INDEPENDENT AUDITORS' REPORT

Board of Trustees of
United Optical Workers Local 408 Pension Fund

Opinion

We have audited the financial statements of United Optical Workers Local 408 Pension Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of United Optical Workers Local 408 Pension Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Optical Workers Local 408 Pension Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Optical Workers Local 408 Pension Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Optical Workers Local 408 Pension Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Optical Workers Local 408 Pension Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter

As described in Note 1, the Board of Trustees of the Plan voted on April 11, 2001 to terminate the Plan. Additionally, as described in Note 7, the Plan depends on funding from the Pension Benefit Guaranty Corporation to pay benefits. Our opinion is not modified with respect to these matters.

Other Matter—Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year attached to Schedule H of Form 5500 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the United Optical Workers Local 408 Pension Fund (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document and its Summary Plan Description for a more complete description of the Plan's provisions.

General: The Plan was a collectively bargained multi-employer defined benefit pension plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, (ERISA). The benefits earned depended on the duration of participation in the Plan and the level of member's employment and contributions. The Plan operates as a trust to provide retirement benefits to participants who were covered employees of participating employers under contracts with the United Optical Workers Local 408, affiliated with the International Union of Electrical Workers, A.F.L.-C.I.O. (the “Union”), and employers who employed union members operating in the New York Metropolitan area.

Plan Administration: The administration of the Plan is the responsibility of a Board of Trustees composed of Union and Employer Trustees. The Union Trustees and Employer Trustees have equal voting rights.

Pension Benefits: The Plan provides for the payment of a regular pension for covered employees who retire with at least 5 years of vested service or service credits and are at least 65 years old. The Plan also provides early retirement pensions benefits.

A full description of Plan benefit provisions is available in the Rules and Regulations of the Plan as amended and restated.

Funding: The Plan does not receive any employer contributions; it is funded by the Pension Benefit Guaranty Corporation (PBGC).

Termination: The Plan's Board of Trustees, as sponsor, has the right under the Plan to modify benefits provided to participants. The Plan may be terminated by the vote of the Board, subject to the provisions set forth in the Agreement and Declaration of Trust and ERISA.

On April 11, 2001, the Board of Trustees of the Plan elected to terminate the Plan and the appropriate resolution was executed. The Plan applied for approval for the termination from the Internal Revenue Service and also notified the Pension Benefit Guaranty Corporation (PBGC). The Internal Revenue Service issued a favorable determination letter dated July 2, 2003.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Valuation of Investments: The Plan's savings account is carried at cost, which approximates fair value and is deemed to be Level 1 in the fair value hierarchy of FASB 820.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits: Benefit payments to participants are recorded upon distribution.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 3 – PLAN TERMINATION PRIORITIES

As the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

1. Vested benefits insured by the PBGC up to the applicable limitations.
2. All nonvested benefits.

Benefits under the Plan are insured by the PBGC. As the Plan terminates its net assets generally will not be available on a pro rata basis to provide participants' benefits. Whether a particular participant's accumulated plan benefits will be paid depends on both the priority of those benefits and the level of benefits guaranteed by the PBGC at that time. Some benefits may be fully or partially provided for by the then existing assets and the PBGC guaranty, whereas other benefits may not be provided for at all.

A full description of the Plan's termination priorities is available in the Plan's rules and regulations, as amended and restated.

NOTE 4 – TAX STATUS

The Internal Revenue Service determined and informed the Plan by letter dated May 22, 1997 that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan was amended since receiving the determination letter and was terminated July 1, 2001. The Internal Revenue Service has issued an updated favorable determination letter dated July 2, 2003.

NOTE 5 – CONCENTRATION OF CREDIT RISK

Financial instruments that subject the Plan to concentration of credit risk include cash and short-term investments. While the Plan attempts to limit any financial exposure, its cash deposit balances may, at times, exceed federally insured limits. Short-term investments are not covered by the Federal Deposit Insurance Corporation.

NOTE 6 – EVALUATION OF SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through May 23, 2025, the date the financial statements were available to be issued.

NOTE 7 – PENSION BENEFIT GUARANTY CORPORATION FUNDING

Due to the termination of employer contributions, the assets of the Plan are not sufficient to meet its monthly obligation for benefit payments. As a consequence, the Plan is insolvent and requires PBGC funding to meet its obligation for benefit payments.

The PBGC has lent the Plan a total of \$13,049,600 excluding interest, for the years 2004 through 2024, as financial assistance, pursuant to Section 4261 of ERISA. The PBGC obtained a promissory note as of June 30, 2009, in the amount of \$4,549,633 including interest. This note supersedes and replaces all previous notes issued by the Plan to the PBGC relating to financial assistance under Section 4261, as well as any future notes. The promissory note shall be governed by and in accordance with the law applicable to the repayment of financial assistance to multiemployer defined benefit pension plans under Title IV of ERISA. Should the Plan's financial condition improve to such a degree that it has assets beyond those necessary to pay basic benefits, repayment of the principal amount plus interest would be required.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 7 – PENSION BENEFIT GUARANTY CORPORATION FUNDING (continued)

At least ten (10) days before the end of each calendar year, the Plan provides the PBGC a schedule showing the value of its assets, including outstanding claims for withdrawal liability that are reasonably expected to be collected, valued in accordance with 29 C.F.R. Part 4281 (which requires that the present value of future reasonable administrative expenses and the present value of repayments of financial assistance to the PBGC be deducted from the value of the Plan's assets).

NOTE 8 – ACTUARIAL VALUATION

Since the Plan is being funded by the PBGC, an actuarial valuation is not required unless specifically requested. At the request of the PBGC, the Plan's actuary last performed a valuation as of December 31, 2021, the results of which are summarized hereunder.

ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS
