outbreak, the coronavirus (Covid-19). The Covid-19 outbreak was declared by the U.S. Government to be a national disaster. To combat this disaster the Federal and state governments implemented various personal and business restraints to limit the spread of the virus. These restraints have caused significant negative economic impacts on many businesses.

The Plan sponsor and Trustees have evaluated effects on Plan activity resulting from Covid-19. To date, there has been no significant effects on Plan activities nor, as of December 10, 2024, are any further impacts on Plan activity expected.
