INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
East Alabama Medical Center Voluntary Employee
Beneficiary Association Trust

Opinion

We have audited the accompanying financial statements of East Alabama Medical Center Voluntary Employee Beneficiary Association Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of September 30, 2024 and 2023, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended September 30, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the statements of benefit obligations and net assets available for benefits of the Plan as of September 30, 2024 and 2023, and the changes in its benefit obligations and net assets available for benefits for the year ended September 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2024 AND 2023**

1. DESCRIPTION OF THE PLAN

The following description of East Alabama Medical Center Voluntary Employee Beneficiary Association Trust (the Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan provides health, mental health, dental and vision benefits covering all eligible employees of East Alabama Medical Center (the Sponsor) and other such local health care providers, including their eligible owners and employees and the members of the Board of Trustees of the Plan. The Plan was established in December 2010.

Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits

The Plan provides health benefits (hospital and major medical), mental health, prescription drug and dental benefits to participants and to their beneficiaries and covered dependents. Hospital and major medical claims of active participants, beneficiaries and dependents are processed by the service company, Blue Cross/Blue Shield of Alabama. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The participating employers contribute a minimum of 50% of the designated cost under the Plan for individual health benefits for its participants, with the eligible participant contributing the remaining portion. In the event the trust fund balance is less than zero, the Sponsor will levy an assessment to the participating employers sufficient to bring the balance to zero or greater. Eligible employees submit claims to the trust for payment. COBRA premiums in the amount of \$173,459 were contributed to the Plan in 2024 (\$127,254 in 2023).

Plan Amendment

Effective January 1, 2024, the Plan was amended to include a High-Deductible Health Plan (HDHP) option for participants in addition to the Preferred Provider Organization (PPO) Health Plan option.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets; liabilities; benefit obligations, and changes therein; incurred but not reported claims payable; claims payable; and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**EAST ALABAMA MEDICAL CENTER VOLUNTARY EMPLOYEE
BENEFICIARY ASSOCIATION TRUST
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2024 AND 2023**

Cash

The Plan considers all cash balances and highly liquid investments with an initial maturity of three months or less as cash equivalents. The Plan maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts.

Plan Benefits

Health claims are recorded when paid. Plan obligations at September 30, for health claims incurred but not reported, are estimated by the Plan's service company in accordance with industry and plan averages.

Refunds

Refunds due from the Plan's pharmacy benefits manager are recorded when earned. Pharmacy rebates totaling \$4,516,017 have been netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits for the year ended September 30, 2024.

Subsequent Events

The Plan's management has evaluated subsequent events and their potential effects on these financial statements through July 15, 2025, the date in which these financial statements were available to be issued.

3. BENEFIT OBLIGATIONS

All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to, or on behalf of, participants and are then reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

4. ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third party claims administrators, in addition to legal, professional and accounting fees. These expenses are reported on the statement of changes in benefit obligations and net assets available for benefits net of reimbursed fees. Certain administrative expenses are paid by the Sponsor on behalf of the Plan.

**EAST ALABAMA MEDICAL CENTER VOLUNTARY EMPLOYEE
BENEFICIARY ASSOCIATION TRUST
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2024 AND 2023**

5. TAX STATUS

The VEBA trust, funding certain benefits of the Plan, received an exemption letter from the Internal Revenue Service (IRS) dated April 14, 2013, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time, the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. In accordance with this guidance, Plan management has determined that the Plan does not have any positions at September 30, 2024 and 2023, that it would be unable to substantiate. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan may be terminated at any time, subject to the provisions set forth in ERISA, with a majority vote of the trustees subject to ratification by the Board of Directors of the Sponsor. In the event of termination, the trustees shall apply the funds to best effectuate the general purposes of the Plan.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of September 30, 2024:

Net assets available for benefits per the financial statements	\$ 3,632,692
Less benefit obligations currently payable	<u>2,940,258</u>

**EAST ALABAMA MEDICAL CENTER VOLUNTARY EMPLOYEE
BENEFICIARY ASSOCIATION TRUST
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2024 AND 2023**

The following is a reconciliation of benefits paid to participants per the financial statements to Form 5500 for the year ended September 30, 2024:

Benefits paid to participants per the financial statements	\$ 30,029,801
Amounts currently payable at September 30, 2024	<u>2,940,258</u>
Benefits paid to participants per Form 5500	<u><u>\$ 32,970,059</u></u>

Amounts currently payable to or for participants, dependents and beneficiaries are recorded on the Form 5500 for benefit claims that have been processed and approved for payment, prior to September 30, but have not yet been paid as of that date.

8. RELATED PARTY TRANSACTIONS

East Alabama Medical Center provides to the Plan certain accounting and administrative services for which no fees are charged.

9. RISKS AND UNCERTAINTIES

The total value of the Plan's benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
