INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Hendrick Manufacturing
Company 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hendrick Manufacturing Company 401(k) Profit Sharing Plan ("The Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of September 19, 2024 (Liquidation Basis - Date of Termination) and December 31, 2023 (Ongoing Basis), and the related statements of changes in net assets available for benefits for the period ended September 19, 2024 (Liquidation Basis - Date of Termination) and for the year ended December 31, 2023 (Ongoing Basis), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hendrick Manufacturing Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institutions or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Fidelity Management Trust Company, a qualified institution, as of and for the period ended September 19, 2024 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hendrick Manufacturing Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As disclosed in Note 1, the Plan Sponsor sold the operating assets of the Sponsor on May 6, 2024 and discontinued operations immediately. The governing body of Hendrick Manufacturing Company 401(k) Profit Sharing Plan approved a plan of liquidation on May 10, 2024 and management determined liquidation is imminent. Final distributions are determined based on all participants being 100% vested and final distributions were made as directed by individual Plan participants on or before September 19, 2024 in accordance with the Plan of liquidation adopted on May 10, 2024.

As a result, the Plan on May 10, 2024 has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and the plan termination resolution; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hendrick Manufacturing Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

HENDRICK MANUFACTURING COMPANY 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED SEPTEMBER 19, 2024 (LIQUIDATION BASIS - DATE OF TERMINATION) AND THE YEAR ENDED DECEMBER 31, 2023 (ONGOING BASIS)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of Hendrick Manufacturing Company 401(k) Profit Sharing Plan (the "Plan") provides only general information. Readers should refer to the Plan Agreement for a more complete description of the Plan's provisions.

Basis of Presentation

The Plan Sponsor sold the operating assets of the Sponsor on May 6, 2024 and discontinued operations immediately. The governing body of Hendrick Manufacturing Company 401(k) Profit Sharing Plan approved a plan of liquidation on May 10, 2024 and management determined liquidation is imminent. Final distributions are determined based on all participants being 100% vested and final distributions were made as directed by individual Plan participants on or before September 19, 2024 in accordance with the Plan of liquidation adopted on May 10, 2024.

As a result, the Plan, on May 10, 2024, has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements.

The policy of the Plan for the period prior to the date of termination was to prepare its financial statements on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (ongoing basis), except that investments are reported at current value and benefits to participants are recorded when paid.

Investments and Related Income

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 4).

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses for investments are reflected as a reduction of net appreciation (depreciation) in fair value of investments.

The investments and changes therein as of and for the period ended September 19, 2024 and the year ended December 31, 2023 have been certified as to completeness and accuracy by Fidelity Management Trust Company, the agent for the trustee (See Note 5).

Participant Notes Receivables

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document (See Note 3).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

2. PLAN DESCRIPTION

The following brief description of the Plan prior to termination is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

General

The Plan is a defined contribution plan available to qualifying employees of Hendrick Manufacturing Company, Inc. and Affiliates ("Company"). The Company comprises a group of companies related to each other through common ownership and control by the holders of common stock of Hendrick Manufacturing Company, Inc., and member units of Drake Industries, LLC. The Company is the Plan Administrator through the date of termination of the Plan on September 19, 2024. Full time employees with one year of service who have attained the age of 21 are eligible to participate in the Plan. The Plan is subject to the provisions of ERISA.

Contributions

Contributions to the Plan are computed as follows:

Prior to the Plan Sponsor's board of directors resolution on May 10, 2024 to terminate the Plan and discontinue voluntary matching and profit sharing contributions, the Company voluntarily contributed to the Plan 1.75% of the participant's annual eligible compensation and matched on a 50% basis the first 6% of annual compensation reduction paid by the participant into the Plan for the period ended September 19, 2024 and the year ended December 31, 2023.

Participants in the Plan may elect to have a portion of their annual compensation reduced and paid into the Plan in an amount between 1% and 75% of annual compensation not to exceed the limits established annually by the IRS. The participants may designate all or a part of such elective deferral contributions as a Roth deferral contribution.

Participant Accounts

The account of each participant is credited with (a) the Company's contribution, (b) the employee's contribution (c) Plan earnings, and (d) forfeitures of terminated nonvested participant accounts. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Allocations are based on participant earnings or account balances, as defined.

Investment Options

Upon enrollment in the Plan, a participant directs employee and employer contributions in increments determined by the participant into various investment options offered by the Plan.

Participants may direct their contributions into money market funds, mutual funds or bond funds.

Money Market Funds - Funds are invested in a money market fund.

Mutual Funds - Funds are primarily invested in one of several stock mutual funds.

Bond Funds - Funds are primarily invested in U.S. Government bond funds.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the local prevailing rate as determined by the Plan administrator (See Note 3).

Payment of Benefits

Participants who terminate employment will receive 100% of their contributions plus earnings thereon and the vested portion of the Company's contributions. Benefits are paid in a lump sum on the valuation date next following the one-year anniversary of the date of termination of employment, valued as of such valuation date.

On termination of service for retirement, death, or disability, a participant (or beneficiary) may receive a lump-sum amount equal to the value of the account as of the valuation date next following the retirement date.

Benefits are recorded when paid.

Participant Withdrawals

The Plan permits participants to withdraw up to 100% of their account balances arising from certain contributions derived from salary reductions in the event of financial emergency.

Vesting

Employer contributions are 25% vested after two years of service which is increased thereafter at the rate of 25% per year of continuous service. Participants are immediately vested with respect to contributions arising from salary reductions and actual earnings thereon.

In the event of death or total and permanent disability, participants become 100% vested in their account balances.

Commensurate with the board of directors resolution to terminate the Plan on May 10, 2024, all participants became 100% vested in their account balances.

