(1) Name: **ERNST & YOUNG LLP**

(2) EIN: **34-6565596**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		150000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

Report of Independent Auditors

To the Plan Administrator of
CIBC Retirement Savings Plan for U.S. Employees

Opinion

We have audited the financial statements of CIBC Retirement Savings Plan for U.S. Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2024 (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to

prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CIBC RETIREMENT SAVINGS PLAN FOR U.S. EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the CIBC Retirement Savings Plan for U.S. Employees (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions, copies of which may be obtained from the Plan sponsor.

General - The Plan is a defined contribution 401(k) profit sharing plan covering all eligible United States employees of Canadian Imperial Bank of Commerce (“CIBC”), the Plan’s sponsor. Employees are eligible to participate in the Plan on the later of attainment of age 18 or the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

The Plan is administered by the CIBC U.S. Retirement Savings Plan Committee (“Plan Administrator” or “Committee”). The Committee has overall responsibility for the operation and administration of the plan. Vanguard Fiduciary Trust Company (the “Trustee”) serves as the trustee of the Plan, and together with several investment managers, manages the Plan’s investments.

Contributions - Each year, plan participants may contribute between 1% and 100% of their eligible earnings on a before tax or after tax basis, subject to Internal Revenue Service limitations. CIBC matches up to 100% of a participant’s contribution up to 6% of the participant’s eligible earnings. Plan benefits are based on eligible earnings, which generally consist of wages, salary, overtime pay, bonuses, and commissions. Contributions from plan participants and the matching contributions from CIBC occur when the eligible earnings are earned by the employees.

Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“rollover contributions”).

New employees are automatically enrolled, unless they opt-out. A new employee participant’s deferral is set at 3% of eligible earnings and increases 1% at the start of each subsequent Plan year until the rate reaches 10% of eligible cash compensation or is changed by the participant.

A discretionary contribution may be determined by CIBC as a fixed percentage of a participant’s eligible earnings to be made on behalf of each participant employed on the last day of the applicable Plan year. For the years ended December 31, 2024 and 2023, CIBC determined that no discretionary contribution would be made to the participants of the Plan. All contributions are subject to certain limitations of the Internal Revenue Code (the “Code”).

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. Participants who are automatically enrolled have their contributions invested in the applicable lifecycle fund based on their age until they change their election. Employer contributions are invested in the same manner as that of the participant’s elective contributions.

Vesting - Participants are immediately vested in their contributions and corrective non-elective contributions plus actual earnings thereon. Employer matching and discretionary contributions are subject to a 3-year cliff vesting schedule (years 0-2, 0%; after year 3, 100%).

CIBC RETIREMENT SAVINGS PLAN FOR U.S. EMPLOYEES
NOTES TO FINANCIAL STATEMENTS (Continued)

Forfeitures - Upon termination of employment, participants forfeit their nonvested balances. Forfeited balances of terminated participant's nonvested accounts are used to first restore any prior forfeitures required and then to reduce future employer contributions. As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$1,468,556 and \$832,246, respectively. During the Plan year ended December 31, 2024, forfeitures of \$1,353,611 were used to offset employer contributions to the Plan.

Participant accounts - Individual accounts are maintained for each Plan participant. Each participant's account is credited with the Plan earnings and contributions made by the participant and CIBC, and charged with an allocation of Plan losses and any benefit distributions and administrative fees and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CIBC Stock Fund - The Plan invests in common stock of CIBC through its CIBC Stock Fund. The CIBC Stock Fund may also hold cash or other short-term securities, although these are expected to be a small percentage of the fund.

Any participant who has access to material non-public information is prohibited from making changes to their CIBC common stock investments at any time while in possession of material non-public information. In addition, participants subject to CIBC-imposed blackout window periods are only permitted to make elections, including making an intra-plan transfer of an existing account balance, into or out of the CIBC stock fund during an open window period, unless CIBC has restricted trading during such window period.

Each participant is entitled to exercise voting rights attributable to the shares allocated to their account and is notified by CIBC prior to the time that such rights may be exercised. The Trustee is not permitted to vote any allocated shares for which instructions have not been given by a participant. The Trustee votes any unallocated shares in the same proportion as those shares that were allocated, unless the Plan Administrator directs the Trustee otherwise. Participants have the same voting rights in the event of a tender or exchange offer.

Notes receivable from participants - After one year of service, participants may borrow from their participant accounts up to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan amount is \$1,000. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as prescribed in the Plan document. Principal and interest are paid ratably through payroll deductions. If a participant terminates employment with CIBC, any outstanding loan will become due and payable on the 60th day following the termination of employment. If the loan is not repaid, it will automatically be treated as a distribution to the participant after 60 days.

