## Independent Auditor's Report

To the Plan Administrator of the BankProv 401(k) Plan:

### ***Opinion***

We have audited the financial statements of the BankProv 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**BANKPROV 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023**

**1. DESCRIPTION OF THE PLAN**

The following description of the BankProv 401(k) Plan (the “Plan”) as adopted by BankProv provides only general information. Participants should refer to the Plan document and the summary plan description for a more complete description of the Plan’s provisions.

***General***

The Plan is a defined contribution plan covering substantially all employees of BankProv (the “Bank”). The Bank is a wholly-owned subsidiary of Provident Bancorp, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

***Eligibility Requirements***

To become eligible for participation, an employee must have reached 21 years of age.

***Contributions***

Each year, participants may contribute to the Plan a percentage of their annual compensation, on a pre-tax or after-tax (“Roth”) basis, as defined in the Plan, up to 90% of eligible compensation subject to the maximum amount allowable under the provisions of the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans or defined contribution plans (“rollovers”). Participants direct the investment of their contributions into various investment options offered by the Plan.

Eligible employees are automatically enrolled in the Plan with a pre-tax deferral contribution of 3%, unless they complete a waiver indicating they do not wish to participate in the Plan or they make an affirmative election.

The Bank makes a safe harbor matching contribution to eligible participants, equal to 100% of participant deferrals, up to 6% of each participant’s eligible compensation contributed to the Plan. For the plan year ended December 31, 2024, the Bank made safe harbor contributions totaling \$1,138,999. The Bank may also make a discretionary contribution to eligible employees. There were no discretionary contributions made for the plan year ended December 31, 2024. To be eligible for discretionary contributions, participants must be employed on the last day of the Plan year and complete 1,000 hours of service during the Plan year. Any active participant who retires, dies or becomes disabled is also eligible for discretionary contributions.

***Participant Accounts***

Each participant’s account is credited or charged with contributions, investment income and administrative expenses. Investment income, including realized and unrealized gains and losses, and expenses are allocated to participants’ accounts based on each participant’s account balance within each fund. Participants determine the percentage in which contributions are to be invested in each fund. Participants may change their investment options as set forth in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

***Investments***

The Plan currently offers the option to invest in Company Common Stock, a common collective trust, as well as a variety of mutual funds.

***Vesting***

Participants are vested immediately in their contributions and the Bank’s safe harbor matching contributions, plus actual earnings thereon. Vesting in the Bank’s discretionary contributions plus earnings thereon is based on years of continuous service. A participant is 100% vested after three years of credited services.

## [Table of Contents](#)

### ***Forfeitures***

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account represents a forfeiture, as defined by the Plan. Forfeitures are first used to restore re-employed participants' accounts. Any remaining forfeitures may be used to pay administrative expenses, to reduce Bank contributions, or may be allocated to participants. There was \$120 in forfeitures which were used to reduce employer contributions during 2024, and there were no unallocated forfeitures at December 31, 2024 and 2023, respectively.

### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance reduced by any outstanding loan balance on the date a new loan is made. Loans must bear a reasonable rate of interest. The loans are secured by the balance in the participant's account. All loans must be repaid within five years unless the proceeds are used for the purchase of a primary residence, in which case a longer repayment period is allowed. No more than two loans may be outstanding at any time. Principal and interest is generally paid ratably through payroll deductions each pay period.

### ***Payment of Benefits***

Upon termination of service, retirement or death, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount, installment payments, partial withdrawals or annuity payments. Participant's may also take an in-kind distribution for the portion of their account that is held in Company common stock. In-service withdrawals from the participant's account are available upon reaching age 59½. A participant may withdraw from their rollover account at any time.

### ***Hardship Withdrawals***

Hardship withdrawals are available from the participant's elective deferral account, including earnings thereon, in order to meet a participant's immediate and heavy financial need. Hardship distributions relating to medical, tuition, or funeral expenses of a beneficiary are also permitted.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### ***Basis of Accounting***

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") and the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### ***Use of Estimates***

The preparation of financial statements in conformity with GAAP and the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of Fair Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### ***Contributions***

Contributions from Plan participants and Company contributions are recorded in the year in which the participant contributions are withheld from compensation.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged against participant accounts when incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Defaulted notes receivable from participants, if applicable, are reclassified as distributions based upon the terms of the Plan document.

### ***Payment of Benefits***

Benefit payments to participants are recorded when paid.

