### Report on the Audit of the Financial Statements

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audits***

We have performed audits of the accompanying financial statements of 1st Financial Bank USA Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 1st Financial Bank USA Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 1st Financial Bank USA Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 1st Financial Bank USA Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Trustees  
1st Financial Bank USA Profit Sharing Plan & Trust

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 1st Financial Bank USA Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 1st Financial Bank USA Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Trustees  
1st Financial Bank USA Profit Sharing Plan & Trust

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**1ST FINANCIAL BANK USA  
PROFIT SHARING PLAN & TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN**

The following description of the 1st Financial Bank USA Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering all eligible employees of 1st Financial Bank USA (the Plan Sponsor or Plan Administrator), 1fb.net, Inc., 1st Financial Funding & Investment, Inc., 1<sup>st</sup> Insurance Services, Portfolio Information Corporation, Builder Finance Inc. and Premier Financial Services, LLC, which are under common control (the employer companies). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Plan Amendments**

The Plan was established effective January 1, 1992 and has been amended throughout the years to comply with tax legislation. The Plan was last restated effective July 1, 2022 and last amended effective November 1, 2022.

**Administrative Expenses**

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. The Plan Sponsor pays all administrative expenses incurred by the Plan, except for those directly related to Plan participant transactions. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense.

**Eligibility**

Employees who have completed 30 days of consecutive service and are age 21 and older are eligible to participate in the Plan excluding part-time, temporary or seasonal employees hired on or after March 1, 2020 who are regularly scheduled to work less than 1,000 hours.

**Contributions**

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a portion of their compensation contributed as pre-tax 401(k) or Roth contributions to the Plan. The Plan includes an automatic enrollment feature whereby eligible participants are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant. The deferral rate is also automatically increased each Plan year by 1% up to a maximum of 10% of eligible compensation, unless the participant elects otherwise. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

**1ST FINANCIAL BANK USA  
PROFIT SHARING PLAN & TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Contributions (Continued)**

The Employer makes a 401(k) matching contribution to the Plan. The 401(k) matching contribution is made each pay period to eligible participants who elected salary reduction contributions for the pay period. For the years ended December 31, 2024 and 2023, the Employer matching contribution was 25% of deferrals up to \$2,500.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant Accounts**

Each participant's account is credited with the participant's contribution, if any, and an allocation of (a) the employer's contributions, if any, and (b) plan earnings (loss), and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their deferral contributions plus actual earnings thereon. Vesting in the employer contributions plus earnings thereon is based on years of continuous service. A participant vests in their employer contributions account balance as follows:

	<b>Percentage Vested</b>
Year 1	33.33%
Year 2	66.67%
Year 3 or more	100.00%

A participant is also 100% vested on the date they reach normal retirement age, meet the eligibility requirements for early retirement, become totally disabled, or if employed by one of the employer companies at the time of their death.

**Investment Options**

Principal Life Insurance Company (Principal) and Delaware Charter Guarantee & Trust Company (Delaware Charter) (collectively, the Custodians) held all of the Plan's investments and maintained individual accounts for each participant at December 31, 2024 and 2023. Participants must direct employee and employer contributions to selected investments as made available and determined by the Plan Administrator.

**1ST FINANCIAL BANK USA  
PROFIT SHARING PLAN & TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Notes Receivable from Participants**

Participants may borrow from their accounts. Generally, the amount that can be borrowed may not be more than 50% of the vested account balance, reduced by any outstanding loan balance, or \$50,000, reduced by any outstanding loan balance. Three loans may be outstanding at one time. A one-time loan origination fee of \$75.00 and a quarterly maintenance fee of \$12.00 is deducted from the account for each loan. Loan transactions are treated as a transfer to (from) the investment accounts from (to) the participant loan account. Loan terms shall not exceed five years unless the loan is used to acquire a principal residence, in which case the term of the loan will be determined by agreement of the Plan Administrator and the borrower. The loans bear interest at rates available for similar loans from commercial lending institutions. Once a loan is granted, the interest rate on that loan will not change. Loan repayments are paid through payroll deductions and are due at least quarterly.

**Other**

Participants may change their salary deferral contributions and their investment elections at any time. They may revoke their salary deferral option prospectively on any business day.

**Payment of Benefits**

The participant's benefits are based on the amount in the participant's account and the vesting policy described in Note 1. Upon termination of service, death, disability, retirement, or early retirement, a participant may elect to receive the value of the vested interest in their account in the form of a lump-sum distribution, partial distribution, installments, or they may select from several annuity options. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions, subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent. Effective in 2024, the threshold was increased from \$5,000 to \$7,000 due to the SECURE 2.0 Act.

**Forfeited Accounts**

Forfeited account balances are used to reduce future employer contributions and to pay certain administrative expenses incurred by the Plan. A participant may restore forfeited amounts by repaying the vested account if they are re-employed. The repayment must be made before the earlier of the date five years after the date the participant is re-employed or the end of the first period of five consecutive one-year breaks in service beginning after payment is received. There were no forfeited balances as of December 31, 2024 and 2023. For the years ended, December 31, 2024 and 2023, the Plan used \$6,861 and \$4,765, respectively, of forfeited nonvested accounts to reduce employer matching contributions and \$42 and \$2,169, respectively, to pay administrative expenses.

