FORVIS, LLP

The undersigned (“We”) are providing this letter in connection with FORVIS’ audit of the financial statements of Favor TechConsulting, LLC 401(k) Profit Sharing Plan and Trust (the Plan) as of December 31, 2022 and for the year ended December 31, 2022 and supplemental schedule as of December 31, 2022.

Our representations are current and effective as of the date of FORVIS’ report: October 14, 2023.

Our engagement with FORVIS is based on our contract for services dated: July 28, 2023.

Our Responsibility & Consideration of Material Matters

We confirm that we are responsible for the fair presentation of the financial statements subject to FORVIS’ report in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor’s Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

Confirmation of Matters Specific to the Subject Matter of FORVIS' Report

We confirm, to the best of our knowledge and belief, the following:

Broad Matters

1. We have fulfilled our responsibilities, as set out in the terms of our contract, for the preparation and fair presentation of the financial statements and note disclosures in accordance with accounting principles generally accepted in the United States of America (GAAP).
2. We acknowledge our responsibility for the design, implementation, and maintenance of:
 - a. Internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
 - b. Internal control to prevent and detect fraud.
3. We have provided you with:
 - a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, documentation, and other matters.
 - b. The most current Plan instrument for the audit period, including all Plan amendments.
 - c. A draft of the Form 5500 that is substantially complete.
 - d. Additional information that you have requested from us for the purpose of the audit.
 - e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - f. There were no administrative committee meetings held through the date of this letter.
 - g. All significant contracts.
4. We acknowledge the Plan does not meet the definition of a "public entity" under generally accepted accounting principles.
5. We have responded fully and truthfully to all your inquiries.

Plan Design & Operations

6. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
7. The Plan is qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.
8. The Plan instrument has not been amended during the year.
9. The Plan has not obtained a determination letter from the Internal Revenue Service (IRS) stating that the Plan was in compliance with the applicable requirements of the IRC. The Plan is relying on the IRS approval of the nonstandardized pre-approved profit sharing plan that it is utilizing. The IRS has determined and informed the document sponsor by a letter dated October 6, 2020, that the non-standardized pre-approved profit sharing plan document was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.
10. The Plan has complied with the fidelity bonding requirements of ERISA.
11. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
12. We have reviewed the reports of all transactions processed by third-party services, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations, or uncorrected misstatements.
13. We have complied with the Department of Labor's regulations concerning the timely remittance of participant contributions and loan repayments.
14. As applicable, we have complied with the Department of Labor's regulations concerning the services provider fee disclosures in accordance with Sec. 408(b)(2).
15. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the Plan Sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.

16. We have evaluated whether there are conditions or events known or reasonably knowable, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year of the date of this letter without consideration of potential mitigating effects of management's plans not yet fully implemented and concluded substantial doubt does not exist.
17. We have noted an operational issue related to incorrect definition of compensation used in calculation of true up contribution. We believe the issue is not material to the overall financial statements and do not believe it has an impact on the tax status of the Plan. We are not aware of any operational issues other than that mentioned above.

Misappropriation, Misstatements, & Fraud

18. We have informed you of all current risks of a material amount that are not adequately prevented or detected by our procedures with respect to:
 - a. Misappropriation of assets.
 - b. Misrepresented or misstated assets or liabilities.

 - a. Management or employees who have significant roles in internal control over financial reporting, or
 - b. Others when the fraud could have a material effect on the financial statements.
20. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.
21. We have assessed the risk that the financial statements may be materially misstated as a result of fraud and disclosed to you any such risk identified.

Related Parties & Parties-In-Interest

In addition, we have disclosed to you all related-party transactions and amounts receivable from or payable to related parties of which we are aware, including any modifications during the year that were made to related-party transaction agreements which existed prior to the beginning of the year under audit, as well as new related-party transaction agreements that were executed during the year under audit.

26. We have disclosed to you all known instances of violations or noncompliance or possible violations or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements or as a basis for recording a loss contingency.
27. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the Plan.
