SEATTLE PACIFIC INDUSTRIES, INC.
401(k) VOLUNTARY INVESTMENT PLAN

Required Communications From the Auditor

For the Year Ended December 31, 2023

**To the Administrative Committee
Seattle Pacific Industries, Inc.
401(k) Voluntary Investment Plan
Kent, Washington**

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Seattle Pacific Industries, Inc. 401(k) Voluntary Investment Plan (the Plan) as of and for the year ended December 31, 2023 and have issued our report thereon dated July 22, 2024. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our statement of work dated April 4, 2024, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance With All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm and our network firms have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. These policies are appropriate, comply with GAAP and industry practice, and are adequately described within the notes to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

There are no financial statement estimates that are significant to the Plan. Significant accounting estimates are not commonly inherent in a defined contribution plan with investments that are readily available on public markets.

Financial Statement Disclosures

The financial statement disclosures are neutral, consistent and clear.

Significant Unusual Transactions

Professional standards require us to communicate significant unusual transactions to those charged with governance. We did not identify any significant unusual transactions.

Identified or Suspected Fraud

No such matters came to our attention.

Significant Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit.

There were no corrected or uncorrected misstatements identified during our audit.

Disagreements With Management

Professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested From Management

We have requested that management provide certain representations relevant to balances and disclosures presented in the financial statements that are included in the management representation letter dated July 22, 2024.

Management Consultations With Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Significant Related Party Transactions

We have evaluated whether the identified related party relationships and transactions (if any) have been appropriately identified, accounted for, and disclosed and whether the effects of the related party relationships and transactions, based on the audit evidence obtained, prevent the financial statements from achieving fair presentation.

Other Significant Matters, Findings or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters with management including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditor.

Modification of the Auditor's Report

No modifications were made to the auditor's report.

Noncompliance With Laws and Regulations

If matters involving noncompliance with laws and regulations came to our attention during the course of the audit, they are included in an appendix to this letter.

Other Matters

The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Management is responsible for the accuracy of the information presented in the Form 5500. Our responsibility is to obtain a substantially complete Form 5500 and consider whether such information, or the manner of its presentation, was materially inconsistent with the presentation in the financial statements. Our responsibility also includes calling to management's attention any information that we believe is a material misstatement of fact. We have not identified any material inconsistencies or concluded there are any material misstatements of facts in the other information.

This communication is intended solely for the information and use of management, the Administrative Committee, and others within the organization, and is not intended to be and should not be used by anyone other than these specified parties.