Payment of benefits - After attaining 59-1/2 years of age, a participant may withdraw any portion or all of his/her before tax, CIBC matching or discretionary contribution accounts in that order of priority. Prior to attaining age 59-1/2, an employed participant may withdraw any portion or all of his/her after tax savings account plus earnings or rollover account. Prior to attaining age 59-1/2 employed participants may not withdraw any amount from his/her before tax, CIBC matching or discretionary contribution accounts unless he/she can establish that financial hardship exists as defined in the Plan document, in which case, a participant may request a distribution of his/her before tax account.

Upon termination of employment, a participant (or his/her beneficiary) may receive a distribution of the vested account balance. Lump sum payment will be made on any distributions if the account balance is

CIBC RETIREMENT SAVINGS PLAN FOR U.S. EMPLOYEES
NOTES TO FINANCIAL STATEMENTS (Continued)

less than or equal to \$1,000. If the account balance is greater than \$1,000, the participant (or his/her beneficiary) may elect to receive a lump sum distribution or installment payments over a period that does not extend beyond the life expectancy of the participant (or his/her beneficiary). Effective January 1, 2024, if a participant does not make any election and the vested account balance is greater than \$1,000 but less than \$7,000 (\$5,000 till February 29, 2024), then such amount shall be paid in a direct rollover to an individual retirement plan designated by the Committee.

Plan Termination - Although it has not expressed any intent to do so, CIBC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and are presented on the accrual basis of accounting.

Use of estimates and assumptions - The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein at the date of the financial statements. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 3 for discussion of fair value measurements.

The Plan Administrator is responsible for determining the Plan's valuation policies and analyzing information provided by the investment custodians and issuers that is used to determine the fair value of the Plan's investments. The Plan Administrator reports to the Audit Committee of CIBC.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed as incurred. Payments of notes receivable from participants are applied to the outstanding loan balance. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments - Benefit payments to participants are recorded when paid.

Administrative expenses - The Plan's administrative expenses are paid by either the Plan or CIBC, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping, trustee fees, and fees relating to notes receivable from participants, if any. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the

CIBC RETIREMENT SAVINGS PLAN FOR U.S. EMPLOYEES
NOTES TO FINANCIAL STATEMENTS (Continued)

expenses relate. All other administrative expenses of the Plan are paid by CIBC and excluded from these financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan measures, monitors and discloses its assets on a fair value basis in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification 820 (“ASC 820”), *Fair Value Measurements and Disclosures*. ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

CIBC common stock - Valued at the closing price reported on the active market on which the security is traded.

Short-term investment fund - The market value of the fund investment was determined using cost or amortized cost, as applicable. Cost or amortized cost approximates the fair value; however, this value is not obtained from a quoted price in an active market.

Registered investment companies - Valued at the net asset value (“NAV”) of shares held by the Plan at year-end based on quoted market prices in active markets.

Common/collective trusts - The Plan holds investments in Common/Collective Trusts (“CCTs”). CCTs publish a daily NAV per unit. The daily NAV is available to participants of the Plan when they log into their online account to view their current balance. CCTs allow participants to make daily redemption requests at the current NAV. The Plan determines that the investments in CCTs have readily determinable fair value because the investments are equity securities in a structure similar to a mutual fund in which the fair values per unit are determined and published and are the basis for current transactions.

CIBC RETIREMENT SAVINGS PLAN FOR U.S. EMPLOYEES
NOTES TO FINANCIAL STATEMENTS (Continued)

The following tables set forth the fair value of the Plan's assets as of December 31, 2024 and 2023, categorized by level within the fair value hierarchy:

Total investments, at fair value	<u>\$ 917,875,859</u>	<u>\$ 118,445</u>	<u>\$ —</u>	<u>\$ 917,994,304</u>

There were no Level 3 assets and no movements between levels for the years ended December 31, 2024 and 2023, respectively.

4. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the Trustee or its affiliates, therefore, these transactions qualify as permitted party-in-interest transactions. The Plan also invests in the CIBC stock fund which also qualifies as permitted party-in-interest transactions.

Certain officers and employees of the Plan's sponsor (who may also be participants in the Plan) performed administrative services related to the Plan's operation, record keeping and financial reporting. The Plan's sponsor paid these individuals' salaries and also paid all other administrative expenses on the Plan's behalf.

The foregoing transactions were not deemed prohibited party-in-interest transactions, because they were covered by statutory and administrative exemptions from the Code and ERISA's rules on prohibited transactions.

5. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service ("IRS") dated August 03, 2017, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan Administrator believes the Plan is being operated in

CIBC RETIREMENT SAVINGS PLAN FOR U.S. EMPLOYEES
NOTES TO FINANCIAL STATEMENTS (Continued)

compliance with the applicable requirements of the Code and, therefore, believes the Plan, as amended and restated, is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities based primarily on elections made by participants. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that such changes would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
