## Independent Auditor's Report

To the Plan Administrator  
First Farmers and Merchants Bank  
Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the financial statements of First Farmers and Merchants Bank Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator  
First Farmers and Merchants Bank  
Profit Sharing Plan

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### ***Auditor's Responsibilities for the Audits of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

**Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 and the supplemental schedule of reportable transactions for the year ended December 31, 2024 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**FIRST FARMERS AND MERCHANTS BANK  
PROFIT SHARING PLAN  
Notes to Financial Statements  
December 31, 2024 and 2023**

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of the First Farmers and Merchants Bank Profit Sharing Plan (the “Plan”) provides general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan’s provisions, which are available from the Plan administrator.

**General**

The Plan is a nonparticipant-directed defined contribution plan sponsored by First Farmers and Merchants Bank (the “Bank”) for the benefit of its employees who have worked at least 1,000 hours during a 12 consecutive month period of service and are age 20 or older. Employees may enter the Plan on January 1 or July 1, immediately after meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Bank is the trustee of the Plan and serves as Plan custodian. The Plan is administered by the Employee Benefit Plans Committee.

**Contributions**

Employer contributions are allocated to participant accounts based on eligible compensation of all participants entitled to share in such allocation. An employee must be employed for 12 months, be employed on the last day of the year and have worked at least 1,000 hours of service to receive the employer contribution unless the participant terminates employment for retirement, disability or death. Bank contributions are discretionary as determined annually by the Bank’s board of directors and are subject to certain limitations. The discretionary employer contributions were 5% of eligible compensation for both the years ended December 31, 2024 and 2023.

The Plan provisions include employee rollover contributions from other qualified plans. Other than rollover contributions, employees are not allowed to make contributions to the Plan.

**Participant Investment Account Options**

The Plan is nonparticipant-directed, meaning the employer contributions to the Plan are invested at the discretion of the Bank.

**Participant Accounts**

Each participant’s account is credited with an allocation of the Bank’s contribution and Plan earnings (losses). Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**NOTE 1 – DESCRIPTION OF THE PLAN, CONTINUED**

**Vesting**

Vesting in the Bank’s contribution portion of participants’ accounts plus earnings (losses) thereon is based on years of service. A participant becomes 25% vested after the completion of two years of credited service, 40% after three years and an additional 20% per year for each year thereafter and fully vested after six years of service.

A year of credited service is any Plan year in which a participant completes at least 1,000 hours. Participant accounts also become fully vested in the event of termination of the Plan, termination of employment due to death or disability or when an employee reaches eligible retirement age of 65 or age 55 with six years of service. The nonvested balance is forfeited upon payment of the vested balance or a five-year break in service. Forfeitures are allocated among active participants based upon compensation.

**Payments of Benefits**

Upon termination of service, a participant may elect a lump-sum amount equal to the vested benefit of their account. The benefits are payable in either a lump-sum of all cash or cash and the participant’s proportionate share of First Farmers and Merchants Corporation (the “Company”) stock. For the years ended December 31, 2024 and 2023, the Plan made no distributions in the form of Company stock.

The Plan also offers in-service distributions. Hardship distributions are not permitted but a participant may elect to withdraw all or any part of their vested benefit of their account while still employed after they have attained age 59.5.

Included in net assets available for benefits are amounts allocated to individuals who have elected to withdraw all or a portion of their vested benefits from the Plan but who have not been paid. At December 31, 2024 and 2023, Plan assets allocated to these participants were \$1,454,070 and \$667,890, respectively.

**Forfeited Accounts**

At December 31, 2024 and 2023, there were no forfeited nonvested accounts that had not been re-allocated to participant accounts. Forfeitures allocated were \$50,712 and \$45,838 at December 31, 2024 and 2023, respectively.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“GAAP”).

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Valuation of Investments and Income Recognition**

Quoted market prices, if available, are used to value investments. Common stocks are valued at the closing price reported on the active market on which the individual securities are traded. The Company’s common stock is listed, traded, and valued at the closing price reported on the OTC Pink Open Market. The money market fund are holdings of U.S. treasury securities and are valued using quoted market prices obtained from active market makers. Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the individual securities are traded.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefit payments to participants are recorded upon distribution.

**Administrative Expenses**

Administrative expenses may be paid by the Bank or the Plan, at the Bank’s discretion.

**NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN**

First Farmers and Merchants Bank holds the Plan’s investments and executes all related transactions. The investments and related income and losses included in the accompanying financial statements, supplemental schedule of assets held at the end of year, and supplemental schedule of reportable transactions are based solely on information certified by the First Farmers and Merchants Bank.

**NOTE 4 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

All amounts contributed to the Plan are held by the custodian, the Bank. Professional fees for the administration and audit of the Plan, investment of assets and custodian services are paid by the Bank.

The Plan held 28,000 shares of the Company's common stock as an investment with a fair market value of \$987,000 and \$728,000 at December 31, 2024 and 2023, respectively. See Note 5 for details about the valuation method for the Company's common stock.

**NOTE 5 – DISCLOSURES ABOUT FAIR VALUE OF PLAN ASSETS AND LIABILITIES**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- |         |   |
|---------|---|
| Level 1 | Quoted prices in active markets for identical assets.   |
| Level 2 | Observable inputs other than Level 1 prices, such as quoted prices for similar assets, quoted prices in markets that are not active or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets. |
| Level 3 | Unobservable inputs supported by little or no market activity and are significant to the fair value of the asset.   |

**NOTE 5 – DISCLOSURES ABOUT FAIR VALUE OF PLAN ASSETS AND LIABILITIES,  
CONTINUED**

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the end of the reporting period. The fair value of the Company's common stock at December 31, 2024 and 2023 was determined based on the OTC Pink Market price of \$35.25 and \$26.00 per share, respectively.

The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis. There were no purchases or sales of level 3 investments during the years ended December 31, 2024 and 2023.

**NOTE 6 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**NOTE 7 – PLAN TAX STATUS**

The Plan operates under a pre-approved profit sharing/money purchase/CODA plan document sponsored by the Bank. The pre-approved plan has received a favorable opinion letter from the Internal Revenue Service ("IRS") indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

**NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 9 – SUBSEQUENT EVENTS**

Subsequent events have been evaluated through July 2, 2025, which is the date the financial statements were available to be issued.
