## **INDEPENDENT AUDITOR'S REPORT**

To the Trustees of  
Puck Custom Enterprises, Inc. 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Puck Custom Enterprises, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Puck Custom Enterprises, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statement or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial statements section of our report. We are required to be independent of Puck Custom Enterprises, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statement.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Puck Custom Enterprises, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statement**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Puck Custom Enterprises, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Puck Custom Enterprises, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### *Supplemental Schedules Required by ERISA*

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), are presented for purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to the prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**PUCK CUSTOM ENTERPRISES, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENT**

**NOTE A - DESCRIPTION OF PLAN**

The following description of the Puck Custom Enterprises, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Puck Custom Enterprises, Inc. 401(k) Plan (the Plan) includes employees of Puck Custom Enterprises, Inc., Bulldog Hose Company, LLC, U.S. Couplings and Accessories, Inc., and Level B Grill, LLC (collectively, the Company) and are businesses under common control.

**General** - The Plan is a defined contribution plan covering all eligible employees of Puck Custom Enterprises, Inc., Bulldog Hose Company, LLC, U.S. Couplings and Accessories, Inc., and Level B Grill, LLC. Prior to June 30, 2023, employees, except nonresident aliens, are eligible to participate in the Plan upon reaching age twenty-one and the completion of one year of service at least 1,000 hours. After June 30, 2023, employees are eligible to participate upon the completion of two months of service and eligible for the employer match after one year of service of at least 1,000 hours. Newly eligible employees may enter the Plan on the first day of the quarter after they become eligible. Participants may change their deferral rate to the Plan at the beginning of any quarter unless they reduce their deferral to zero, which is allowed at any time during their employment. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). The Plan Administrator, The TPA Experts, is responsible for oversight of the Plan.

**Contributions** - Each year, participants may contribute a portion of their pre-tax and post-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company also makes safe harbor matching and may make discretionary matching contributions. The Company safe harbor match is 100% of participant contributions up to 4% of a participant's compensation. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant Accounts** - Each participant's account is credited with the participant's contributions, Company's safe harbor contributions, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** - Participants are vested immediately in their contributions and Company's safe harbor matching contributions plus actual earnings thereon.

**Payment of Benefits** - On termination of service due to death or disability, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If a participant is required to receive lifetime required minimum distributions, after termination of service, the participant may receive installments payable in monthly, quarterly, or annually equal to or exceeding the required minimum distribution amount. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Vested account balances under \$7,000 (\$5,000 prior to January 1, 2024) will be automatically distributed to the participant in cash. There are no unpaid distributions that have been requested as of December 31, 2024 and 2023.

**PUCK CUSTOM ENTERPRISES, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENT**

**NOTE B - SUMMARY OF ACCOUNTING POLICIES**

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Certified Investments - Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedules, including investments held at December 31, 2024 and 2023, net appreciation in fair value of investments, and dividends for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, the custodian of the Plan.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note C for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through July 1, 2025, the date the financial statements were available to be issued.

**NOTE C - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). All investments held by the Plan are valued using unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the Plan has ability to access (Level 1).

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**PUCK CUSTOM ENTERPRISES, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENT**

**NOTE C - FAIR VALUE MEASUREMENTS - Continued**

- Level 2: Inputs to the valuation methodology includes:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Mutual fund investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. There have been no changes in the methodologies used at December 31, 2024 and 2023.

The following table sets forth the Plan's investments measured at fair value as of December 31:

Mutual funds – Level 1	<u>2024</u>	<u>2023</u>
	\$ 5,726,143	\$ 4,719,636
Investments at fair value	<u>\$ 5,726,143</u>	<u>\$ 4,719,636</u>

**NOTE D - RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

Plan investments are managed by Capital Bank and Trust Company, the custodian of the Plan, and, therefore, these transactions qualify as party-in-interest transactions. The Plan also engages a third-party administrator, The TPA Experts, for recordkeeping services. Transactions with all these entities qualify as party-in-interest transactions. The Plan Sponsor pays the majority of the administrative, personnel, and overhead expenses incurred by the Plan. Expenses paid directly by the Plan are for administrative services related to withdrawals and were \$2,675 and \$875 at December 31, 2024 and 2023, respectively. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE E - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed as soon as practicable after the termination.

**PUCK CUSTOM ENTERPRISES, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENT**

**NOTE F - TAX STATUS**

The Plan operates under a non-standardized adoption agreement in connection with a prototype retirement plan document sponsored by The TPA Experts.

The Plan Sponsor received a favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the volume submitter plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified, and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audit for any tax periods in progress.

**NOTE G - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**NOTE H - PLAN AMENDMENTS**

The Plan has been operationally amended for the Setting Every Community Up for Retirement Enhancement Act (SECURE Act). The formal amendments will be completed by the end of the 2025 Plan year. The SECURE Act allows employees who work at least 500 hours in three consecutive years eligibility status to participate in the Plan; however, employer contributions for such employees are not required. In addition, effective January 1, 2021, the SECURE Act increases the required minimum distribution age to 72 and will allow qualified birth and adoption withdrawals.

On December 29, 2022, the SECURE Act 2.0 was enacted into law. As of July 1, 2025, no formal amendments have been adopted by the Plan. The Plan is required to formally amend the Plan document by December 31, 2026, but must operate within the provisions within the effective date of each new provision. Effective January 1, 2023, the SECURE Act 2.0 increased the required minimum distribution age to 73. Effective January 1, 2024, the SECURE Act 2.0 increased the mandatory distribution threshold from \$5,000 to \$7,000. For the 2025 plan year and forward, long-term part-time (LTPT) employees who have two consecutive years with greater than 500 hours and less than 1,000 hours in each year (2023 - 2024 plan years) and are at least age 18 are eligible to make deferral contributions to the Plan beginning January 1, 2025. Plans may exclude LTPT employees from eligibility for employer contributions.

Effective July 1, 2023, the Plan was amended to allow employees to elect to defer a portion of their compensation after two months of service.

**PUCK CUSTOM ENTERPRISES, INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENT**

**NOTE I - AMOUNTS OWED TO FORMER PARTICIPANTS**

At December 31, 2024 and 2023, \$5,959 and \$7,648, respectively, was due to participants who had withdrawn from the Plan.

**NOTE J - NONEXEMPT TRANSACTIONS**

Title I of ERISA requires all employee contributions to be submitted to the Plan as soon as administratively possible, but no later than the 15th business day of the month the compensation was withheld. Failure to remit employee contributions to the Plan on a timely basis is considered a nonexempt transaction with a party-in-interest.

As a result of administrative oversight, contributions withheld from employees on eleven separate payrolls during the year ended December 31, 2024 totaling \$17,080 were not remitted to the Plan in accordance with the Plan's remittance policy. Due to the untimely remittances, lost earnings are required to be contributed by the Plan. Management has determined that the amount of lost earnings related to the late remittances is immaterial and do not intend to correct the lost earnings.

Late remittances due to administrative oversight during 2024 and 2023 totaled \$17,080 and \$2,520, respectively. Management corrected the late remittances for 2023 in the 2023 Plan year and the late remittances for 2024 in the 2024 Plan year.
