INDEPENDENT AUDITOR'S REPORT

To the Retirement Committee of the
Roman Eagle 401(k) Plan
Danville, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Roman Eagle 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule that is related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROMAN EAGLE 401(k) PLAN
Notes to Financial Statements
For the Years Ended December 31, 2024 and 2023

NOTE 1: PLAN DESCRIPTION

Roman Eagle Rehabilitation and Health Care Center, Inc. (formerly Roman Eagle Memorial Home, Inc.) (the Sponsor) established a 401(k) plan and related trust effective January 1, 2000. The Plan was amended and restated effective January 1, 2016. The following description of the Roman Eagle 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan available to all employees, excluding leased employees, of the Sponsor who are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: Each year, participants may contribute from 2% to 75% of both pre-tax and after-tax (ROTH) annual compensation, as defined in the plan agreement. Annual participant contributions are limited by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Sponsor may automatically withhold 2% of compensation each payroll period and contribute that amount to the Plan as an elective deferral. Plan participants can make a new salary reduction agreement at any time to change that amount or elect not to defer into the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Sponsor may make discretionary matching contributions, as determined by the Sponsor each year, to participants who have one year of service. The Sponsor's matching contribution for the years ended December 31, 2024 and 2023 was 50% of the first 2% of compensation deferred, not to exceed 1% of compensation. The Sponsor may also make an additional discretionary contribution, as determined by the Sponsor each year, to participants who have one year of service. For the years ended December 31, 2024 and 2023, there were no Sponsor additional matching contributions. Sponsor contributions are invested in the same manner as the participants' contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions, the Sponsor's contributions, and plan investment earnings. Participant accounts are charged with benefit payments and plan investment losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Participants become fully vested in the Sponsor's contributions upon death, total and permanent disability, or the termination of the Plan. Vesting in the Sponsor's contribution portion is based on years of continuous service. A participant is 100% vested after six years of credited service.

ROMAN EAGLE 401(k) PLAN
Notes to Financial Statements
For the Years Ended December 31, 2024 and 2023

NOTE 1: PLAN DESCRIPTION (continued)

Investment Options: Upon enrollment in the Plan, a participant may direct contributions in a number of investment options. These options include a money market fund and mutual funds that seek growth, income, or capital preservation, as well as funds managed for a specific retirement target date. Participants may change their investment options daily.

Participant Loans: The Plan does not allow participant loans.

Payment of Benefits: On termination of service due to death, disability, retirement or any other reason, a participant may elect to receive the value of the participant's vested interest in his or her account in a lump sum or installment payments. Participants may also elect to withdraw funds from their vested account balances while still employed once they attain the age of 59½. Hardship withdrawals are also permitted, subject to certain limitations and restrictions.

Administrative Expenses: The Plan's administrative expenses primarily include investment management and professional fees for services provided by parties-in-interest. Administrative expenses are paid by the Plan as provided in the plan document.

Forfeitures: Forfeitures may be allocated to eligible participants as a discretionary Sponsor contribution or reduce Sponsor contributions into the Plan. Forfeitures available for participant reallocation or to reduce Sponsor contributions were \$2,577 and \$6,004 at December 31, 2024 and 2023, respectively. For the year ended December 31, 2024, \$5,596 was used to reduce Sponsor contributions. No forfeitures were used to reduce Sponsor contributions for the year ended December 31, 2023.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by Ascensus Trust Company and Newport Trust Company, LLC, the Trustees. See Note 3 for discussion of fair value measurements.

ROMAN EAGLE 401(k) PLAN
Notes to Financial Statements
For the Years Ended December 31, 2024 and 2023

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: The Plan has evaluated subsequent events through July 3, 2025, which is the date the financial statements were available to be issued, and determined that there were no subsequent events requiring disclosure.

