(the Plan Sponsor). The Plan’s financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023; the related statement of changes in net assets available for benefits for the year ended December 31, 2024; and the related notes to the financial statements.

We elected to have the audit of the plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agree to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, that as of the date of this letter:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated February 3, 2025, for the preparation and fair presentation of the financial statements referred to above in accordance (U.S. GAAP).
2. We acknowledge our responsibility for administering the plan and determining the plan’s transaction that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

4. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
5. The methods, data and significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represented our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement. In addition, our disclosures related to fair value measurements are consistent with the objectives outlines in FASB ASC 820.
7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties in interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.
10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
11. We have no intention to terminate the plan.
12. We have properly reported and disclosed amendments to the Plan instrument, if any.
13. We have no knowledge of any uncorrected misstatements in the financial statements.
14. We have requested an unsecured electronic copy of the auditor's report and financial statements and agree that the auditor's report and financial statements will not be modified in any manner.
15. The plan is in compliance with operational provisions and there are no operational defects as of December 31, 2024 that need to be rectified in 2025.

Supplementary Information

16. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:
 - a. We believe such schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
 - b. The methods of measurement or presentation have not changed from those used in the prior period.

- c. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.
- d. We will only present the ERISA-required supplemental schedules together with the audited financial statements and auditor's report thereon and will not separate the ERISA-required supplemental schedules from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

17. We have provided you with:
- a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - d. The currently effective version of the Plan document, including the prototype plan document and adoption agreement, the trust agreement or insurance contracts, and all related amendments. The Plan was most recently amended and effective as of March 1, 2023.
 - e. A draft of the Form 5500 that is substantially complete.
 - f. All correspondence, filings, reports and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status.
 - g. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan; and
 - h. There were no minutes of the meetings of the Plan or summaries of actions of recent meetings for which minutes have not yet been prepared.
18. All transactions have been recorded in the accounting records and are reflected in the financial statements.

The Plan Sponsor's management designated an individual with sufficient skills, knowledge and experience to oversee the financial statement preparation process and take responsibility for the results of the financial statement preparation services. This individual performed a detailed review of the financial statements, consisting of the following procedures:

- Reconciliation of the trust activity and participant statements to the financial statements.
- Review and approval of all journal entries proposed by you, including the review of supporting documentation and explanations.
- Review of the adequacy of financial statement disclosures.

- Review and approval of schedules and calculations supporting the amounts included in the notes to the financial statements.
- Applying analytical procedures to financial statements.

19. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan involving:

- a. Management.
- b. Employees who have significant roles in internal control.
- c. Others where the fraud could have a material effect on the financial statements.

20. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.

21. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.

22. We have provided you all documentation, including correspondence, with lawyers utilized by us for any Plan matters. There are no matters that our lawyer has advised us should be considered when preparing financial statements.

23. We have disclosed to you the identity of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.

24. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize and report financial data.

25. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.

26. The Plan has satisfactory title to all owned assets that are recorded at fair value, and all lines, encumbrances or security interests have been properly disclosed.

27. Financial instruments with off-balance-sheet risk, if any, have been properly disclosed.

28. The concentrations of credit risk have been properly disclosed.

29. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.

30. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in the operation of the Plan.

