## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the  
**TRIANGLE TECH, INC. 401(k) AND PROFIT SHARING PLAN**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of **TRIANGLE TECH, INC. 401(k) AND PROFIT SHARING PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Assets (Held at End of Year) and Delinquent Participant Contributions as of or for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used

to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **TRIANGLE TECH, INC. 401(k) AND PROFIT SHARING PLAN**

Notes to the Financial Statements

December 31, 2024 and 2023

### **Note 1 - Description of Plan**

The following description of the **TRIANGLE TECH, INC. 401(k) AND PROFIT SHARING PLAN** (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### ***General***

The Plan is a defined contribution plan covering all eligible full-time employees of Triangle Tech, Inc. (the “Company”) and Tech Street, Inc. (formerly Triangle Tech-Carpentry, Inc.) who have completed one year of service (twelve (12) consecutive month period during which the employee is credited with 1,000 hours of service) irrespective of their age. Entry dates are January 1st, April 1st, July 1st, and October 1st. The Plan was established on January 1, 1996, and most recently restated on January 7, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### ***Contributions***

Participants may elect to contribute a percentage of their pre-tax annual compensation to the Plan, subject to certain limitations, as described in the Plan and imposed by law. Participants direct the investment of their contributions into various investment options offered by the Plan. Eligible participants are subject to an automatic pre-tax deferral contribution of 6% of their annual compensation, increasing by 1% annually up to 10% of their annual compensation, unless affirmatively electing otherwise.

The Plan also permits discretionary employer contributions to be made by the Company. A participant must be employed on the last day of the Plan year to receive a portion of the contribution. There were no discretionary employer contributions to the Plan for the Plan year ended December 31, 2024.

#### ***Participant Accounts***

Each participant’s account is credited with (a) the participant’s elective deferral contributions, (b) any employer non-elective and discretionary contributions, (c) any employee rollover contributions, and (d) an allocation of plan income or loss, and is charged with an allocation of any plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

#### ***Vesting***

Participants are immediately vested in all voluntary and rollover contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. A participant is one hundred percent vested after six years of credited service.

Notes to the Financial Statements

December 31, 2024 and 2023

**Note 1 - Description of Plan (continued)**

***Vesting (continued)***

Vesting schedule for discretionary employer contributions:

<b>Years of Service</b>	<b>Vested Percentage</b>
1	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Regardless of the vesting schedule, participants become fully vested upon death, disability or the attainment of age 65.

***Investment Options***

Upon enrollment in the Plan, participants may direct their contributions, the Company's matching contribution, and the Company's qualified non-elective contributions, if any, in a variety of investment options as more fully described in the Plan's literature. Participants may change their investment options at any time.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts for any purpose. Loans may not be greater than \$50,000 nor less than \$1,000 and are limited to 50% of the participant's vested account balance. Participants are only permitted two loans outstanding at any one time and can apply for only one new loan per year.

Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Interest rates range from 4.25% to 9.50%. Principal and interest must be repaid over a period not to exceed five years and are repaid ratably through payroll deductions not less frequently than quarter annually.

Notes to the Financial Statements

December 31, 2024 and 2023

### **Note 1 - Description of Plan (continued)**

#### ***Payment of Benefits***

Benefit payments to separated participants are paid in the form of a single lump sum payment based upon account balance. Accounts with a balance less than \$5,000 (excluding Roth contributions) may be rolled over to an individual retirement plan designated by the administrator, and a balance of less than \$1,000 may be distributed to the participant by the administrator without the participant's consent.

In-service distributions are permitted under the plan to participants who have attained age 59½ from all accounts in which they are 100% vested.

Hardship distributions, subject to a minimum of \$500, are permitted from all accounts in which the participant is fully vested.

#### ***Plan Fiduciary***

Fidelity Management Trust Company is the current Plan investment fiduciary and served in that capacity during the entirety of the years ended December 31, 2024 and 2023.

#### ***Forfeited Accounts***

Forfeited nonvested accounts are utilized to pay plan expenses and/or reduce future non-elective employer contributions. Forfeited nonvested accounts available for use at December 31, 2024 and 2023, totaled \$1,107 and \$396, respectively. During the years ended December 31, 2024 and 2023, plan expenses of \$66 and \$0, respectively, were paid from forfeited nonvested accounts.

### **Note 2 – Summary of Significant Accounting Policies**

#### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

#### ***Use of Estimates***

The preparation of financial statements in conformity with United States generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### ***Net Appreciation (Depreciation)***

The Plan presents, in the statement of changes in net assets available for plan benefits, the net appreciation (depreciation) in the value of its investments, reported at fair value, which consists of the realized gains and losses and the unrealized appreciation and depreciation on those investments.

### **Note 2 – Summary of Significant Accounting Policies (continued)**

#### ***Investment Valuation***

Plan assets are reported at fair value in accordance with Financial Accounting Standards Board Codification (ASC) 820-10, *Fair Value Measurements*. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, and establishes a framework for measuring fair value.

