Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **R.A. MERCER & CO PC**

(2) EIN: **16-1207156**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Seneca Holdings, LLC 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Seneca Holdings, LLC 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net position available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net position available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Seneca Holdings, LLC 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Seneca Holdings, LLC 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are

free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Seneca Holdings, LLC 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Seneca Holdings, LLC 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Seneca Holdings, LLC 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to

prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters

Accounting principles generally accepted in the United States of America require that the accompanying Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplemental information in accordance with auditing standards generally accepted in the United States of America, which consists of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

DECEMBER 31, 2024 AND 2023

AND FOR THE YEAR DECEMBER 31, 2024

SENECA HOLDINGS 401(k) RETIREMENT SAVING PLAN

MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the Seneca Holdings 401(k) Retirement Savings Plan's annual financial report presents our discussion and analysis of the Plan's financial performance during the year ended December 31, 2024. Please read it in conjunction with the Plan's financial statements which follow this section.

FINANCIAL HIGHLIGHTS

- The total net position available for benefits increased by \$12,528,574 for the year ended December 31, 2024, from \$28,466,573 to \$40,995,147.
- Total additions to the Plan were \$16,375,597 while total decreases to the Plan were \$3,847,023.

OVERVIEW OF THE FINANCIAL STATEMENTS

These financial statements consist of three parts: management's discussion and analysis (this section), the financial statements, and supplemental information.

The statement of net position available for benefits includes all of the Plan's assets and liabilities. All of the Plan's current year revenue and expenses are accounted for in the statement of changes in net position available for benefits. These statements report the Plan's net position and how it has changed.

The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data. The statements are followed by a section of supplemental information which is a schedule of assets held at year end.

FINANCIAL ANALYSIS OF THE PLAN AS A WHOLE

The Plan's net position at December 31, 2024 increased by \$12,528,574 from December 31, 2023. The following is a summary of the Plan's net position.

SENECA HOLDINGS, LLC 401(k) RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2024 AND 2023
AND FOR THE YEAR ENDED DECEMBER 31, 2024**

Note A- DESCRIPTION OF PLAN

The following description of the Seneca Holdings, LLC 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Seneca Holdings, LLC, a wholly owned component unit of the Seneca Nation of Indians which is a governmental entity. Employees must be age twenty-one or older to participate in the Plan. Beginning October 1, 2015, employees are eligible to participate in the Plan on the first day of the month following 30 days from the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Cash and Cash Equivalents

Cash balances of the Plan, if any, are non-interest bearing.

Notes Receivable from Participants

Participants may take loans from their account balances which are recorded on the Plan's books and records as "Notes Receivable from Participants." These notes can be for amounts between \$2,000 and \$50,000, and may not exceed one-half of the participant's vested account balance, and bear a rate of interest of 2% above the prime rate. Participant loans at December 31, 2024 bear interest rates ranging from 5.25% to 10.50% and mature at various dates through 2029. The notes must be paid back within five years unless the proceeds were used by the participant to purchase a home, in which case the note must be paid back within ten years. Loan repayments are generally made through payroll withholding. Participants may have only one outstanding loan at any time. The loans are secured by the participants' vested account balances.

Contributions

Each year, participants may contribute a portion of pretax annual compensation (subject to annual contribution limits) as defined in the Plan. Participants who attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). For the year ended December 31, 2024, Seneca Holdings, LLC matched participants' elective deferrals up to 100% of the first 4 percent of salary deferral elected by

each eligible employee. Participants direct the investment of their contributions into various investment options offered by the Plan. In the current year, the Plan offered 43 pooled separate accounts as investment options for participants. Contributions are subject to some limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) Seneca Holdings, LLC's contribution, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Vesting

Participants are immediately vested in both their voluntary contributions plus actual earnings thereon as well as employer contributions plus actual earnings thereon.

Payments of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a life annuity subject to the joint and survivor rules of Internal Revenue Code sections 401(a) (11) and 417. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Note B-

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting, which is in accordance with U.S. generally accepted accounting principles.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments consist of pooled separate accounts.

