Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: PRICEWATERHOUSECOOPERS LLP

(2) EIN: 13-4008324

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		5000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X

Report of Independent Auditors

To the Administrator of the Federated Mutual Insurance Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Federated Mutual Insurance Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors'

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Federated Mutual Insurance Company 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

1. Summary Description of the Plan

The following description of the Federated Mutual Insurance Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The Plan is a defined-contribution plan sponsored and administrated by Federated Mutual Insurance Company (the Company).

Participation

Under the terms of the plan document, an active (non-temporary) employee shall be able to participate in the Plan after completing one month of continuous employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligible Earnings (Compensation)

Employees may defer from 1% to 75% of their compensation. They may choose to defer their contributions before federal and, in most cases, state income taxes (pre-tax contributions) and/or after taxes (Roth 401(k) contributions). Contributions are made through payroll deductions. During 2024, qualified contributions are limited to \$23,000 for participants under the age of 50 and \$30,500 for participants 50 years of age or older. Eligible employees are automatically enrolled in the Plan at 6% of eligible earnings unless they elect to opt out or elect to enroll at a percentage other than the default contribution percentage. For each plan year, the Company will make a contribution to each participant's account. In 2024 and 2023, such contributions were equal to 60% of the participant's contributions for the plan year up to 6% of the participant's eligible earnings. The Company adds the company match to the participant's 401(k) account each time the participant is paid during the year.

Contributions

The Company has the option, in its sole discretion, to make an additional discretionary contribution to the Plan. This discretionary contribution shall be in the form of an additional matching amount and shall be determined solely by the board of directors. No such contribution was made by the Company in 2024 or 2023.

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. Participants who are automatically enrolled have their contributions invested in the applicable lifecycle fund based on their age until they change their election. The Company's contributions are invested in the same manner as that of the participant's elective contributions.

Each participant's account is credited with the participant's contributions and the Company's matching contributions and allocations of plan earnings or losses and is charged with a portion of the administrative expenses. Participant earnings are based on the participant's share of net earnings or losses of their respective elected investment options. Plan participants are charged \$64 per year to cover Plan administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Federated Mutual Insurance Company 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

Benefits for Vested Participants

Participants are 100% vested in their contributions and investment earnings at all times. Vesting in matching and discretionary company contributions occurs as follows:

Years of Service	Vested Percentage
Less than 1	0 %
1	20 %
2	40 %
3	60 %
4	80 %
5 or more	100 %

Non-vested matching and discretionary company contributions are forfeited by terminating employees and are; a. applied to restore the accounts of participants, b. directed by the administrator to pay Plan expenses, and c. remaining will be offset against future matching company contributions. Forfeitures during years ended December 31, 2024 and December 31, 2023, which reduced the Company's matching contributions, were \$0 and \$271,822, respectively. The unallocated forfeiture balance was \$376,864 and \$3,410 as of December 31, 2024 and 2023, respectively.

In the event of a participant's death, disability, or retirement, all company contributions are 100% vested.

Withdrawals during employment from employee contributions (and earnings on those contributions) are permitted if financial hardship is demonstrated and other financial resources are not available. Hardship withdrawals shall be made in compliance with provisions established by the Internal Revenue Service (IRS). In addition, a participant who is an employee, has attained age 59 1/2, and is 100% vested in his or her accounts may withdraw all or any portion of the balance of his or her 401(k) account.

Vested benefits will be paid in a single lump-sum distribution upon employment termination, death, disability, or retirement. If a participant terminates (including retirement) or becomes eligible for long-term disability benefits and is at least 55 years old with a vested balance of \$5,000 or more, the participant may also be paid a single partial distribution or begin taxable installment payments. Participants are required to receive required minimum distributions (RMDs) if the individual has terminated employment, has reached age 73, and has not started to receive payments from the Plan or payments during the year do not total the required minimum amount.

Notes Receivable

Participants may borrow against their vested account balances in amounts and under terms provided in the Plan. A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. A participant may not have more than two loans outstanding. General purpose loans have a term of one to five years. Loans used toward the purchase of a principal residence for the borrower may have a term of up to 20 years. The loans are secured by the balance in the participant's account and bear a fixed interest rate of prime plus 1%. The prime rate used is the prime rate on the first business day of the month preceding the loan.

Notes to Financial Statements

December 31, 2024 and 2023

Plan Administration

Under the terms of the trust agreement with Fidelity Management Trust Company (the Trustee), the Trustee manages the funds on behalf of the Plan. The Trustee has custodial responsibility for the Plan's assets. CAPTRUST serves as an ERISA Section 3(21) investment advisor for the Plan. CAPTRUST works directly with the 401(k) Investment Committee to make recommendations for selecting and monitoring the Plan's investments, report on investment performance measurement and analysis, and make recommendations for Plan design changes.

