Plan Administrator and Board of Directors of Drew Memorial Hospital, Inc.
Drew Memorial Hospital, Inc. 401(k) Plan
Monticello, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Drew Memorial Hospital, Inc. 401(k) Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of fiduciary net position as of September 27, 2024 (in liquidation) and December 31, 2023 (in liquidation) and the related statements of changes in fiduciary net position for the period from January 1, 2024 through September 27, 2024 and the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 27, 2024 and December 31, 2023, and for the period from January 1, 2024 through September 27, 2024 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Notes 1 and 2 to the financial statements, the Board of Directors of the Plan's sponsor voted on November 27, 2023 to terminate the Plan, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting to the liquidation basis used in presenting the 2023 and 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Note 1. Description of the Plan

General

The following description of Drew Memorial Hospital, Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Drew Memorial Hospital, Inc. (Hospital) for the benefit of its employees who have at least one month of service and are age 18 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Lincoln Financial Group Trust Company, Inc., is the trustee of the Plan.

Plan Termination

The Hospital has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

On November 27, 2023, the Hospital's board of directors voted to terminate the Plan. The Plan was terminated effective December 1, 2023. Effective with the Plan's termination, all participants with an account balance remaining in the Plan became fully vested in all contribution sources, regardless of status or years of vested service. The Plan's termination also ceased employee and employer contributions into the Plan and ceased new participant notes receivable from the Plan.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Hospital make annual contributions of up to the maximum allowed by law. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Hospital makes discretionary matching contributions of employees' salary deferral amounts. In 2023, the Hospital elected to make discretionary matching contributions equal to 50% of employee contributions not to exceed \$2,500. Hospital profit-sharing contributions are discretionary as determined by the Hospital's board of directors. In 2023, the Hospital elected not to make profit-sharing contributions. Contributions are subject to certain limitations. There were no contributions in 2024 due to the Plan's termination.

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Hospital's contributions, and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Hospital's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after six years of continuous service. Effective December 1, 2023, all participants became 100% vested.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set to the prime rate plus 2%. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or annual installments over a period of not more than the participant's assumed life expectancy. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

A participant may receive the value of any fully vested contribution accounts as a hardship distribution upon demonstrating an immediate and heavy financial need.

Forfeited Accounts

At September 27, 2024 and December 31, 2023, forfeited nonvested accounts totaled \$0 and \$9,747, respectively. Forfeitures are used to reduce future employer contributions and pay plan expenses. Forfeitures of \$9,807 and \$34,011 were used to reduce the amount of employer contributions for the period from January 1, 2024 through September 27, 2024 and for the year ended December 31, 2023, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting previous years' financial statements to the liquidation basis used in presenting the 2024 and 2023 financial statements. The change had no effect on fiduciary net position.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of fiduciary net position and changes in fiduciary net position and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. Stable value funds are valued at the NAV of units held, which is a readily determinable fair value as provided by Lincoln Financial Group Trust Company, Inc., and is the basis of current transactions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

September 27, 2024 (in Liquidation) and December 31, 2023 (in Liquidation)**

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Hospital or the Plan at the Hospital's discretion.

Note 3. Certification of Plan Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Lincoln Financial Group Trust Company, Inc., a qualified institution, has certified the following investment information, included in the accompanying financial statements and ERISA-required supplemental schedule, is complete and accurate:

- Investments and notes receivable from participants as shown in the accompanying statements of fiduciary net position as of September 27, 2024 and December 31, 2023.
- Investment income and interest income on notes receivable from participants as shown in the accompanying statements of changes in fiduciary net position for the period from January 1, 2024 through September 27, 2024 and the year ended December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements.

Note 4. Investments

Investment securities are exposed to various risks that can affect the value of the Plan's investments, such as custodial credit risk, foreign currency risk, interest rate risk, credit risk, and concentration of credit risk.

Custodial Credit Risk – Custodial credit risk is the risk that in the event of a failure by the counterparty the Plan will not be able to recover the value of its investments that are in the possession of an outside party. The Plan's policies do not specifically address custodial credit risk.

