Independent Auditor's Report

To the Board of Trustees of
Painters Local #476
Vacation and Holiday Fund

Opinion

We have audited the accompanying financial statements of Painters Local #476 Vacation and Holiday Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of September 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Painters Local #476 Vacation and Holiday Fund, as of September 30, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Painters Local #476 Vacation and Holiday Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Painters Local #476 Vacation and Holiday Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Painters Local #476 Vacation and Holiday Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Painters Local #476 Vacation and Holiday Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Painters Local #476 Vacation and Holiday Fund

Notes to Financial Statements

September 30, 2024 and 2023

NOTE A - SUMMARY OF ACCOUNTING POLICIES

- 1.) **Nature of Organization** – The Painters Local #476 Vacation and Holiday Fund (the “Plan”) was formed in 1967 and reinstated in 1975, under an agreement between The Mahoning and Trumbull County Painting and Decorating Contractors of America, Inc. and the labor union. The agreement provides, among other things, for employers of the labor union members to deduct from each member’s wages \$2.75 and \$2.75 for each hour worked for the Vacation and Holiday Fund as of September 30, 2024 and 2023, respectively.
- 2.) **Income Recognition** – Contributions are received by the Mahoning, Trumbull, & Shenango Valley Central Administrative Agency generally in the month following the month in which hours are worked. The contributions are segregated and transferred to a local bank usually by the second month following the work month. Therefore, contributions for August and September hours worked are included as a receivable on the financial statements. The amounts accumulated in each vacation account as of September 30th of each year are paid between November 1st and November 30th to the members.

Any vacation and holiday benefits of a participant that are not received by or claimed by a participant or beneficiary within two years of the date such benefits first became available for payment shall remain in the general account of the Plan and shall be used for payment of the Plan’s administrative expenses.
- 3.) **Use of Estimates** – The preparation of financial statements in accordance with accounting principles generally accepted in the United State of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.
- 4.) **Administration of the Plan** – The Plan is administered by BeneSys Inc., the third-party administrator. Expenses are paid by the Plan in accordance with the Plan Document.
- 5.) **Basis of Accounting** – The financial statements of the Plan have been prepared using on the accrual basis of accounting.
- 6.) **Subsequent Events** – Management has evaluated subsequent events for the Plan through April 7, 2025, the date the financial statements were available to be issued.

NOTE B – PARTY IN INTEREST AND RELATED PARTY TRANSACTIONS

As described in Note A, the Plan has arrangements with service providers. These transactions are party in interest transactions under ERISA.

The Plan participates in the Mahoning, Trumbull and Shenango Valley Central Administrative Agency. The Agency is funded by charging an administrative service fee of 1% of all monies transferred to all participating funds. As of September 30, 2024 and 2023, the Agency covered administrative service fees on behalf of the Plan.

NOTE C – RISKS AND UNCERTAINTIES

Cash consists of monies held in interest-bearing and non-interest-bearing transaction accounts. The Plan places its cash with a financial institution deemed to be creditworthy. Balances are insured by the FDIC up to \$250,000. At September 30, 2024 and 2023, the Plan’s cash exceeded federally insured limits by approximately \$1,201,000 and \$870,000, respectively.

NOTE D - PLAN TERMINATION

Although it has not expressed any intent to do so, the Trustees have the right under the Plan to discontinue the operations of the Plan and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the trustees shall make provisions for the payment of all expenses, debts and obligations, including such expenses incurred as a result of such termination. The balance, after the payment of such debts and expenses, shall be distributed to each participant in accordance with their beneficial interest in the Plan.

NOTE E - INCOME TAXES

The trust established under the Plan to hold the Plan’s assets is intended to qualify pursuant to section 501(c)(9) of the Internal Revenue Code, and accordingly, the Trust’s net investment income is exempt from income taxes. The trust has obtained a favorable tax determination letter from the Internal Revenue Service, and therefore no provision has been made for income taxes and no expense has been recognized.

The Plan has adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Plan has analyzed tax positions taken for filing with the Internal Revenue Service. The Plan believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Plan’s financial condition, results of operations or cash flows. Accordingly, the Plan has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at September 30, 2024.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