Forfeitures

Forfeiture allocations are used to reduce employer contributions. Forfeitures in the amount of \$4,972 were used to offset employer's contributions for the period ended September 19, 2024 and \$27,511 for the year ended December 31, 2023.

Tax Status

The trust established under the Plan to hold the Plan assets is qualified pursuant to the appropriate sections of the Internal Revenue Code and, accordingly, the net investment income of the trust is exempt from income taxes.

The Plan has adopted the prototype for savings plans sponsored by Fidelity Management Trust Company which has been approved by the Internal Revenue Service. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the Plan Sponsor believes that the Plan continues to qualify and to operate as designed (See Note 8).

Administrative Expenses

Non-investment costs and administrative expenses of \$11,520 for the period ended September 19, 2024 and \$12,621 were incurred and paid by the Plan for the year ended December 31, 2023. Administrative expenses of the Plan are allocated to participant accounts.

These expenses, not reflected in the accompanying financial statements, constitute exempt party-in-interest transactions under ERISA. Loan establishment, loan maintenance and

short-term trading fees are paid by the Plan and all other investment expenses are offset against the related investment income.

3. PARTICIPANT NOTES RECEIVABLE

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account, repayable with terms ranging from two to ten years and bear interest at a rate commensurate with the local prevailing rates ranging from 4.25% to 9.50% per annum as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. The Plan had no notes receivable from participants at September 19, 2024 and \$262,462 at December 31, 2023.

4. FAIR VALUE MEASUREMENTS

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value by giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) measurements and the lowest priority to unobservable inputs (level 3) measurements. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The three levels of the hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

There have been no changes in methodologies used at September 19, 2024 and December 31, 2023. The description of the valuation methodologies used for assets measured at fair value follows:

Money market funds

Money market funds are valued at the quoted price of shares held by the Plan at year end.

Bond funds

Investments in bond funds are valued at the daily close price as reported by the fund. Bond funds held by the Plan are open-ended bond funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The bond funds held by the Plan are deemed to be actively traded.

Mutual funds

Investments in mutual funds are valued at the daily close price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's total investment assets at fair values as of September 19, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money Market Funds				
Bond Funds				
Mutual Funds				
Total investments	\$ <u>NIL</u>	\$ <u>NIL</u>	\$ <u>NIL</u>	\$ <u>NIL</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's total investment assets at fair values as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds:				
Money Market Funds	\$ 2,164,170			\$ 2,164,170
Bond Funds	1,064,739			1,064,739
Mutual Funds	<u>28,401,407</u>			<u>28,401,407</u>
Total investments	\$ <u>31,630,316</u>	\$ <u>NIL</u>	\$ <u>NIL</u>	\$ <u>31,630,316</u>

There were no transfers between levels of investments during the period ended September 19, 2024 and the year ended December 31, 2023.

5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Fidelity Management Trust Company, the agent for the trustee, has certified as to completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of September 19, 2024 and December 31, 2023 and the related investment activity reflected in the statement of changes in net assets available for benefits for the period ended September 19, 2024 and the year ended December 31, 2023.

The Plan's independent accountants did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements.

Investment activity is as follows:

	September 19 <u>2024</u>	December 31 <u>2023</u>
Interest and dividends	\$ 217,910	\$ 953,664
Realized gain on sale of assets	3,122,565	9,070
Net appreciation in fair value of investments	<u> </u>	<u>4,193,581</u>
Total investment income certified by agent	3,340,475	5,156,315
Interest on participant loans	<u>10,194</u>	<u>18,523</u>
Total investment income	<u>\$ 3,350,669</u>	<u>\$ 5,174,838</u>

6. TAX STATUS

The Trust established under the Plan to hold the assets of the Plan is qualified pursuant to the appropriate sections of the Internal Revenue Code and, accordingly, the net investment income of the trust is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the Plan Sponsor believes that the Plan continues to qualify and to operate as designed.

The benefits or obligations arising from uncertain tax positions, if any, are required to be recognized in the financial statements for positions considered more likely than not of being sustained based on the technical merits of the position upon audit by the taxing authorities. There are no uncertain tax positions reflected in the accompanying financial statements.

The Plan is subject to audit by taxing jurisdictions at their discretion; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to 2021.

The Plan anticipates timely filing a final Form 5500 Annual Return/Report of Employee Benefit Plan for the period ended September 19, 2024 prior to July 15, 2025.

7. TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain administrative fees related to the Trustee's administration of the Plan are paid by the Plan Sponsor on behalf of the Plan.

The Plan invests in registered investment companies sponsored by Fidelity Management Trust Company, agent for the Plan's Trustee, as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions. At September 19, 2024 there were no such invested funds.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 11, 2025, the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Hendrick Manufacturing
Company 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hendrick Manufacturing Company 401(k) Profit Sharing Plan ("The Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of September 19, 2024 (Liquidation Basis - Date of Termination) and December 31, 2023 (Ongoing Basis), and the related statements of changes in net assets available for benefits for the period ended September 19, 2024 (Liquidation Basis - Date of Termination) and for the year ended December 31, 2023 (Ongoing Basis), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hendrick Manufacturing Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institutions or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Fidelity Management Trust Company, a qualified institution, as of and for the period ended September 19, 2024 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hendrick Manufacturing Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As disclosed in Note 1, the Plan Sponsor sold the operating assets of the Sponsor on May 6, 2024 and discontinued operations immediately. The governing body of Hendrick Manufacturing Company 401(k) Profit Sharing Plan approved a plan of liquidation on May 10, 2024 and management determined liquidation is imminent. Final distributions are determined based on all participants being 100% vested and final distributions were made as directed by individual Plan participants on or before September 19, 2024 in accordance with the Plan of liquidation adopted on May 10, 2024.

As a result, the Plan on May 10, 2024 has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and the plan termination resolution; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hendrick Manufacturing Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.