31. We have complied with (a) all aspects of debt and other contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.

32. We have complied with the DOL's regulations concerning the timely remittance of participant's contributions to trusts containing assets for the Plan.
33. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations.
34. The IRS has determined and informed the Plan Sponsor, by a letter dated June 30, 2020, that the Plan is qualified, and the trust established under the Plan is tax-exempt under the appropriate sections of the IRC. The Plan has been amended since receiving the determination letter. We have operated the Plan and trust in a manner that did not jeopardize this tax status. There are no uncertain tax positions.
35. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Fidelity Workplace Services, LLC dated December 9, 2024, for the period November 1, 2023, to October 31, 2024, and we believe all applicable controls are properly designed and implemented and operating effectively.
36. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Fidelity Technology Group's Data Center and Related Infrastructure System dated December 9, 2024, for the period November 1, 2023, to October 31 2024, and we believe all applicable controls are properly designed and implemented and operating effectively.
37. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for ADP Wage Payments Services System dated November 22, 2024, for the period January 1, 2024, to September 30, 2024, and we believe all applicable controls are properly designed and implemented and operating effectively.
38. There are no:
 - a. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedules.
 - b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedules.
 - c. Reportable transactions that were not disclosed in the supplemental schedules.
 - d. Guarantees, whether written or oral, under which the plan is contingently liable to a bank or another lending institution.
39. During the course of your audits, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.
40. We have provided the participant-level fee disclosures to plan participants as required under ERISA Section 404a-5 as indicated in 29 C.F.R. 2550.404a-5.
41. We have obtained the fee disclosures required from covered service providers under ERISA Section 408(b)(2) and assessed the reasonableness of fees as indicated in 29 C.F.R. 2550.408b-2.

42. As of December 31, 2024 and 2023, employer contributions receivable amounted to \$399,434 and \$456,849, respectively. There were no participant contributions receivable as of December 31, 2024 and 2023.

Forrester Research, Inc. 401(k) Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Forrester Research, Inc. 401(k) Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter- Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Forrester Research, Inc. 401(k) Plan & Trust

Notes to Financial Statements

As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

1. DESCRIPTION OF THE PLAN

The following brief description of the Forrester Research, Inc. 401(k) Plan & Trust (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document and Summary Plan Description for additional information.

General

The Plan is a defined contribution plan covering all employees of Forrester Research, Inc. (the “Company”). All employees of the Company above the minimum age of 21 years are eligible to participate in the Plan, with the exception of certain employees as identified in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participant Contributions

Each year, participants may contribute up to 80 percent of pre-tax and post-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in the T. Rowe Price Retirement Fund correlating to the participant’s retirement date, based on their date of birth and a retirement age of approximately 65, until changed by the participant.

Employer Contributions

The Company provides a matching contribution in an amount equal to 50% of a participant’s deferred contributions subject to a maximum of 50% of the first 6% of employee compensation, as defined.

The Company may make a discretionary matching contribution in a percentage determined by the Company each Plan year based on a percentage of the employees’ contributions of the current year.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon.

See independent auditor’s report.

Forrester Research, Inc. 401(k) Plan & Trust

Employer contributions become vested as follows:

<u>Years of Vesting Service</u>	<u>Percent Vested</u>
Less than 1 year	0%
1 but less than 2	25%
2 but less than 3	50%
3 but less than 4	75%
4 or more	100%

In the event of death, permanent disability or retirement, a participant's employer contribution account becomes fully vested.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching and discretionary contributions and allocations of Plan earnings. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Benefits are paid at retirement, death or termination of employment. Further, while still employed by the Company, participants may withdraw the employee contribution portion of the account under certain hardship circumstances, as defined by the Plan. A participant may also withdraw all or a portion of his or her vested accounts after reaching the age of 59½. Upon termination of service, participants with vested account balances of \$1,000 or less will receive a lump-sum distribution. Participants with vested account balances greater than \$1,000 have various payment options such as a lump-sum distribution or installment distributions, as described in the Plan document.

Notes Receivable from Participants

A participant may borrow the lesser of 50% of his or her vested account balance or \$50,000 reduced by the highest outstanding loan balance in his or her account during the prior 12-month period, with a minimum loan amount of \$1,000. Loans are repayable through payroll deductions over a period not to exceed 60 months, except for the purchase of a primary residence which may be repaid over a period of up to ten years. The interest rate is determined by the Plan administrator based on prevailing market conditions.

See independent auditor's report.

Forrester Research, Inc. 401(k) Plan & Trust

Forfeitures

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$552,476 and \$441,862 respectively. These accounts will be used to pay administrative expenses or reduce future employer contributions. During the year ended December 31, 2024, \$441,925 was used to reduce employer contributions from forfeited non-vested accounts.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan by action of its board of directors, subject to the provisions of ERISA. In the event of a partial or complete termination of the Plan, the right of each affected participant to the amounts credited to the participant's account will be nonforfeitable and the value of the participant's accounts will be paid in accordance with the provisions of the Plan.