NOTE 3: FAIR VALUE MEASUREMENTS

The Plan's money market fund and mutual funds are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2024</u>		
Money market fund	\$ 1,076,253	\$ 1,076,253
Mutual funds	5,886,712	5,886,712
Total	\$ 6,962,965	\$ 6,962,965
<u>December 31, 2023</u>		
Money market fund	\$ 1,077,187	\$ 1,077,187
Mutual funds	4,996,016	4,996,016
Total	\$ 6,073,203	\$ 6,073,203

Level 1 Fair Value Measurements

The fair values of the money market and mutual funds are based on quoted net asset values of the shares held by the Plan at year-end.

NOTE 4: PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the Sponsor contribution portion of their accounts.

NOTE 5: TAX STATUS

Effective January 1, 2022, the Plan adopted the Qualified Retirement Plan Consultants, Inc. Non-Standardized Pre-Approved Profit Sharing Plan with CODA, which received a determination letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the *Internal Revenue Code (IRC)*. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC* and therefore believes the Plan is qualified and the related trust is tax-exempt.

NOTE 5: TAX STATUS *(continued)*

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 6: INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Ascensus, LLC, an authorized representative of Ascensus Trust Company and Newport Trust Company, LLC the Trustees, for the year ended December 31:

	2024	2023
Investments, at fair value:		
Money market fund	\$ 1,076,253	\$ 1,077,187
Mutual funds	5,886,712	4,996,016
Investment income	879,040	866,728

NOTE 7: RELATED-PARTY TRANSACTIONS

Certain Plan investments are funds managed by Ascensus Trust Company (“Ascensus”), the Trustee. As the Trustee of the Plan, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

Fees paid by the Plan to Ascensus for administrative services were \$39,068 and \$37,346 for the years ended December 31, 2024 and 2023, respectively.

Certain administrative functions are performed by employees of the Sponsor. These employees are also Plan participants. No such employee receives compensation from the Plan.

NOTE 8: QUALIFIED NONELECTIVE EMPLOYER CONTRIBUTIONS

The Sponsor made a contribution to the Plan to correct certain missed deferrals. Such contributions have been recorded as an employer contributions receivable and treated as Qualified Nonelective Employer Contributions ("QNEC"). The QNEC is invested as directed by the participant. Included in Employer contributions receivable are \$26,523 related to the QNEC at December 31, 2024. There were no such contributions for the year ended December 31, 2023.

INDEPENDENT AUDITOR'S REPORT

To the Retirement Committee of the
Roman Eagle 401(k) Plan
Danville, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Roman Eagle 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule that is related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROMAN EAGLE 401(k) PLAN
Notes to Financial Statements
For the Years Ended December 31, 2024 and 2023

NOTE 1: PLAN DESCRIPTION

Roman Eagle Rehabilitation and Health Care Center, Inc. (formerly Roman Eagle Memorial Home, Inc.) (the Sponsor) established a 401(k) plan and related trust effective January 1, 2000. The Plan was amended and restated effective January 1, 2016. The following description of the Roman Eagle 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan available to all employees, excluding leased employees, of the Sponsor who are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: Each year, participants may contribute from 2% to 75% of both pre-tax and after-tax (ROTH) annual compensation, as defined in the plan agreement. Annual participant contributions are limited by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Sponsor may automatically withhold 2% of compensation each payroll period and contribute that amount to the Plan as an elective deferral. Plan participants can make a new salary reduction agreement at any time to change that amount or elect not to defer into the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Sponsor may make discretionary matching contributions, as determined by the Sponsor each year, to participants who have one year of service. The Sponsor's matching contribution for the years ended December 31, 2024 and 2023 was 50% of the first 2% of compensation deferred, not to exceed 1% of compensation. The Sponsor may also make an additional discretionary contribution, as determined by the Sponsor each year, to participants who have one year of service. For the years ended December 31, 2024 and 2023, there were no Sponsor additional matching contributions. Sponsor contributions are invested in the same manner as the participants' contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions, the Sponsor's contributions, and plan investment earnings. Participant accounts are charged with benefit payments and plan investment losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Participants become fully vested in the Sponsor's contributions upon death, total and permanent disability, or the termination of the Plan. Vesting in the Sponsor's contribution portion is based on years of continuous service. A participant is 100% vested after six years of credited service.