**1ST FINANCIAL BANK USA  
PROFIT SHARING PLAN & TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for participants, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for plan benefits during the reporting period. Actual results could differ from those estimates and assumptions.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the sales price of an asset in an orderly transaction between market participants at the measurement date. The Plan Trustee Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

**Payment of Benefits**

Benefits are recorded when paid.

**Risks and Uncertainties**

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in participants' account balances and the statements of net assets available for plan benefits.

**1ST FINANCIAL BANK USA  
PROFIT SHARING PLAN & TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Risks and Uncertainties (Continued)**

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into various financial instruments. Investment decisions are made, and the resulting risks are borne, exclusively by the plan participant.

**NOTE 3 INFORMATION CERTIFIED BY THE ASSET CUSTODIAN**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Principal Life Insurance Company, the insurance company, Delaware Charter Guarantee and Trust Company dba: Principal Trust Company, the custodian of the Plan, and Principal Life Insurance Company (on behalf of Principal Global Investors Trust Company), the trustee of the Principal Stable Value Fund, have certified to the completeness and accuracy of the investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the statements of changes in net assets available for benefits for the years then ended, and the schedule of assets (held at end of year) as of December 31, 2024.

**NOTE 4 FAIR VALUE MEASUREMENT**

Under ASC Topic 820, Fair Value Measurement, various inputs are used in determining the fair value of the Plan's investments. These inputs are summarized in a hierarchy that segregates fair value measurements into three levels (Levels 1, 2, and 3), determined based on whether or not the significant inputs into the valuation are observable as follows:

- Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities. An active market is a market in which transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis. A quoted price in an active market provides the most reliable evidence of fair value.
- Level 2 – Other significant observable inputs, including quoted prices for similar securities in active markets, quoted prices for identical securities in markets that are not active, and other market-corroborated inputs.
- Level 3 – Significant unobservable inputs, including the Plan's own assumptions in determining the fair value of investments, based on the best information available in the circumstances.

Valuation levels are not necessarily an indication of the risk associated with investing in those securities and determination of level within the hierarchy is based on the lowest-level input that is significant to the determination of fair value.

**NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)**

The following is a description of the valuation methodologies used for assets held and carried at fair value:

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Account – Valued based on unit value and number of units held. The unit value is based on the current value of the investment contract fund's holdings divided by total number of outstanding units to obtain NAV. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date, and therefore NAV represents readily determinable fair value.

Collective Fund – Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables present the level within the fair value hierarchy at which the investments are measured on a recurring basis as of December 31, 2024 and 2023:

	2024			
	Level 1	Level 2	Level 3	Total
Collective Fund	\$ -	\$ 4,732,238	\$ -	\$ 4,732,238
Pooled Separate Account	-	1,682,717	-	1,682,717
Mutual Funds	58,739,410	-	-	58,739,410
Total Investments at Fair Value	<u>\$ 58,739,410</u>	<u>\$ 6,414,955</u>	<u>\$ -</u>	<u>\$ 65,154,365</u>

  

	2023			
	Level 1	Level 2	Level 3	Total
Collective Fund	\$ -	\$ 4,704,607	\$ -	\$ 4,704,607
Pooled Separate Accounts	-	1,899,743	-	1,899,743
Mutual Funds	50,623,697	-	-	50,623,697
Total Investments at Fair Value	<u>\$ 50,623,697</u>	<u>\$ 6,604,350</u>	<u>\$ -</u>	<u>\$ 57,228,047</u>

There were no significant transfers of investments among levels during the years ended December 31, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 5 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**NOTE 6 PARTIES-IN-INTEREST TRANSACTIONS**

Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption is applied. Investments are managed by Principal Life Insurance Company, the insurance company, Delaware Charter Guarantee and Trust Company dba: Principal Trust Company, the custodian of the Plan, and Principal Life Insurance Company (on behalf of Principal Global Investors Trust Company), the trustee of the Principal Stable Value Fund. Therefore, these transactions are covered by an exemption from the “prohibited transactions” provisions of ERISA and the IRC.

**NOTE 7 INCOME TAX STATUS**

The Plan is placing reliance on an opinion letter received from the IRS on the pre-approved plan indicating that the pre-approved plan is qualified under Section 401 of the IRC and is, therefore, not subject to tax under current income tax law. The pre-approved plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

**NOTE 8 SUBSEQUENT EVENTS**

Effective January 1, 2025, the Plan was amended to increase the automatic increase maximum threshold from 10% to 15% of eligible compensation.

The Plan Sponsor has evaluated subsequent events from December 31, 2024 through June 26, 2025, the date at which the financial statements were available to be issued, and determined there are no other items to disclose, other than disclosed herein.