Foreign Currency Risk – Foreign currency risk is the risk that changes in exchange rates will adversely impact the fair value of an investment denominated in a foreign currency. The Plan does not hold any direct investment of instruments denominated in a foreign currency. The Plan's investment policy does not address foreign currency risk.

Interest Rate Risk – Interest rate risk arises from the likelihood that interest rates will rise or fall during the holding period of a fixed-rate security and adversely affect the selling price of the security prior to maturity. The price of a debt security typically moves in the opposite direction of the change-in-interest rates. The Plan's policies do not specifically address interest rate risk. As of December 31, 2023, the Plan had investments in mutual funds and a stable value fund whose underlying assets are subject to interest rate risk. The Plan had no investments as of September 27, 2024.

Credit Risk – Credit risk exists when there is a possibility that the issuer or other counterparty to an investment may be unable to fulfill its payments on a security under the original term. The Plan’s policies do not specifically address credit risk. As of December 31, 2023, the Plan had investments in mutual funds and a stable value fund that do not report individual credit ratings. The mutual funds may have underlying holdings in securities subject to credit risk.

Concentration of Credit Risk – The Plan’s policies do not specifically address concentration of credit risk. Investments representing 5% or more of total investments consisted of the following as of September 27, 2024 and December 31, 2023:

	<u>2024</u>	<u>2023</u>
Janus Henderson Global Equity Income Mutual Fund	\$ -	\$ 369,547

Vanguard Equity-Income Adm Mutual Fund	\$ -	\$ 556,820
Vanguard Mid-Cap Index Adm Mutual Fund	\$ -	\$ 506,000
Vanguard Short-Term Investment-Grade Adm Mutual Fund	\$ -	\$ 572,270
Lincoln Stable Value Account	\$ -	\$ 441,359

Note 5. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan paid \$27,633 and \$44,060 of recordkeeping fees to Lincoln National Corporation during the period from January 1, 2024 through September 27, 2024 and the year ended December 31, 2023, respectively.

The Plan paid \$6,858 and \$25,412 of advisory fees to Qualified Plan Advisors during the period from January 1, 2024 through September 27, 2024 and the year ended December 31, 2023, respectively. The Plan paid \$0 and \$10,257 of advisory fees to Prime Capital Investment Advisors during the period from January 1, 2024 through September 27, 2024 and the year ended December 31, 2023, respectively. Individually nonmaterial expenses paid to parties in interest aggregated to \$17,879 and \$7,603 during the period from January 1, 2024 through September 27, 2024 and the year ended December 31, 2023, respectively. The Hospital provides certain administrative services at no cost to the Plan.

Note 6. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities

Drew Memorial Hospital, Inc. 401(k) Plan
Notes to Financial Statements
September 27, 2024 (in Liquidation) and December 31, 2023 (in Liquidation)

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of fiduciary net position measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31:

	Fair Value Measurements Using			
	Fair Value	Level 1	Level 2	Level 3
2023				
Mutual funds	\$ 6,752,568	\$ 6,752,568	\$ -	\$ -
Stable value fund	441,359	-	441,359	-
Investments, at fair value	<u>\$ 7,193,927</u>	<u>\$ 6,752,568</u>	<u>\$ 441,359</u>	<u>\$ -</u>

There were no investments at September 27, 2024.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of fiduciary net position, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the period from January 1, 2024 through September 27, 2024 and the year ended December 31, 2023. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds. Level 2 securities include stable value funds that are valued based on the observable NAV of the investments as provided by Lincoln Financial Group Trust Company, Inc. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Note 7. Tax Status

The Plan operated under a standardized adoption agreement in connection with a defined contribution volume submitter plan of Lincoln Financial Group Trust Company, Inc. This volume submitter plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying statements of fiduciary net position.

Note 10. Subsequent Events

Subsequent events have been evaluated through July 7, 2025, which is the date the financial statements were available to be issued.
