IBEW LOCAL 1245 INJURED WORKERS FUND

FINANCIAL STATEMENTS

SEPTEMBER 30, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
IBEW Local 1245 Injured Workers Fund

Members of the Board:

Opinion

We have audited the accompanying financial statements of IBEW Local 1245 Injured Workers Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of September 30, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of September 30, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

IBEW LOCAL 1245 INJURED WORKERS FUND
NOTES FINANCIAL STATEMENTS
SEPTEMBER 30, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the IBEW Local 1245 Injured Workers Fund (the "Plan") provides only general information. Participants should refer to the Plan document and amendments regarding specific provisions of the Plan.

A. General

The Plan was established as a multiemployer welfare benefit plan in 2007 to provide disability, death, and parental leave benefits to eligible participants covered by collective bargaining agreements between IBEW Local 1245 and individual employers signatory to the agreements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Contributions and Eligibility

Participants are eligible on the first day of the month following the month in which they first accumulate at least 125 credited hours of employment. After they have earned initial eligibility, a participant remains eligible for coverage for each month in which contributions have been made for at least 100 hours of work (performed in the prior month) or 450 hours of work (performed in the six months prior).

During the years ended September 30, 2024 and 2023, the Plan received employee contributions withheld by employers at \$0.05 cents for each hour worked.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are recorded on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Employee Contributions and Contributions Receivable

Employee contributions reported in the financial statements include amounts relating to hours worked through September 30. Employee contributions receivable is an estimate of employee contributions due for hours worked through September 30 of each year received by the Plan subsequent to September 30 of each year.

D. Grievance Settlements

Per a California Outside Line Construction agreement between Western Line Constructors Chapter of NECA and Local Unions No. 47 and 1245 AFL-CIO International Brotherhood of Electrical Workers (the "Union") effective June 1, 2022 through May 31, 2027, a Union Referral System was agreed upon, whereby the Union is the sole and exclusive source of referral of applicants for employment.

IBEW LOCAL 1245 INJURED WORKERS FUND
NOTES FINANCIAL STATEMENTS
SEPTEMBER 30, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Grievance Settlements (Continued)

Grievance settlements are recognized as revenue when received or when there is a signed settlement agreement. Grievances were filed and settled between the Union and several employers for lack of referral of line equipment employees during the year ended September 30, 2024, totaling approximately \$197,000.

E. Payment of Benefits

Claims are recorded when paid.

F. Current Benefit Obligations

Claims with an effective date prior to September 30, 2024 and 2023 are recorded as claims payable on the statements of benefit obligations.

As a result of the eligibility provisions of the Plan, hours worked by participants through September produces October eligibility for participants. The estimated liability for future benefits (accumulated eligibility credits) for claims incurred based on participant hours worked through September, which granted eligibility through October, is estimated based on the average monthly claims expense for the years ended September 30, 2024 and 2023.

NOTE 3 - INCOME TAX STATUS

The Plan has received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(9) and the state of California under Revenue and Taxation Code Section 23701i. Therefore, no provision for federal or state income tax is made.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although there has been no expressed intent to do so, the Plan may be terminated in accordance with the provisions of ERISA (as amended) and related regulations. The Board of Trustees may terminate the Trust Agreement and the Plan at any time. Upon the termination of the Plan, any monies remaining in the Plan after the payment of all obligations and expenses of the Plan shall be paid or used for continuance of one or more disability, death, or parental leave benefits in accordance with the provisions of the Plan, until such money is exhausted.

NOTE 5 - RELATED PARTY TRANSACTIONS

IBEW Local 1245 (the "Local") acts in the capacity of an administrative office on behalf of the Plan and provides general administrative services. The Local is a related party to the Plan as the trustees are members of the Local. The Local is not reimbursed for the administrative services performed.