ROMAN EAGLE 401(k) PLAN
Notes to Financial Statements
For the Years Ended December 31, 2024 and 2023

NOTE 1: PLAN DESCRIPTION (continued)

Investment Options: Upon enrollment in the Plan, a participant may direct contributions in a number of investment options. These options include a money market fund and mutual funds that seek growth, income, or capital preservation, as well as funds managed for a specific retirement target date. Participants may change their investment options daily.

Participant Loans: The Plan does not allow participant loans.

Payment of Benefits: On termination of service due to death, disability, retirement or any other reason, a participant may elect to receive the value of the participant's vested interest in his or her account in a lump sum or installment payments. Participants may also elect to withdraw funds from their vested account balances while still employed once they attain the age of 59½. Hardship withdrawals are also permitted, subject to certain limitations and restrictions.

Administrative Expenses: The Plan's administrative expenses primarily include investment management and professional fees for services provided by parties-in-interest. Administrative expenses are paid by the Plan as provided in the plan document.

Forfeitures: Forfeitures may be allocated to eligible participants as a discretionary Sponsor contribution or reduce Sponsor contributions into the Plan. Forfeitures available for participant reallocation or to reduce Sponsor contributions were \$2,577 and \$6,004 at December 31, 2024 and 2023, respectively. For the year ended December 31, 2024, \$5,596 was used to reduce Sponsor contributions. No forfeitures were used to reduce Sponsor contributions for the year ended December 31, 2023.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by Ascensus Trust Company and Newport Trust Company, LLC, the Trustees. See Note 3 for discussion of fair value measurements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: The Plan has evaluated subsequent events through July 3, 2025, which is the date the financial statements were available to be issued, and determined that there were no subsequent events requiring disclosure.

NOTE 3: FAIR VALUE MEASUREMENTS

The Plan's money market fund and mutual funds are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2024</u>		
Money market fund	\$ 1,076,253	\$ 1,076,253
Mutual funds	5,886,712	5,886,712
Total	\$ 6,962,965	\$ 6,962,965
<u>December 31, 2023</u>		
Money market fund	\$ 1,077,187	\$ 1,077,187
Mutual funds	4,996,016	4,996,016
Total	\$ 6,073,203	\$ 6,073,203

Level 1 Fair Value Measurements

The fair values of the money market and mutual funds are based on quoted net asset values of the shares held by the Plan at year-end.

NOTE 4: PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the Sponsor contribution portion of their accounts.

NOTE 5: TAX STATUS

Effective January 1, 2022, the Plan adopted the Qualified Retirement Plan Consultants, Inc. Non-Standardized Pre-Approved Profit Sharing Plan with CODA, which received a determination letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the *Internal Revenue Code (IRC)*. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC* and therefore believes the Plan is qualified and the related trust is tax-exempt.

NOTE 5: TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 6: INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Ascensus, LLC, an authorized representative of Ascensus Trust Company and Newport Trust Company, LLC the Trustees, for the year ended December 31:

	2024	2023
Investments, at fair value:		
Money market fund	\$ 1,076,253	\$ 1,077,187
Mutual funds	5,886,712	4,996,016
Investment income	879,040	866,728

NOTE 7: RELATED-PARTY TRANSACTIONS

Certain Plan investments are funds managed by Ascensus Trust Company (“Ascensus”), the Trustee. As the Trustee of the Plan, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

Fees paid by the Plan to Ascensus for administrative services were \$39,068 and \$37,346 for the years ended December 31, 2024 and 2023, respectively.

Certain administrative functions are performed by employees of the Sponsor. These employees are also Plan participants. No such employee receives compensation from the Plan.

NOTE 8: QUALIFIED NONELECTIVE EMPLOYER CONTRIBUTIONS

The Sponsor made a contribution to the Plan to correct certain missed deferrals. Such contributions have been recorded as an employer contributions receivable and treated as Qualified Nonelective Employer Contributions ("QNEC"). The QNEC is invested as directed by the participant. Included in Employer contributions receivable are \$26,523 related to the QNEC at December 31, 2024. There were no such contributions for the year ended December 31, 2023.
