INDEPENDENT AUDITOR'S REPORT

To the Employee Stock Ownership Plan Committee of
Ebby Halliday, Inc. Employees' Stock Ownership Plan and Trust
Dallas, Texas

Opinion

We have audited the accompanying financial statements of the Ebby Halliday, Inc. Employees' Stock Ownership Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for plan benefits in liquidation (cash basis) as of September 30, 2024 and 2023, and the related statements of changes in net assets available for plan benefits in liquidation (cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits in liquidation of the Ebby Halliday, Inc. Employees' Stock Ownership Plan and Trust as of September 30, 2024 and 2023, and the changes in its net assets available for benefits in liquidation for the years then ended, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ebby Halliday, Inc. Employees' Stock Ownership Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 8 to the financial statements, the sponsor company and its affiliates, entered into a transaction with an affiliate of a publicly traded company to sell their stock and assets. An initial cash payment was received, and a substantial cash payment is being held in escrow. There is also a five-year earn out period, which could result in additional funds being received and disbursed to the stockholders. The governing body of the Ebby Halliday Inc. Employees' Stock Ownership Plan and Trust approved a plan of liquidation on June 1, 2018, the date of the sale, and management determined liquidation is imminent. Our opinion is not modified with respect to that matter.

Emphasis of Matter—Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified in respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ebby Halliday, Inc. Employees' Stock Ownership Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other

records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EBBY HALLIDAY, INC. EMPLOYEES' STOCK OWNERSHIP PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

General – Ebby Halliday, Inc. (the Company) established Ebby Halliday, Inc. Employees' Stock Ownership Plan and Trust (the Plan) effective as of October 1, 1991. The Plan was restated effective October 1, 2013, to comply with statutory changes. The Plan, as currently written, complies with all applicable laws. The Plan is administered by an ESOP Committee appointed by the Board of Directors of Ebby Halliday, Inc. The trust department of an independent third-party bank is the Plan's trustee and an independent third party performs administrative services for the Plan. The Plan received a favorable determination letter dated October 7, 2014 as a result of a request for a new determination letter that includes the 2011 Cumulative Lists of Changes in Plan Qualification to comply with the new cycle filing requirements. When the Plan terminated on June 1, 2018, a determination was requested and received, dated September 23, 2019, stating that the termination of the Plan does not affect its qualification for federal tax purposes.

The Plan purchased Company common shares from the sponsoring company and holds the stock in a trust established under the Plan.

The following description provides only general information and participants should refer to the Plan agreement for more complete information.

Eligibility – Employees of the Company are generally eligible to participate in the Plan after three months of service and attaining age 21. Participants who do not have at least 1,000 hours of service during such Plan year or are not employed on the last working day of a Plan year are generally not eligible for an allocation of Company contributions for such year.

Contributions – Contributions are discretionary and are approved by the Company's Board of Directors. During 2024 and 2023, the Company did not make contributions to the Plan. Contributions were allocated directly to the participants' accounts. Contributions from employees are prohibited.

Voting Rights – Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the trustee prior to the time that such rights are to be exercised. The trustee is not permitted to vote any share for which a participant has not given instructions.

Vesting – Prior to October 1, 2007, participants became fully vested in the Plan upon completing five years of service or upon attaining normal retirement age. Participants who were not fully vested and who terminated service with the Company and who did not return to work for the Company during the next five vesting service periods would forfeit their account balances. Effective October 1, 2007, the vesting is a six-year grading schedule, or normal retirement age. Upon the sale of stock and assets on June 1, 2018, the Plan was terminated, and all participants became 100% vested in their account balance.

Forfeitures – Forfeitures are allocated to eligible participants in the same manner as Company discretionary contributions. Forfeitures of non-vested accounts whose participant has incurred five continuous breaks in service that have been allocated to remaining participants totaled \$0 for the years ended September 30, 2024 and 2023. Forfeitures of non-vested accounts whose participant has not incurred five continuous breaks in service and are included in net assets available for benefits as of September 30, 2024 and 2023 totaled \$0 each year.

Put Option – Under Federal income tax regulations, the Company common shares that are held by the Plan and its participants and are not readily tradable on an established market, or are subject to trading limitations, include a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

**EBBY HALLIDAY, INC. EMPLOYEES'
STOCK OWNERSHIP PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Distributions – Distributions from the Plan will be made when a participant retires, dies (in which case, payment shall be made to his or her beneficiary or, if none, his or her legal representatives), becomes disabled, or otherwise terminates employment with the Company and its participating subsidiaries. Distributions can be made in the form of Company common shares plus cash for any fractional share or cash at the discretion of the ESOP Committee. Undistributed benefits to participants who have been terminated but not paid as of September 30, 2024 and 2023 are approximately \$0 and \$432,000, respectively.