Revenue Credit Program

The Plan provides for a revenue credit payable to the Plan by Fidelity Management Trust Company (the "Trustee") in situations where recordkeeping revenue received by the Trustee in connection with Plan services exceeds agreed-upon compensation. The Plan may direct the Trustee to use such amounts to reimburse the Company for administrative expenses associated with the Plan or to pay third-party vendors directly. Provided that the balance of the available revenue credit account exceeds \$1 per participant on average, the Plan may direct the Trustee, no more frequently than once per calendar quarter, to allocate the balances to eligible participant and beneficiary accounts; provided, however, that with respect to the last quarter of the plan year, the full remaining balance in the revenue credit account (after the payment of plan expenses and reimbursement of the Company for the payment of plan expenses) may be allocated to eligible participant and beneficiary accounts, effective as of the last day of the plan year, without regard to any minimum required balance. The amount received for this credit was \$253,992 for the year ended December 31, 2024, of which no amounts were allocated to participants. Total administrative fees paid from the revenue credit account amounted to approximately \$48,000 for the year ended December 31, 2024. As of December 31, 2024 and 2023, the revenue credit account balance was \$331,550 and \$115,724 respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting.

See independent auditor's report.

Forrester Research, Inc. 401(k) Plan & Trust

Use of Estimates

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. The Plan's 401(k) Advisory Panel determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and third party administrators. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan payments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. CERTIFIED INVESTMENT INFORMATION

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (“Fidelity”), qualified institution.

Fidelity also certified the information included in the Schedule of Assets (Held at End of Year).

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Valuation is based on quoted prices in active markets for identical assets or liabilities. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 – Valuation is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using unobservable inputs to pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

In certain cases, inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment’s level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan’s assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

Valuation Methodologies

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust: Reported at fair value using net asset value (“NAV”) as a practical expedient. The stable value fund calculates NAV per share in a manner consistent with the measurement principles in FASB Accounting Standards Codification Topic 946 *Financial Services-Investment Companies*. Those measurement principles indicate that, in the determination of a stable value fund’s NAV, the relevant measurement is net assets which include the fully benefit-responsive investment contracts held by the fund at contract value. This NAV represents the Plan’s fair value since this is the NAV at which the Plan transacts with the fund. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at Fair Value on a Recurring Basis

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	December 31, 2024			Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$ 349,834,032	\$ -	\$ -	\$ 349,834,032
Collective investment trust, which is an investment measured at net asset value (a)				5,790,337
Total investments at fair value				\$ 355,624,369
	December 31, 2023			
	Level 1	Level 2	Level 3	Fair Value
Mutual funds	\$ 312,286,773	\$ -	\$ -	\$ 312,286,773
Collective investment trust, which is an investment measured at net asset value (a)				6,630,095
Total investments at fair value				\$ 318,916,868

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on the NAV per share as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Collective investment trust	\$ 5,790,337	n/a	Daily	30 days (b)
<u>December 31, 2023</u>				
Collective investment trust	\$ 6,630,095	n/a	Daily	30 days (b)

- (b) Withdrawals for benefit payments and participant transfers to noncompeting investment options shall be made within 30 days after written notification. Withdrawals other than the above require 12 months written notice.

5. TAX STATUS

The Plan adopted the Fidelity non standardized prototype plan which received an opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (“IRC”). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor (“DOL”). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to examinations for years prior to December 31, 2021.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of funds managed by Fidelity Investments. Fidelity Investments and Fidelity Workplace Services LLC, recordkeeper, are related parties to the Trustee, Fidelity Management Trust Company. Therefore, these transactions and fees paid to the recordkeeper for administration of notes receivable from participants, which amounted to approximately \$180,000 for the year ended December 31, 2024, qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. Fees paid for investment management services are included as a reduction of the return earned by each mutual fund.

Certain fees incurred by the Plan are paid through a revenue credit program (see Note 1) and amounted to approximately \$48,000 for the year ended December 31, 2024. Income received from the revenue credit program is reported as revenue credit on the Statement of Changes in Net Assets Available for Benefits.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

8. SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 25, 2025, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.