### ***Administrative Expenses***

Substantially all administrative expenses incurred by the Plan are paid by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

## **3. RISK AND UNCERTAINTIES**

The Plan provides for various investment options which are exposed to various risks, including interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances, the amounts reported in the statements of net assets available for benefits, and the amounts reported in the statement of changes in net assets available for benefits.

## **4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Trust has the ability to access.
- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value by the Plan. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Provident Bancorp, Inc. common stock:* Valued at fair value based on quoted market prices.

*Mutual funds:* Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust:* Valued at the net asset value of units of a collective trust. The net asset value, as provided by the fund manager, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

## [Table of Contents](#)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2024			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<b>Investments measured in the fair value hierarchy</b>				
Common stock	\$ 3,401,210	\$ 3,401,210	\$ —	\$ —
Mutual funds	21,529,517	21,529,517	—	—
Total investments measured in the fair value hierarchy	24,930,727	<u>\$ 24,930,727</u>	<u>\$ —</u>	<u>\$ —</u>
<b>Investment measured at net asset value<sup>1</sup></b>				
Common collective trust	718,382			
<b>Total investments at fair value</b>	<u>\$ 25,649,109</u>			

	2023			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<b>Investments measured in the fair value hierarchy</b>				
Common stock	\$ 4,469,493	\$ 4,469,493	\$ —	\$ —
Mutual funds	19,459,063	19,459,063	—	—
Total investments measured in the fair value hierarchy	23,928,556	<u>\$ 23,928,556</u>	<u>\$ —</u>	<u>\$ —</u>
<b>Investment measured at net asset value<sup>1</sup></b>				
Common collective trust	662,798			
<b>Total investments at fair value</b>	<u>\$ 24,591,354</u>			

(1) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Cohen and Steers US Realty RS Fund common collective trust seeks to maximize total return by outperforming its benchmark over the long term. To achieve this objective the fund invests in a diversified portfolio of common stocks of real estate companies and other permitted investments. Five-day notice is required for withdrawals in excess of 20% of the Plan's investment in the trust. Participant directed redemptions are allowed daily with a one-day notice. There are no unfunded commitments.

## 5. CONTINUANCE OF THE PLAN

The Bank has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested and are entitled to receive their respective shares of the Plan's net assets after payment of all liabilities and expenses. At December 31, 2024, the Plan had not expressed any intention to terminate and expects to continue the Plan indefinitely.

## **6. TAX STATUS**

The Internal Revenue Service (“IRS”) has determined and informed the sponsor of the pre-approved plan document adopted by the Company by a letter dated June 30, 2020 that the pre-approved plan document adopted by the plan sponsor is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and therefore believes the Plan is qualified and the related trust is tax-exempt.

During the 2021 audit, it was discovered that the Plan’s written provisions were not all consistent with its operation or management’s expressed intentions. To correct the operational errors, the Plan entered the IRS’ Employees Plan Compliance Resolution System (“EPCRS”). Plan management believes that under the EPCRS Voluntary Correction Program (“VCP”) the identified errors will be corrected, and that the IRS will issue a compliance statement preserving the tax-exempt status of the Plan. On March 27, 2024, the IRS issued a compliance statement preserving the tax-exempt status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, loans to participants and the management of investments held by the trustee are considered party-in-interest transactions.

The Plan offers the Company’s stock as an investment option for Plan participants. Balances of the Plan sponsor’s company stock was \$3,401,210 and \$4,469,493 as of December 31, 2024 and 2023, respectively.

## **8. SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through June 18, 2025, the date these financial statements were available for issuance.

On June 5, 20205, the Company, and NB Bankcorp, Inc. (“Needham”), the holding company for the Needham Bank, entered into a definitive merger agreement for the Company to merge with and into Needham (“the Merger”). It is anticipated that promptly following the Merger of the Company into Needham, the Bank will merge with and into Needham Bank

Pursuant to the merger agreement, if requested by Needham in writing at least twenty (20) business days prior to the date and time that the Merger becomes effective (the “Effective Time”), the Company shall cause the Plan to be terminated as of the day immediately prior to the Effective Time and contingent upon the occurrence of the closing of the Merger. The Merger is expected to be completed in the fourth quarter of 2025, subject to the satisfaction of various conditions, including the affirmative vote by the holder of a majority of the Company’s shares and receipt of required regulatory approvals from applicable state and federal regulators.