Termination of the Plan – The Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the Code. Upon termination of the Plan, the ESOP Committee shall direct the trustee to pay all liabilities and expenses of the trust fund. As discussed in Note 8, upon the sale of stock and assets on June 1, 2018, the Plan was terminated.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – As permitted by Internal Revenue Service and Department of Labor regulations, the Plan utilizes the cash basis of accounting, which is not in accordance with generally accepted accounting principles. Under this method of accounting, no recognition has been given to accrued revenue or expenses in these financial statements.

Use of Estimates – The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Investments – Prior to the sale of stock and assets, an independent appraiser evaluated the Plan's sponsor's financial condition and evaluated the industry the sponsor operates in. After the evaluation was complete, an estimate was made of the fair market value of the stock held by the Plan as an investment. Upon the sale of stock and assets in 2018, the stock basis was adjusted to zero and no further appraisals have been prepared.

NOTE 3 – INCOME TAX STATUS

The Plan obtained its latest determination letter on September 23, 2019, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and that the termination of the Plan does not affect its qualification for federal tax purposes.

The Plan's tax filings for years ended September 30, 2021 through September 30, 2024 are available to be subject to audit by the Internal Revenue Service.

**EBBY HALLIDAY, INC. EMPLOYEES'
STOCK OWNERSHIP PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS**

NOTE 4 – ADMINISTRATION OF PLAN ASSETS

The Plan's assets, which consist principally of cash and Ebby Halliday, Inc. common shares, are held by the trustee of the Plan. Company contributions are held and managed by the trustee, which invests cash received, interest, and dividend income and makes distributions to participants.

Certain administrative functions are performed by officers or employees of the Company or its subsidiaries. No such officer or employee receives compensation from the Plan. Additional administrative fees are paid to a third-party administrator. Expenses for legal and accounting fees are paid by the Company.

NOTE 5 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for plan benefits.

	<u>Fair Value</u>	<u>Fair Value Measurements Using:</u>	
		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
As of September 30, 2024:

Money Market Account	\$ -	\$ -	\$ -
As of September 30, 2023:			
Sponsor Company Stock	\$ -	\$ -	\$ -
Money Market Account	\$ 431,768	\$ 431,768	\$ -

ASC 820-10, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair values of cash and cash equivalents are stated as the amount on deposit in money market accounts or checking accounts.

Level 3 Fair Value Measurements

The Sponsor company common stock is not actively traded, and significant other observable inputs are not available. Thus, the fair value of the Sponsor company common stock is equal to the fair value as calculated by an independent appraiser.

NOTE 6 – INVESTMENTS

The Plan's investments on September 30 are presented in the following table:

Upon the sale of stock and assets in 2018, the stock basis was adjusted to zero and no further appraisals have been prepared.

NOTE 7 – PARTIES-IN-INTEREST

Parties-in-interest are defined under the Department of Labor Regulations as any Fiduciary of the Plan, parties rendering services to the Plan, the employer and certain others. As such, transactions conducted by the trustee qualify as party-in-interest transactions. The Plan incurs expenses related to general administration and record keeping. The Plan sponsor pays these expenses and certain accounting and auditing fees related to the Plan.

NOTE 8 – SALE OF SPONSOR ASSETS – TERMINATION OF THE PLAN

On June 1, 2018, the sponsor company and its affiliates entered into a transaction with an affiliate of a publicly traded entity. This transaction was a combination of sales of 100% of stock of some entities, while some other entities sold selected assets. The sale was funded in three methods:

- 1) There was a substantial cash payment held in escrow for the owners, officers, debt holders and stockholders of all the entities. The net proceeds allocated to Ebby Halliday, Inc. was approximately \$52,000,000, of which approximately \$13,676,000 is the Plan's proportionate share. Included in other income on the statement of changes in net assets available for benefits was approximately \$13,676,000 for the year ended September 30, 2018.
- 2) Once the indemnification escrow and holdback funds are settled, a further distribution will be made to the stockholders of record of Ebby Halliday, Inc. on June 1, 2018.
- 3) There is also a five-year earn out period. If the performance of the sold entities meets certain net income formulas, additional funds will be received and dispersed to the stockholders of record of Ebby Halliday, Inc. on June 1, 2018.

The Plan owned stock in Ebby Halliday, Inc. As part of the sale on June 1, 2018, only the assets of Ebby Halliday, Inc. were sold. The stock owned by the Plan, as well as the other owners, was not sold. The Plan owns 526 shares of the 2,000 outstanding shares of Ebby Halliday Inc. as of September 30, 2024 and 2023. As there are no assets left in Ebby Halliday, Inc. as of September 30, 2024 and 2023, there was no valuation performed.

NOTE 8 – SALE OF SPONSOR ASSETS – TERMINATION OF THE PLAN (continued)

In conjunction with the June 1, 2018 transaction and according to provisions of the Plan document, all participants became 100% vested in their accounts. The Plan will remain in existence until the five-year earn out provisions are settled. As participants have shares in their accounts, income will be allocated to participant accounts based on shares owned. Upon final settlement of the earnout and receipt of the escrow and holdback funds, the Plan will liquidate.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
