INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of September 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended September 30, 2024 and 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year as of September 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A. DESCRIPTION OF THE PLAN

The following description of the J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit-sharing plan with 401(k) features. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Entities

The Plan consists of participants from J & R Schugel Trucking, Inc. and Schugel Management, Inc., employers under common control.

Plan Amendments

During the year ended September 30, 2024, the Plan was amended to require participants with other in-service distributions (other than hardship or deemed severance distributions) to be 100% vested in the distributing account. The Plan was also amended to disallow qualified nonelective contribution withdrawals upon attainment of age 59 ½, as well as in-service distributions of contributions transferred to the Plan from the J & R Schugel Trucking, Inc. Employee Stock Ownership Plan and Trust.

Eligibility

Eligible employees of the Plan Sponsor may participate after reaching the age of 20. Employees may begin participation in the Plan on the 1st day of the month following the date the eligibility requirement has been met.

Contributions

Each year, participants may contribute up to 50% of their pretax annual compensation, as defined in the Plan, subject to Internal Revenue Service (IRS) limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The employers may make matching contributions or discretionary profit sharing contributions equal to a discretionary percentage to be determined by the employer. The employer has not made any matching or discretionary profit sharing contributions for the years ended September 30, 2024 and 2023.

J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Individual accounts are maintained for each Plan Participant. Each participant's account is credited with the participant's contributions, the employers' matching contributions, and an allocation of the employers' discretionary profit sharing contributions, and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of their contributions and the employer's matching contributions into any of the 26 different investment funds.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Effective October 1, 2002, the Plan discontinued its matching contributions, but the five-year graduated vesting schedule remains.

Notes Receivable from Participants

Participants were permitted to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans were secured by the balance in the participant's account and bore interest at the rate of the prime interest rate plus two percentage points on the first business day of the month in which the loan is processed. Loans required repayment within five years from the loan date, unless the loan is for the purchase of the participant's primary residence, in which case the repayment may be for a reasonable period of time up to ten years.

As of January 1, 2019, participant loans were no longer to be permitted to be taken by participants under the Plan; however, outstanding loans were to continue to be administered in accordance with the terms of the loan policy in effect. In addition, the elimination of the participant loan feature is not to result in the acceleration of any existing participant loan. The entirety of the participant loans were satisfied during the year ended September 30, 2024.

J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

If employment terminates for reasons other than death, disability or early or normal retirement, participants are entitled to receive only the vested percentage of their account balance. If the account balance does not exceed \$5,000, a distribution will be made regardless of whether the participant consents to receive it.

Forfeitures

Forfeited nonvested accounts are used to pay Plan expenses in accordance with the provisions of the Plan. The balance of forfeited nonvested accounts at September 30, 2024 and 2023 was \$4 and \$1,056, respectively. The balance of the forfeiture account is kept in the Invesco Stable Trust Fund and the JPMorgan U.S. Government Money Market Fund. During the years ended September 30, 2024 and 2023, administrative expenses of \$1,059 and \$298, respectively, were paid with forfeitures.

Significant Costs

The employer absorbs significant costs for the administration of the Plan.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements and supplemental schedule of the Plan were prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect amounts reported on the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of the risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the Stable Value Trust valued at contract value, as disclosed in Note F. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value was determined using the net asset values of mutual funds, which was determined by the net asset value of the underlying shares. Notes receivable from participants are valued at their outstanding principal balances, which approximates fair value.

Purchases and sales of securities are recorded on a confirm-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as received.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Plan administration costs are paid through participant accounts. Investment related expenses are included in the net appreciation of fair value of investments.

Excess Contributions Payable

The Plan is required to return contributions received during the Plan year in excess of the Code's limits.

J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Tax Positions Interest and Penalty

Interest recognized on underpayment of income taxes is recorded to interest expense. Penalties recognized on tax positions are recorded to income tax expense. During the years ended September 30, 2024 and 2023, there were no underpayment interest or penalties to recognize.

NOTE C. INCOME TAX STATUS

The Plan Prototype obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

As of September 30, 2024, the federal 2023, 2022 and 2021 tax returns remain subject to examination.

NOTE D. CERTIFICATION BY THE TRUSTEE

The plan administrator obtained and agreed to certifications as to the completeness and accuracy of investment assets aggregating \$9,581,698 and \$7,927,950 and notes receivable from participants totaling \$0 and \$401 as of September 30, 2024 and 2023, respectively, and the related net investment income, including the net appreciation of \$1,878,928 and \$848,827 in fair value of such assets, for the years ended September 30, 2024 and 2023, respectively. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedule of the Plan based on such certifications from the Trustee (Empower Trust Company, LLC) as being complete and accurate.

J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE E. FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of fair value hierarchy under FASB ASC 820 are described below:

Basis of Fair Value Measurement

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities; |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly; |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. |

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of September 30, 2024 and 2023. As required by FASB ASC 820, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE F. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Invesco Stable Value Trust Fund invests in a variety of investment contracts such as guaranteed investment contracts (GICs) issued by insurance companies and other financial institutions and other investment products (synthetic GICs and collective investment trusts) with similar characteristics which are all fully benefit-responsive investment contracts.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals.

Variables that Impact Future Crediting Rates

The key factors that influence future interest crediting rates for the synthetic GICs include:

J & R SCHUGEL HOLDINGS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE F. INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

- The level of market interest rates
- The amount and timing of participant contributions, transfers, and withdrawals into/out of the wrapper contract
- The investment returns generated by the fixed income investments that back the wrapper contract
- The duration of the underlying fixed income investments backing the wrapper contract

Events that could adversely Impact the Contract Value

The Stable Value Trust Fund cannot guarantee its ability to maintain its objective constant value as unanticipated events such as a GIC issuer's inability to meet its obligations or significant withdrawal requests by plan participants in the Trust, could affect the recoverability of assets including the underlying investment securities of Synthetic GICs.

NOTE G. PARTY-IN-INTEREST TRANSACTIONS

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption applies. The Trustee is a party-in-interest as a result of providing trustee services to the Plan and investment of Plan assets in its investment funds. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

NOTE H. PLAN TERMINATION

Although they have not expressed any interest to do so, the employers have the right under the Plan, to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE I. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through June 30, 2025, the date in which the financial statements were available to be issued.
