Independent Auditor's Report

To the Administrative Committee of
OCE 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of OCE 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of OCE 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from Bank of Oklahoma Financial as of December 31, 2021 and for the period ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with the modified cash basis of accounting. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OCE 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OCE 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provision, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of OCE 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about OCE 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosures under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Plan Administrator
OCE 401(K) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of OCE 401(K) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Bank of Oklahoma Financial, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

OCE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the OCE 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering qualified employees of Oil Capital Electric, LLC and OCE Mechanical, LLC (collectively known as the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") as amended. The Plan is administered by the Company and Bank of Oklahoma, N.A serves as the trustee. Earnings and losses on investments are allocated to the participants' accounts.

Effective Date

The Plan's original effective date was April 1, 2003. The Plan has since been restated effective May 1, 2016.

Eligibility

The Plan is a defined contribution plan. All employees of Oil Capital Electric, LLC and OCE mechanical, LLC are eligible to participate in the Plan if they have completed at least 90 days of service.

Contributions

Each year, participants may make salary deferral contributions up to 100% of their annual compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Code (IRC) limitations. The Plan allows Roth deferral contributions. The Plan provides for a Company discretionary matching of 50% up to a maximum of 4% of the employees' covered compensation. Employees are automatically enrolled at 4% unless they elect not to participate in the plan. The Company may also contribute 2% of the employee's compensation to the Plan as a non-discretionary contribution and a profit-sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's deferrals and allocations of the Company's matching contribution and Plan earnings and is debited with Plan expenses. Allocations are based on eligible participant compensation or participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Plan participants may direct their entire account balances in partial increments to any of the various investment options offered by the Plan. Participants may change their investment options on a daily basis. Participants should review each investment option's prospectus for a description of the investment objectives.

Investment Options

Upon enrollment in the Plan, a participant may direct deferrals and employer contributions to any of the funds offered by the Plan. Participants may change their investment options daily.

Vesting

Participants are immediately fully vested in their contributions, earnings and allocations thereon made to their account.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures

Due to the immediate vesting option elected by the Plan, forfeitures are uncommon. These funds may be used to reduce future employer contributions or administrative expenses. At various times throughout 2021, six deposits were recorded from individual participants resulting from outstanding checks that were voided. The total dollar amount was \$1,706. At various times throughout 2020, four deposits were recorded from individual participants resulting from outstanding checks that were voided. The total dollar amount was \$14,189. The entire balance was utilized to offset plan expenditures during the year ended December 31, 2021.

Withdrawn Participants

Included in the net assets available for benefits are amounts allocated to individuals who have elected to withdraw from the Plan, but who have not been paid. As noted in the forfeiture footnote above, six deposits were from individuals who have elected to withdraw from the Plan, there was a balance of \$1,706 as of December 31, 2021. As noted in the forfeiture footnote above, the four deposits were from individuals who have elected to withdraw from the Plan, there was a balance of \$14,189 as of December 31, 2020.

Participant Loans

Participant loans are not permitted by the Plan.

Payment of Benefits

On termination of service, a participant may receive a lump-sum distribution equal to the value of the participant's vested interest in their account. Participant's with balances greater than \$5,000 may leave their vested interest in the Plan until required minimum distribution age is met.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles, and is an acceptable method of reporting under Department of Labor regulations. The modified cash basis of accounting utilizes the cash basis of accounting while carrying investments at fair value and recording investment income (loss) on the accrual basis. Consequently, contributions are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. The financial statements were prepared on the modified cash basis of accounting in the prior year.

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income and Loss Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's realized gains and losses on investments bought and sold during the year as well as unrealized gains and losses on those held at the end of the year.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year's presentation. The reclassifications had no effect on the previous reported change in net assets available for benefits.

Payment of Benefits

On termination of service, a participant may receive a lump-sum amount equal to the vested value of their account, or upon death, disability or retirement, elect to receive annual installments over a certain period as defined in the Plan document. Benefits are recorded when paid.

Plan Administrative Expenses

Certain administrative expenses are paid by the Plan sponsor and accordingly are not reflected in the accompanying financial statements of the Plan. Certain transaction processing fees are charged to the participants and therefore, are reflected in the accompanying statement of changes in net assets available for benefits as administrative expenses.

