Independent Auditor's Report

Board of Trustees
Retiree Plan of the I.U.O.E. Local 137 Welfare Fund

Opinion

We have audited the accompanying financial statements of the Retiree Plan of the I.U.O.E. Local 137 Welfare Fund (the "Retiree Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Retiree Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits for the years ended December 31, 2024 and 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Retiree Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Retiree Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Retiree Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Retiree Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on page 8 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. RETIREE PLAN OF THE I.U.O.E. LOCAL 137 WELFARE FUND

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

Note 1 - Description of Retiree Plan and Significant Accounting Policies

The following description of the Retiree Plan of the I.U.O.E. Local 137 Welfare Fund (the "Retiree Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Retiree Plan first became effective January 1, 2013 and is a welfare benefit plan established under an Agreement and Declaration of Trust pursuant to collective bargaining agreements between the International Union of Operating Engineers Local 137, 137A, 137B, 137C and 137R (the "Union") and various employers and employer associations in the construction industry in the Westchester, Putnam and Dutchess Counties of New York. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2013, the Board of Trustees decided to cease paying benefits to retired participants previously eligible under the terms of the Welfare Plan of the International Union of Operating Engineers Local 137, 137A, 137B, 137C, 137R - AFL-CIO (the "Welfare Plan") and simultaneously established a separate Retiree Plan. The financial activity of the Retiree Plan, as well as the Welfare Plan is accounted for through a single trust. Employer contributions are allocated to cover the expenses of the Retiree Plan. Pending guidance from the Department of Labor, the Retiree Plan's financial statements only reflect the activity of the Retiree Plan. For clarity the Retiree Plan's financial statements should be read in conjunction with the Welfare Plan's financial statements.

Management has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.

Purpose

The purpose of the Retiree Plan is to provide health and other benefits to eligible participants.

Benefits

Benefits are paid by means of a trust and group insurance contracts. The benefits include, but are not limited to medical, dental, optical, death, Medicare, hospital, prescription drugs, and surgical. Actual benefits, including conditions and limitations thereto, are governed by the provisions of the Retiree Plan. The Retiree Plan is covered by a stop loss insurance policy to limit its exposure for self insured benefits.

RETIREE PLAN OF THE I.U.O.E. LOCAL 137 WELFARE FUND

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

Note 1 - Description of Retiree Plan and Significant Accounting Policies (cont'd)

Participants

Participants consist of retired participants and dependents. Retirees must have a minimum of five years of pension credits, under The Pension Plan of the International Union of Operating Engineers Locals 137, 137A, 137B, 137C, 137R - AFL-CIO, in the 10 calendar years preceding retirement and must have attained a minimum of age 62 when pension benefits commence. Coverage periods range from 5 years to lifetime. Upon attainment of eligibility for Medicare, the Plan's coverage becomes secondary.

Plan termination

The Trustees expect and intend to continue the Retiree Plan indefinitely, but reserve the right to amend or terminate it as provided for by the applicable Trust Agreement and Retiree Plan provisions. If the Retiree Plan is terminated, trust assets will be used to pay all expenses under the terms of the Retiree Plan in the order of priority specified in the Plan and as otherwise required by law.

Basis of accounting

The financial statements are presented on the accrual basis of accounting.

Postretirement benefit obligations and other plan benefits

As the Welfare Plan has committed to fund the postretirement benefit obligations as well as the estimated claims payable and claims incurred but not reported, these obligations will continue to be reflected on the Welfare Plan's financial statements.

Administrative expense allocation

The administrative office is occupied by the Retiree Plan and its related Union, Welfare Fund, Pension Fund, Annuity Fund, Apprentice Training Fund, Union Employees Pension Plan, Fund Employees Pension Plan, Scholarship Fund, and Labor Management Cooperative Trust. Certain expenses not specifically applicable to a particular entity are allocated based on the estimated benefit received by each entity. Amounts reported as receivable from related organizations or payable to related organizations generally include balances for shared expenses.

Administrative expenses estimated to be attributable to the Retiree Plan for the years ended December 31, 2024 and 2023 were \$76,178 and \$58,075, respectively.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

Note 2 - Employers' contributions

In accordance with collective bargaining agreements and participation agreements, employers are required to make contributions to the Retiree Plan on behalf of employees performing covered work. Contributions are based on hourly rates. Certain agreements are capped at 1,800 hours.

Employer contributions are allocated to the Retiree Plan to cover benefit payments and shared administrative expenses.

Note 3 - Form 5500 clarification

The Welfare Plan's Form 5500 - Schedule H - Part II reflects all benefits (including benefits attributable to the Retiree Plan). The benefits attributable to the Retiree Plan are then reflected as a reduction on Line 2e(3). The Retiree Plan's Form 5500 - Schedule H - Part II reflects the benefits attributable to the Retiree Plan as a positive amount on Line 2e(3).

Note 4 - Tax status

The trust funding the Retiree Plan has received an exemption letter from the IRS dated August 25, 1993, stating that the trust is tax exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code ("IRC"). The Retiree Plan and trust are required to operate in conformity with the IRC to maintain the tax exempt status of the trust. The Trustees believe that the Retiree Plan, including amendments, is being operated in compliance with the applicable requirements of the IRC and, therefore, believe the related trust is tax exempt.