Purchases and sales of securities are recorded on a trade-date basis. Though each of the Plan's sub-accounts holds shares of a single underlying mutual fund,

and these underlying mutual funds make distributions from time to time, the Plan's sub-accounts never make any distributions to unit holders. Any distributions received from an underlying fund are reinvested into additional shares of the underlying fund. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. There were no material amounts at December 31, 2024 allocated to participants who had elected to withdraw from the Plan but who had not yet been paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by Seneca Holdings, LLC and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Other certain administrative expense, such as professional fees, contract administrator fees, and investment advisory and management fees are shown as a separate line on the Statement of Changes in Net Position Available for Benefits. These amounts are paid for by a deduction from the Participants' accounts through the investment returns on a pro-rata basis.

Note C- FAIR VALUE MEASUREMENTS / INVESTMENT VALUATION

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2024. During the year ended December 31, 2024, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$4,470,268.

Pooled separate accounts: valued at the daily closing price as reported by the fund. Pooled separate accounts held by the Plan are open-end funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price, which is considered by Plan management to be the best approximation of the funds' readily determinable market value, or fair value. The unit value of the fund is calculated daily and available to Plan administrators and client investors on John Hancock's website. Because these investments are valued at net asset value using a practical expedient, they are not categorized in the fair value hierarchy, consistent with the requirements of ASU 2015-7.

The total value of the Plan's pooled separate accounts at December 31, 2024 and 2023 was \$40,648,276 and \$28,346,884 respectively. The Plan administrator has obtained certification from the custodian that such information is complete and accurate.

Note D- RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan contracts with various service providers to manage its investments, provide recordkeeping and administration services, and provide investment advice. All Plan investments are managed by John Hancock. In addition, John Hancock is also the recordkeeper for the Plan. Actuarial Consulting Services, Inc. ("ACSI") is the Plan's third-party administrator. The Plan uses HUB International, Inc. for financial advisory services. These services qualify as parties-in-interest, and fees paid to them from Plan assets are considered party-in-interest transactions. Transactions related to loans to participants also qualify as parties-in-interest transactions.

Fees charged to the Plan by these service providers amounted to \$133,715. The other expenses were absorbed by the Plan sponsor and are not included in these financial statements.

Note E- PLAN TERMINATION

Although it has not expressed any interest to do so, Seneca Holdings, LLC has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination,

unallocated assets of the Plan, if any, shall be allocated to participant accounts and distributed in such a manner as Seneca Holdings, LLC may determine.

Note F- TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC, and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions by the plan and recognize a liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note G- RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially offset participants' account balances and the amounts reported in the statement of net position available for benefits.

Foreign Currency Risk: Foreign currency risk is the risk that changes in exchange rates may occur that could adversely affect the fair value of the investment. The Plan allows participants the option of purchasing investments that invest outside of the United States which would increase the investment foreign currency risk.

Custodial Credit Risk: Custodial credit risk is the risk that, in the event of a bank failure, the Plan's deposits may not be returned to it. Deposits are exposed to custodial credit risk if they are not covered by depository insurance and the deposits are (a) uncollateralized, (b) collateralized with securities held by the pledging financial institution, or (c) collateralized with securities held by the pledging financial institution's trust department or agent but not in the Plan's name. All deposits of the Plan are held on behalf of the Plan by the Plan custodian in accordance with the formal deposit policy for custodial credit risk and are not exposed to custodial credit risk as defined by Governmental Accounting Standards Board Statement No. 40.

Concentration of Credit Risk: Concentration of credit risk is the risk of loss attributed to the magnitude of the Plan's investment in a single issuer. The Plan's investments are managed by several fund managers. The concentration of investments is determined by participants' elections to invest in the available investment options as selected by the Board. Since all investments are participant directed, all risks exist at the participant level. Each individual within the Plan has

the ability to liquidate his/her position on demand and has responsibility to manage his/her exposure to fair value loss.

Note H- SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date of this report which is the date on which the financial statements were available to be issued.
