Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520. 103-8 Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information provided to us by the Custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Custodian as of the year ended December 31, 2024, that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the December 31, 2024 financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the 2024 financial statements as a whole. The supplemental schedule of the schedule of assets (held at the end of the year) as of December 31, 2024, which the responsibility of plan management, is presented for the purpose of addition analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 & 2023

1. DESCRIPTION OF PLAN

The following description of F P ARCHITECTS NEW YORK LTD 401(k) PLAN (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all full-time employees who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Each year, participants may contribute up to 100 percent of pre-tax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make up catch up contributions. The Company may elect to contribute an employer profit sharing contribution at its discretion.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's deferred compensation, as defined, and the allocation of (a) the Company's contribution, and (b) Plan earnings. Allocations are based on participants' earnings or account balances, as defined. As a participant-directed plan each participant's investments determine his or her share or earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through June 30, 2025, which is the date the financial statements were available to be issued.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Sponsor determines the Plan's valuation policies. See Note 3 for discussion of fair value investments.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FOR THE YEARS ENDED DECEMBER 31, 2024 & 2023

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN ADMINISTRATIVE EXPENSES

Certain administrative functions are performed by employees of the Employer. No such employee receives compensation from the Plan. The employer has absorbed all Plan administrative expenses that are not related to investments.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 inputs- are quoted prices in active markets for identical assets the Plan has the ability to access at the measurement date and have the highest priority.

Level 2 inputs - are inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs are those that reflect the assumptions market participants would use in pricing the asset developed on market date obtained from sources independent of the plan.

Level 3 inputs- are unobservable inputs for the asset. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions the market participants would use in pricing the asset, developed based on the best information available in the circumstances. Level 3 has the lowest priority.

NOTES TO FINANCIAL STATEMENT
FOR THE YEARS ENDED DECEMBER 31, 2024 & 2023

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of funds managed by an affiliate of the Custodian. Administrative expenses are paid to the Custodian and its affiliate who acts as the record-keeper of the Plan. These transactions with the Custodian and its affiliates qualify as party-in-interest transactions. The above transactions are not, however, considered prohibited transactions under CFR 408(b) of the ERISA regulations.

5. TERMINATION OF THE PLAN

Although it has not expressed an interest to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100 % vested in their accounts.

6. TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's Sponsor believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2024, there were no uncertain positions taken that had an effect on the Plans financial statement or that required disclosure.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associate with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
