Independent Auditor's Report

To the Plan Administrator  
Prodisposal 401(k) Plan

*Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements*

We were engaged to perform an audit of the financial statements of Prodisposal 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits (in liquidation) as of July 11, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits (in liquidation) for the period January 1, 2024 through July 11, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of July 11, 2024 and December 31, 2023, and for the period January 1, 2024 through July 11, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

*Disclaimer of Opinion*

We do not express an opinion on the accompanying financial statements of Prodisposal 401(k) Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

*Basis for Disclaimer of Opinion*

Prodisposal 401(k) Plan does not have sufficient accounting records and source documents relating to certain participant account balances. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

*Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting*

As further discussed in Notes 1 to the financial statements, the Plan sponsor made the decision to terminate the Plan effective July 13, 2023, and management determined liquidation is imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed the basis of accounting used to determine the amounts at which Plan assets are stated to the liquidation basis for the periods after December 31, 2022. Our opinion is not modified with respect to this matter.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our responsibility is to conduct an audit of Prodisposal 401(k) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Prodisposal 401(k) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

### *Other Matter - Supplemental Schedule Required by ERISA*

The supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a) for the period January 1, 2024 through July 11, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to, and we do not express an opinion on the supplemental schedule referred to above.

## **Prodisposal 401(k) Plan**

### **Notes to Financial Statements July 11, 2024 (In Liquidation)**

#### **Note 1 - Plan description**

The following description of the Prodisposal 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document, and any amendments thereto, for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering all full-time employees of Prodisposal USA LLC (the "Company") who have attained the age of 18 and completed three months of service and student interns, part-time employees and seasonal employees who have completed one year of service, as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Excluded employees include employees covered by a collective bargaining agreement and nonresident aliens.

#### **Plan termination**

On July 13, 2023, the outstanding interest in the Company was sold. Effective on that date, the Plan was amended to cease employee and employer contributions into the Plan. The amendment also initiated the termination process of the Plan on that date.

As a result of the termination, in accordance with accounting principles generally accepted in the United States of America ("GAAP"), the financial statements are presented on the liquidation basis of accounting for periods after December 31, 2022 (see Note 2).

#### **Contributions**

Each year, participants were permitted to make salary deferral contributions to the Plan up to 100% of their pre-tax compensation, as defined in the Plan. Participants could designate all or a portion of their salary deferral contributions as Roth deferral contributions. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants directed the investment of their contributions into various investment options offered by the Plan.

The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 3% of eligible compensation.

For eligible employees, the Company made matching contribution equal to 100% of the first 4% of eligible compensation that a participant contributes to the Plan. The Company may, at its discretion, make non-elective contributions to the Plan. The Company did not make any non-elective contributions during the period January 1, 2024 through July 11, 2024. Participants also direct the investment of the Company contributions. All contributions were subject to certain Internal Revenue Service ("IRS") limitations.

#### **Participant accounts**

Each participant's account was credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's non-elective contribution and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that are paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## Prodisposal 401(k) Plan

### Notes to Financial Statements July 11, 2024 (In Liquidation)

#### Vesting

Participants were vested immediately in their contributions plus actual earnings thereon. In the event of termination due to death, total and permanent disability or attainment of normal retirement age, participants became 100% vested in all nonvested employer portions of their account. For all other participants, vesting in the employer portion of their account was based on credited years of service, as defined by the Plan, according to the following schedule:

<u>Years of service</u>	<u>Percentage</u>
Less than 1 year	0%
More than 1 year	100%

All participants with an account balance as of the date of termination became fully vested in all contribution sources.

#### Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans were secured by the balance in the participant's account. The loan interest rate was set at 1% above the prime rate, as defined, at the time of the loan. Principal and interest were paid ratably through payroll deductions.

#### Payment of benefits

On termination of service for any reason, participants with a vested account balance less than \$1,000 received a lump-sum amount equal to the value of the participant's vested interest in their account. For terminated participants with a vested account balance greater than \$1,000, but less than \$5,000, the Plan administrator made a direct rollover of the participant's account to an individual retirement account designated by the Plan administrator. Participants with a vested account balance greater than \$5,000 may elect to receive a lump-sum amount, direct rollover, or defer payment of benefits until a later date.

Withdrawals from a participant's account may also be made in the event of a financial hardship, in accordance with the provisions specified in the Plan.

Participants who are at least 59-1/2 years of age may withdraw all or a portion of the balance in their account prior to termination for any reason.

#### Forfeited accounts

As of July 11, 2024 and December 31, 2023, there were no forfeited nonvested accounts. When available, these accounts could be used to reduce future employer contributions, reallocated to participant accounts, or pay administrative expenses of the Plan.

#### Note 2 - Summary of accounting policies

##### Basis of accounting

In accordance with GAAP, due to the termination of the Plan effective on July 13, 2023 (see Note 1), the financial statements as of July 11, 2024 and December 31, 2023 and for the period January 1, 2024 through July 11, 2024 were prepared using the liquidation basis of accounting to determine amounts at which Plan assets are stated.

## **Prodisposal 401(k) Plan**

### **Notes to Financial Statements July 11, 2024 (In Liquidation)**

#### **Use of estimates**

The preparation of financial statements in accordance GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

#### **Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Representatives from management of the Company determine the Plan's valuation policies utilizing information provided by the investment adviser, trustee and recordkeeper. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period.

#### **Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of July 11, 2024 or December 31, 2023.

#### **Payment of benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

#### **Subsequent events**

The Plan has evaluated subsequent events through June 27, 2025, the date the financial statements were available to be issued.

### **Note 3 - Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board issued Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;

## Prodisposal 401(k) Plan

### Notes to Financial Statements July 11, 2024 (In Liquidation)

- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 11, 2024 and December 31, 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan had no assets at fair value as of July 11, 2024. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at fair value as of December 31, 2023 (In Liquidation)			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 330,071	\$ -	\$ -	\$ 330,071

#### Note 4 - Related party and party-in-interest transactions

Millennium Trust Company, LLC and Betterment for Business, LLC are the trustee and recordkeeper, respectively, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions under ERISA. Direct fees paid by the Plan to Betterment for Business, LLC or its affiliates totaled \$793 for the period January 1, 2024 through July 11, 2024. Indirect fees paid for investment management services are included in net appreciation in fair value of investments. The Plan allows participants to take loans against their account balances, which are also considered party-in-interest transactions.

#### Note 5 - Tax status

The prototype plan document, which the Plan has adopted in a non-standardized adoption agreement, obtained its latest opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC.

## **Prodisposal 401(k) Plan**

### **Notes to Financial Statements July 11, 2024 (In Liquidation)**

Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 6 - Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### **Note 7 - Certified investments**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at July 11, 2024 and December 31, 2023, and investment income and interest income on notes receivable from participants for the period January 1, 2024 through July 11, 2024, that are disclosed in the accompanying financial statements were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Millenium Trust Company, LLC, the trustee of the Plan.

#### **Note 8 - Nonexempt transactions**

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a), certain participant contributions were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company for the period January 1, 2024 through July 11, 2024.