#### ***Income Recognition***

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

#### ***Excess Contributions Payable***

Amounts refundable by the Plan to participants for contributions made in excess of limits prescribed by the Internal Revenue Service are recorded as liabilities. These amounts are captioned as “Corrective distributions” on the statements of net assets available for plan benefits and are reflected as a reduction to contributions in the respective year. There were no excess contributions for either of the years ended December 31, 2024 or 2023.

#### ***Payment of Benefits***

Benefits are recorded when paid.

#### ***Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

#### ***Statement Reclassifications***

Certain reclassifications may have been made in the prior year’s amounts to conform with current year statement presentation.

#### ***Subsequent Events***

Subsequent events have been evaluated through June 26, 2025, which is the date the financial statements were available to be issued.

## TRIANGLE TECH, INC. 401(k) AND PROFIT SHARING PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

### **Note 3 - Fair Value Measurement**

The Plan has adopted the provisions of *Fair Value Measurement*, Accounting Standards Codification (ASC) 820-10. This topic requires disclosures about fair value measurements in financial statements based on hierarchical levels directly related to the amount of subjectivity associated with the inputs used to determine the fair value of financial instruments. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements.)

In determining fair value, the Plan utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and/or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated or generally unobservable inputs and minimize the use of unobservable inputs. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs.

The inputs or methodologies used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

Accounting Standards Codification (ASC) 820-10 establishes a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels are defined as follows:

- **Level 1** – Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- **Level 2** - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
  - quoted prices for similar assets or liabilities in active markets
  - quoted prices for identical or similar assets or liabilities in inactive markets
  - inputs other than quoted prices that are observable for the asset or liability
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means
- **Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

**Registered Investment Companies** – Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end and are classified in Level 1.

**Money Market Funds** – Shares of mutual funds structured to pay money market rates and are classified in Level 1.

	<u>\$ 5,558,424</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 5,558,424</u>

### **Note 4 - Plan Termination**

The Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. During the year ended December 31, 2024, the Company announced its plans to cease operations following the 2025 school year. As of the date of this report, management has not adopted any formal resolutions relative to terminating the Plan.

### **Note 5 - Information Prepared and Certified by the Trustee (Unaudited)**

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company.

1. Investments by fund group, at fair value
2. Dividend income
3. Interest income
4. Net appreciation (depreciation) in fair value of investments
5. Reportable transactions
6. Administrative expenses
7. Participant loans

## TRIANGLE TECH, INC. 401(k) AND PROFIT SHARING PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

### **Note 6 - Risks and Uncertainties**

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Loans are granted to Plan participants that meet certain criteria. See Note 1. The market value of the account used to collateralize each loan is subject to fluctuations based on market conditions.

### **Note 7 – Parties-in-Interest**

Certain Plan investments are shares of funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for recordkeeping and investment management services for the year ended December 31, 2024, were approximately \$22,900.

### **Note 8 - Administrative Expenses**

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for plan benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) of fair value of investments presented in the accompanying statement of changes in net assets available for plan benefits.

### **Note 9 - Income Tax Status**

The Plan obtained its latest determination letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving that determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740-10, *Accounting for Uncertainty in Income Taxes* which clarifies the accounting for uncertainty in income taxes by prescribing the recognition threshold a tax position is required to meet before being recognized in the financial statements. The standard also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition.

## TRIANGLE TECH, INC. 401(k) AND PROFIT SHARING PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

### **Note 9 - Income Tax Status (continued)**

Management has reviewed the impact of ASC 740-10 on the accompanying financial statements and has determined that there are no material uncertain tax positions or unrecognized tax benefits and there is no material impact on the financial statements. In addition, there were no penalties or interest recognized in the statement of changes in net assets available for plan benefits.

The Plan's ASC 740-10 evaluation was performed for the tax years 2021 through 2024. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **Note 10 – Concentration of Credit Risk**

Plan assets are afforded certain protection under the Securities Investor Protection Corporation in the amount of \$500,000 per account type. Plan assets exceeded this amount at times during the years ended December 31, 2024 and 2023.

### **Note 11 – Delinquent Participant Contributions**

During the plan years ended December 31, 2024 and 2023, the Company failed to remit to the Plan's trustee, in a timely manner, certain contributions and repayments totaling \$41,428. Contributions and repayments for the affected pay periods were considered prohibited transactions.

The Company has prepared the necessary documents, and calculated and remitted the accrued interest due plus applicable penalties for delinquent contributions and loan repayments relative to the 2023 and 2024 plan years totalling \$36,326. These corrections were made outside the EBSA Voluntary Fiduciary Correction Program (VFCP).

The Company is in the process of preparing the necessary documents and calculating and remitting accrued interest and penalties of the remainder of the 2024 delinquent contributions and repayments, totalling \$5,102.