2. Summary of Significant Accounting Policies

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States and have been prepared on the accrual basis and include the following significant accounting policies:

Investments

Investments held by the plan include mutual funds and collective trust funds. Mutual funds are open-end diversified investment companies registered with the SEC. Collective Trust funds are diversified investment funds operated by a trust company or bank and comprised of a pooled group of trust accounts which are sold only to institutional investors. Common collective funds held within the Plan are non-registered funds that are not open to the public.

Mutual funds held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Valuation of the funds is provided by the Trustee.

Certain investments are measured at fair value using the net asset value (NAV) per share (or its equivalent) as a practical expedient. These investments include commingled funds which may include 103-12 investments, common collective trusts and pooled separate accounts which are typically valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus liabilities and divided by the number of shares or units outstanding. In accordance with accounting guidance, these investments have not been classified in the fair value hierarchy.

Net appreciation (depreciation) of invested assets includes realized gains (losses) on sales of investments and changes in unrealized appreciation (depreciation) in the fair market value of invested assets. Realized investment gains and losses are determined using the specific identification method.

Dividend income from the investments is recorded on the ex-dividend date. Interest income is recorded as accrued.

Purchases and sales of securities are recorded on a trade-date basis.

Investment fees are costs associated with managing the investment options in the Plan. Each managed fund investment has an advisor who is responsible for investing the fund's assets, implementing its investment strategy, and managing the day-to-day operations. The investment fee is paid from the investment fund to the advisor for these services.

Federated Mutual Insurance Company 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

Notes Receivable from Participants

Principal and interest are paid through payroll deductions. The participant loans are classified as notes receivable from participants, which are segregated from plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income from participant loans is recorded by the Plan when earned. The range of interest rates on the loans range from 4.25% to 9.50% and will mature on various dates through 2044.

Participants that end their employment with the Company or reach six consecutive months of disability and have an outstanding loan must repay the outstanding loan balance. Otherwise, the loan will be in default and treated like a Plan distribution with the outstanding balance considered taxable and may be subject to early withdrawal penalties.

Benefits

Benefits are recorded upon distribution to participants.

Expenses

Administrative expenses are payable to the Trustee and include recordkeeping, mailing statements, providing web site access, processing transactions, etc. Expenses that are paid by the Company are excluded from these financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ significantly from these estimates.

Risks and Uncertainties

The Plan provides for investment in a variety of investment funds. Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan offers a range of diversified investment funds for participants to invest in, and therefore does not believe there are significant concentrations of credit risk.

3. Financial Instruments Carried at Fair Value

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value, establishes a framework for measuring fair value, and provides for required disclosures about fair value measurements. ASC 820 includes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). An asset's or a liability's classification is based on the lowest level of input that is significant to its measurement. For example, a Level 3 fair value measurement may include inputs that are both observable (Levels 1 and 2) and unobservable (Level 3).

Federated Mutual Insurance Company 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

The framework established by ASC 820, and the Plan's implementation thereof, is as follows:

- Level 1 Inputs are quoted prices in active markets for identical assets. For the Plan, inputs are the quoted share net asset values of the investments held by the Plan as of year-end.
- Level 2 Other observable inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in non-active markets, and inputs (other than quoted prices) that are observable for the asset either directly or indirectly. The Plan has no Level 2 investments.
- Level 3 Unobservable inputs that cannot be corroborated by observable market data. For the Plan, Level 3 inputs are primarily used in situations where few or no Level 1 or Level 2 inputs are available or are inappropriate given the particular circumstances. The Plan has no Level 3 investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets for the years ended December 31:

	Level 1	Level 2	Level 3	Total
2024				
Mutual funds	\$ 348,202,807	\$ -	\$ -	\$ 348,202,807

Valuation Techniques Used in the Fair Value Measurement of Financial Assets Carried at Fair Value Above

For the financial assets measured at fair value on a recurring basis (categorized in the valuation hierarchy tables on previous page) the Plan applies the following valuation techniques:

Level 1: Mutual funds held within the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These investments have publicly available daily NAV's and are actively traded.

4. Certified Information

All investment information for the Plan disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments, notes receivable from participants, net appreciation (depreciation) in fair value of investments, interest, and dividends for the years ended December 31, 2023 and December 31, 2024 and for the period ended December 31, 2024 was obtained and agreed to or derived from information provided to the plan administrator and certified as complete and accurate by the Trustee.

5. Tax Status

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated November 29, 2013, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan, as amended, is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to income tax examinations for years prior to 2021.

Federated Mutual Insurance Company 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

6. Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their employer contributions.

The Company's contributions are designed to accumulate funds to provide retirement benefits to its employees. The Plan does not provide for predetermined retirement income.

7. Party-in-Interest Transactions

Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption applies. The Plan holds certain investments issued by the Trustee. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Notes Receivable from Participants, as discussed in Footnote 1, are also considered party in-interest transactions.

8. Subsequent Events

The Company has evaluated the impact of events that have occurred subsequent to December 31, 2024, through June 26, 2025 the date the financial statements were available to be issued. Based on this evaluation, the Company has determined none of these events were required to be recognized in the financial statements.
