Independent Auditor's Report

Board of Trustees
Greenheck Fan Corporation (f/k/a Metal Industries) 401(k) Savings Plan
Clearwater, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Greenheck Fan Corporation (f/k/a Metal Industries) 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 16, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period ended September 16, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Greenheck Fan Corporation (f/k/a Metal Industries) 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 16, 2024 and December 31, 2023, and for the period ended September 16, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greenheck Fan Corporation (f/k/a Metal Industries) 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greenheck Fan Corporation (f/k/a Metal Industries) 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Greenheck Fan Corporation (f/k/a Metal Industries) 401(k) Savings Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Greenheck Fan Corporation (f/k/a Metal Industries) 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan covering all employees of Metal Industries (the "Company"), except for leased employees, nonresident aliens, and employees who were residents of Puerto Rico. Employees were eligible to participate in the Plan upon meeting certain criteria as defined in the plan document. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan Merger

On May 21, 2024, the Board of Directors of Greenheck Fan Corporation, a controlling party of Metal Industries, Inc., approved the merger of the Plan into the Greenheck Fan Corporation 401(k) & Savings Plan, effective September 16, 2024. As a result assets totaling \$13,921,270 were transferred from the Plan into the Greenheck Fan Corporation 401(k) & Savings Plan effective September 16, 2024.

Contributions

Participants could contribute, on either a pretax or a Roth basis, up to 100% of compensation as defined by the Plan, up to the annual maximum allowed by the Internal Revenue Service (IRS) on a calendar-year basis. If newly eligible employees did not make an affirmative election to contribute or not to contribute to the Plan, they were automatically treated as having made a deemed election to contribute to the Plan at a rate equal to 6% of their compensation. Until such a time as an affirmative election was made, the deemed election contribution rate would have increased annually on April 1 by 1% with a maximum deemed election of 10%. Participants who had attained age 50 before the end of the calendar year were eligible to make catch-up contributions. Participants may have also contributed amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants directed the investment of their contribution into various investment options offered by the Plan. Contributions were subject to certain limitations.

The Company could also make a discretionary matching contribution to eligible employees of a percentage of the participant's elective deferrals as determined by the Company's Board of Directors. Rollovers and catch-up contributions were not matched. This contribution was allocated and credited quarterly to each participant's account, through March 31, 2024. Effective April 1, 2024, this contribution was allocated and credited on a payroll period basis to each participant's account. The Company matched 50% of participants' contributions on their first 4% contributed during the period ended September 16, 2024. Discretionary matching contributions were \$165,499 for the period ended September 16, 2024.

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Contributions (Continued)

The Company could also contribute a discretionary nonelective contribution to be determined in its sole judgment with respect to each plan year. This contribution was allocated in proportion to all eligible participants' compensation to each participant who was employed by the Company on the last day of the plan year. There were no discretionary nonelective contributions for the period ended September 16, 2024. Contributions were subject to certain limitations.

Participant Accounts

Each participant's account was credited with the participant's contributions and rollover contributions, the Company's contributions (as previously defined) and allocations of (a) plan earnings (losses), and (b) forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative and investment expenses. Allocations were based on account balances or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could have been provided from the participant's vested account.

Vesting

Participants were immediately vested in all participant and Company contributions plus actual earnings (losses) thereon.

Notes Receivable From Participants

Participants were permitted to borrow from their fund accounts a maximum of two loans with a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance. Loan terms ranged from one to five years. The loans were secured by the balance in the participant's account and bore interest at a rate determined by the plan administrator. The interest rates on existing loans at the end of the period ranged from 4.25% to 9.50%. Principal and interest were paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant (or a participant's beneficiary in the case of death) could elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, annual installments over a period of time, or non-periodic payments on demand (ad hoc). If the participant's vested account balance did not exceed \$1,000, it could have been distributed only in a lump sum payment on the first distribution date after the participant terminated employment with the Company, or as soon as administratively feasible following that date. In addition, hardship distributions out of the participant's accounts were permitted if certain criteria were met. The Plan also allowed for in-service distributions upon attaining age 59 1/2.

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation in fair value of investments included the Plan's gains and losses on investments bought and sold as well as held during the period.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. No allowance for credit losses had been recorded as of September 16, 2024 and December 31, 2023. Delinquent participant notes receivable were reclassified as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits were recorded when paid.

Administrative Expenses

The Company absorbed various plan expenses including audit fees. Expenses that were paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan are included in administrative expenses and allocated proportionately to participants. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and are included in administrative expenses. Investment advisory and management fees were paid by the Plan and were allocated proportionately to plan participants based on their respective account balances and are included in net investment income.

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Subsequent Events

The Plan has evaluated subsequent events through July 14, 2025, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodology used for assets measured at fair value. Due to the plan merger discussed in Note 1, there are no assets or liabilities to be measured at fair value as of September 16, 2024. There have been no changes in the methodologies used as of December 31, 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Greenheck Fan Corporation (f/k/a Metal Industries) 401(k) Savings Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

Mutual funds held in pooled separate account: Fair value of mutual funds held in pooled separate accounts is based on quoted net asset values of underlying investments held by the pooled separate accounts adjusted by an asset charge. The underlying mutual funds held in the pooled separate accounts are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price.

Collective investment trust funds: Valued at the NAV of the underlying investments held by the collective investment trust, as reported by the fund house or other investment provider. The underlying investments are valued and published daily and transact at that price.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,725,270	\$ -	\$ -	\$ 12,725,270
Mutual funds held in pooled separate account	26,455	-	-	26,455
Collective investment trust funds	697,261	-	-	697,261
Total investment assets at fair value	\$ 13,448,986	\$ -	\$ -	\$ 13,448,986

Note 4: Information Prepared and Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements, including investments and notes receivable from participants held at September 16, 2024 and December 31, 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period ended September 16, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the Trustee of the Plan.

Greenheck Fan Corporation (f/k/a Metal Industries) 401(k) Savings Plan

Notes to Financial Statements

Note 5: Related-Party Transactions and Party-In-Interest Transactions

Plan investments were managed by the Trustee, as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees incurred and paid by the Plan for the investment management fees and recordkeeping services were \$40,576 for the period ended September 16, 2024.

Notes receivable from participants also qualify as party-in interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 6: Plan Termination

The Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate or partially terminate the Plan subject to the provisions of ERISA. As described in Note 1, the Plan was merged into the Greenheck Fan Corporation 401(k) & Savings Plan effective September 16, 2024, and was effectively terminated as of that date.

Note 7: Tax Status

The IRS has determined and informed the Company by a letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Note 8: Risks and Uncertainties

The Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
