## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of  
Grant Street Group, Inc. 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Grant Street Group, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Capital Bank and Trust Company as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held for investment purposes as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## GRANT STREET GROUP, INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### 1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of Grant Street Group, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the adoption agreement for a more complete description of the Plan's provisions.

*General* - The Plan, established effective January 1, 2000 and amended and restated effective as recently as January 1, 2022, is a defined contribution plan which covers substantially all full-time employees of Grant Street Group, Inc. (the "Sponsor") who have attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Basis of Accounting* - The Plan's financial statements are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

*Use of Estimates* - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of changes in net assets during the reporting periods. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition* - Investments are carried at their fair value based on published quotations. The Plan presents net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on these investments, in the statements of changes in net assets available for benefits. Gains and losses on securities sold or redeemed are determined on the basis of specific identification. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation or depreciation in fair value of investments.

*Contributions* - Participants may elect pre-tax and/or Roth contributions of up to 100% of compensation as defined by the Plan, subject to certain limitations under the Internal Revenue Code. Employees automatically defer 5% of pre-tax compensation into the Plan unless they make affirmative elections to contribute more or less than would be automatically deferred. Effective October 15, 2024, the Plan added Roth provisions allowing after-tax contributions.

The Sponsor may make discretionary matching and profit sharing contributions to the Plan. For the years ended December 31, 2024 and 2023, the matching contribution was 50% of participant salary deferrals of up to 5% of the participant's eligible compensation. There was no profit sharing contribution for the years ended December 31, 2024 or 2023.

*Participant Accounts* - Each participant's account is credited with the participant's contribution and an allocation of the Sponsor's discretionary contribution, if applicable, and plan earnings. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Investment Options* - Participants may direct their contributions and any related earnings into various investment options. The Plan is invested in various funds maintained by Capital Bank and Trust Company.

*Risks and Uncertainties* - The Plan's funds are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and of changes in net assets available for benefits.

*Distributions to Participants* - Upon termination of service due to death, disability, retirement or other termination, participants or their beneficiaries may elect to receive an amount equal to the value of the participant's vested interest in his or her account. If a participant's vested account does not exceed \$5,000, the Plan issues an IRA rollover distribution after giving the participant a reasonable amount of time to make his or her own election under the terms of the Plan. If a participant's account exceeds \$5,000, he or she may elect to receive distributions at the participant's discretion. Participants who face hardship or attain age 59½ may also be eligible for distributions. Effective October 15, 2024, participants may elect in-plan Roth rollover conversions of at least \$1,000.

*Vesting* - Participants are immediately vested in both their own contributions and employer contributions.

*Notes Receivable from Participants* - Participants are able to borrow up to 50% of their vested account balance. The amount of the loan is required to be at least \$1,000 and cannot exceed \$50,000 (unless provided under the CARES Act, in which case it cannot exceed \$100,000). Loans are generally required to be repaid over a five year period in equal monthly installments with interest at a rate equal to prime plus 1% at loan inception. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The interest rate on loans outstanding at December 31, 2024 and 2023 ranged from 4.25% to 9.50%.

*Administrative Expenses* - The Plan's expenses are paid by the Sponsor or by the Plan as provided by the plan agreement.

*Fair Value Measurements* - U.S. GAAP establishes a framework for measuring fair value of financial assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2      Inputs are not quoted prices in active markets but they are observable either directly or indirectly.
- Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's mutual fund investments are valued using Level 1 inputs. There have been no changes to the methodology used at December 31, 2024 and 2023. This method may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting dates.

*Subsequent Events* - The Sponsor has analyzed subsequent events for recognition and disclosure purposes through July 3, 2025, the date which the financial statements were available to be issued.

## **2. PLAN TERMINATION**

The Sponsor anticipates and believes that the Plan will continue without interruption but reserves the right to discontinue the Plan at its discretion. In the event that such discontinuance results in the termination of the Plan, all amounts credited to participant accounts remain 100% vested. The assets of the Plan will be distributed by the custodian in accordance with the trust agreement in a uniform and nondiscriminatory manner.

### **3. INCOME TAX STATUS**

The Plan operates under an adoption agreement in connection with a non-standardized pre-approved profit sharing plan from Walker Benefits LLC. The Internal Revenue Service has stated in a letter dated June 30, 2020 that the plan is acceptable for use by employers under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management believes there is no liability related to uncertain tax positions at December 31, 2024 and 2023. The Plan is no longer subject to U.S. federal or state income tax examinations by tax authorities for tax years before 2021.

### **4. CERTIFIED FINANCIAL INFORMATION**

Capital Bank and Trust Company, the custodian, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Income on investments and notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023.
- The schedule of assets held for investment purposes as of December 31, 2024, as shown on the accompanying schedule.

### **5. PARTIES-IN-INTEREST AND RELATED PARTIES**

Capital Bank and Trust Company serves as the custodian of the Plan and provides access to certain mutual funds and, accordingly, is considered a party-in-interest.

Neither the administrator nor the trustees of the Plan receive any compensation from the Plan.
