INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Southeast Michigan Community Alliance 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Southeast Michigan Community Alliance 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Southeast Michigan Community Alliance 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended September 30, 2024 and 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of Southeast Michigan Community Alliance 403(b) Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion of the financial statements.

Basis for Disclaimer of Opinion

Southeast Michigan Community Alliance 403(b) Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 10, the Plan has excluded from investments, in the accompanying statements of net assets available for benefits, certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits. If the identified contracts, as reported by the plan administrator, were included, net assets would increase by approximately \$661,895 and \$557,050 as of September 30, 2024 and 2023, respectfully. Further, net investment appreciation and distributions of approximately \$104,845 and \$52,735 related to such accounts, as identified by the plan administrator, have also been excluded from the accompanying statements of changes in net assets available for benefits for the years ended September 30, 2024 and 2023, respectfully. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southeast Michigan Community Alliance 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Southeast Michigan Community Alliance 403(b) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Southeast Michigan Community Alliance 403(b) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, as identified in the table of contents, as of September 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

NOTES TO FINANCIAL STATEMENTS**

NOTE 1 - SIGNIFICANT PROVISIONS OF THE PLAN

The following brief description of the Southeast Michigan Community Alliance 403(b) Plan (the Plan) is provided for general information purposes only. Participants should refer to the summary plan description and the plan document for complete information.

General

The Plan is a defined contribution savings plan pursuant to Section 403(b) of the Internal Revenue Code covering substantially all employees of Southeast Michigan Community Alliance (the Organization or the employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of annual pretax compensation as defined in the Plan, subject to certain limitations under the Internal Revenue Code. Participants who have obtained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing eligible rollover distributions from other qualified plans (rollovers). The employer matched participant's contributions, up to 6% of eligible compensation. Employer contributions for the years ended September 30, 2024 and 2023 were \$256,727 and \$210,657, respectively.

Participant Accounts

The Plan credits each participant's account with the participant's contributions, employer's contribution(s), and an allocation of plan earnings and expenses. Each participant directs his/her participant contribution and the employer's contribution(s) to one or more funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon attainment of normal retirement age (65) or other separation of employment, because of death, disability or for other reasons, a participant may elect to receive benefits as either a lump-sum payment or in the form of an annuity, generally as a qualified joint and survivor annuity. In-service withdrawals are allowed at age 59 ½.

On termination of employment, if the vested participant account balance does not exceed \$5,000, the entire account balance is distributed in the form of a lump-sum payment.

Hardship Withdrawals

Participants may elect to withdraw the balance of their accounts attributable to their salary reduction elections but none of the income earned, provided such withdrawal is to meet the immediate and significant financial needs of the participant.

Vesting

Participants are immediately vested in their contributions, rollover contributions, and employer contributions plus actual earnings thereon.

SOUTHEAST MICHIGAN COMMUNITY ALLIANCE 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SIGNIFICANT PROVISIONS OF THE PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their vested fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deduction in substantially equal payments on at least a quarterly basis over 5 years, unless used to purchase your primary residence (up to 15 years). Participants may have only one loan out at a time.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

Investments, other than fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

**SOUTHEAST MICHIGAN COMMUNITY ALLIANCE 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding the value of assets and liabilities. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Subsequent Events

The Plan has evaluated subsequent events through July 9, 2025, which is the date the financial statements were available to be issued.

NOTE 3 - INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan had entered into fully benefit-responsive investment contracts with Nationwide Life Insurance Company (Nationwide). The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by the insurance company. The contracts are included in the financial statements at contract value as reported to the Plan by Nationwide. The investment contracts issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. As of September 30, 2024, the Plan had no fully benefit-responsive investment contracts.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Interest is credited on contract balances using a single portfolio rate approach. Under this methodology, a single interest rate is applied to all contributions made to the product, regardless of the timing of those contributions. Interest crediting rates are reviewed on a semiannual basis for resetting but may not be less than 0.50 percent. When establishing interest crediting rates for this product, Nationwide considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account.

**SOUTHEAST MICHIGAN COMMUNITY ALLIANCE 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 3 - INVESTMENT CONTRACTS WITH INSURANCE COMPANIES (continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include: 1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or 4) the failure of the trust to qualify for exemptions from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 4 - RISK AND UNCERTAINTIES

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk.

The Plan's investments are in money market, collective trusts, pooled separate accounts and investment contracts. The underlying securities of those accounts and contracts represent a wide variety of companies and industries, and, in the opinion of plan management, any potential concentration of credit risk is minimal.

NOTE 5 - FAIR VALUE MEASUREMENTS

Accounting standards have established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**SOUTHEAST MICHIGAN COMMUNITY ALLIANCE 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 5 - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2024 and 2023.

Pooled Separate Accounts: Valued at the NAV of units of each pooled separate account. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There are no restrictions for a full redemption of each pooled separate account.

Money Market Funds: Valued at net asset value (NAV). The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchase and sales) may occur daily.

Collective Trusts: Value at the net asset value (NAV) of the units held by the Plan at year end. Substantially all the investments held by the Plan are collective trusts which do not have any restrictions on liquidation or future capital commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Pooled separate accounts are measured at net asset value, therefore no investments held by the Plan are subject to the leveling tables. The leveling tables are not applicable to the Southeast Michigan Community Alliance 403(b) Plan financial statements.

NOTES TO FINANCIAL STATEMENTS**

NOTE 5 - FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of September 30, 2024 and 2023, respectively.

Pooled separate accounts	\$ 3,024,820	N/A	Daily	None

NOTE 6 - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-01. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Organization reserves the right under the Plan to terminate the Plan in whole or in part, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account balances.

**SOUTHEAST MICHIGAN COMMUNITY ALLIANCE 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Fees paid during the year for administrative services rendered by parties-in-interest are, in the opinion of the custodians, based on customary and reasonable rates for such services.

Certain plan assets are in investments funds managed by Nationwide Life Insurance Company, Nationwide Trust Company or its affiliates. Nationwide Life Insurance Company and Nationwide Trust Company are the custodians of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

The Plan sponsor absorbs certain administrative costs incurred by the Plan.

NOTE 9 - CERTIFIED FINANCIAL INFORMATION (UNAUDITED)

The following is a summary of Plan financial information and data certified as complete and accurate by Nationwide Trust Company and Nationwide Life Insurance Company, the custodians, in accordance with Section 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosures under ERISA.

NOTE 10 - BULLETIN NO. 2009-02

The Plan has excluded from investments, in the accompanying statements of net assets available for benefits as of September 30, 2024 and 2023, certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. If the identified contracts, as reported by the various custodians, were included, net assets would increase by approximately \$661,895 and \$557,050 as of September 30, 2024 and 2023, respectively. Furthermore, net investment appreciation and distributions of \$104,845 and \$52,735 related to such accounts, as identified by the custodian, has also been excluded from the accompanying statements of changes in net assets available for benefits for the years ended September 30, 2024 and 2023, respectively. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.