Subsequent Events

The Company has evaluated subsequent events October 11, 2022, which is the date the financial statements were available for issuance, and noted no events which require adjustments to, or disclosure, in the 2021 financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Adoption of New Accounting Pronouncements

During the year ended December 31, 2020 the Plan adopted the Financial Accounting Standards Board ("FASB") ASU 2018-13 Fair Value Measurement (Topic 820): Disclosure Framework-Changes to the Disclosure requirements for Fair Value Measurement. Under the amendments in this ASU, new disclosure requirement were added regarding fair value hierarchy Level 3 changes in unrealized gains or losses and regarding the fair value hierarchy Level 3 range and weighted average used to develop significant unobservable inputs. Disclosure requirements were modified regarding Level 3 fair value measurements and net asset value disclosure of estimates of timing of future liquidity events. Disclosure requirements were eliminated regarding transfers between Level 1 and Level 2 of the fair value hierarchy and regarding policies related to valuation processes and the timing of transfers between levels of the fair value hierarchy.

In July 2019, the Auditing Standards Board issued Statement on Auditing Standards No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*, that required changes to all auditor's reports. SAS No. 136 is effective for audits of financial statements for periods ending on or after December 15, 2021, as deferred by SAS No. 141, *Amendment to the Effective Dates of SAS Nos. 134-140*, with early implementation permitted. The Plan has adopted the provision as of January 1, 2021, with no effect to previously reported net assets available for benefits.

NOTE 3 – COVID 19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including on the U.S. on March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. have declared states of emergency. It is anticipated that these impacts will continue for some time. Future potential impacts to the Plan include fluctuations in asset valuations. The future effects of these issues are unknown.

Effective April 5, 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, effective April 21, 2020, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

NOTE 4 - INVESTMENTS - INFORMATION CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As of December 31, 2021, and for the year ended December 31, 2021, Bank of Oklahoma Financial. held the Plan's investment assets and executed investment transactions.

NOTE 4 - INVESTMENTS - INFORMATION CERTIFIED BY CUSTODIAN (CONTINUED)

Accordingly, as permitted under such election, the following information as of December 31, 2021, and for the year ended December 31, 2021, was certified as complete and accurate by Bank of Oklahoma Financial, the trustee, and was not subjected to any auditing procedures performed by the independent public accountants:

- a) Total investments shown in the accompanying statements of net assets available for benefits – modified cash basis of \$18,073,954 as of December 31, 2021.
- b) Net appreciation in fair value of investments of \$1,237,635 as shown in the accompanying statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2021.
- c) All investment-related information in the accompanying supplemental schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2021.

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures ("ASC 820") establishes a framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in an active market that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - o Quoted prices for similar assets or liabilities in active markets;
 - o Quoted prices for similar assets or liabilities in inactive markets;
 - o Inputs other than quoted prices that are observable for the asset or liability;
 - o Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - Inputs to the valuation methodology are both unobservable and significant to the overall fair value measurement.

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used must maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

(Continued)

OCE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

Common Collective Trusts - Valued at fair value based on the NAV of the observable market prices of the underlying assets within that account less liabilities.

Mutual Funds - Valued at fair value based on the quoted net asset value (NAV) of shares held by the Plan at year end.

Fixed Income – Fixed income are bonds held in registered investment companies which are valued at the quoted NAV held by the plan at year end.

Money Market Mutual Funds - Valued at the quoted NAV of shares held by the Plan at year end.

The methods previously described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Bank of Oklahoma, N.A., which is the asset custodian as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Bank of Oklahoma, N.A. was paid \$54,618 and \$46,365 for investment management services for the years ended December 31, 2021 and 2020, respectively. The fees were paid by the Plan Sponsor.

NOTE 8 - INCOME TAX STATUS

The Volume Submitter Plan obtained its opinion letter on January 31, 2006, in which the Internal Revenue Service stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Volume Submitter Plan's opinion letter has been relied upon by the Plan. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and the Plan will take all reasonable actions to maintain the Plan's qualified status.

The modified cash basis of accounting require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions and could be subject to income tax if certain issues were found by the Internal Revenue Service that could result in the disqualification of the Plan's tax-exempt status; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

NOTE 10 - TRANSACTIONS WITH PARTIES IN INTEREST

Oil Capital Electric, LLC provides to the Plan certain accounting and administrative services for which no fees are charged. The Plan Sponsor representative is currently a participant in the OCE 401(k) Plan.

NOTE 11 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
