INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
the IUPAT District Council
No. 51 Vacation Fund

Opinion

We have audited the financial statements of the IUPAT District Council No. 51 Vacation Fund (the Fund), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of September 30, 2024 and 2023, the related statements of changes in net assets available for the benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Fund as of September 30, 2024 and 2023, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Fund amendments; administering the Fund; and determining that the Fund's transactions that are presented and disclosed in the financial statements are in conformity with the Fund's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**IUPAT DISTRICT COUNCIL NO. 51
VACATION FUND**

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2024 AND 2023

NOTE 1. DESCRIPTION OF THE FUND

The following description of the IUPAT District Council No. 51 Vacation Fund (the Fund), provides only general information. Participants should refer to the summary plan description and Fund regulations for a more comprehensive description of the Fund's provisions.

General - The Fund was established June 1, 2015. The Fund is maintained pursuant to collective bargaining agreements between the IUPAT District Council No. 51 (the Council), and various employers.

Benefits - The amount accumulated in each participant's vacation account as of the last day of October each year will be distributed on or about December 31 of that same year. The amount accumulated will consist of employer contributions on the participants behalf, plus a pro-rata share of investment income, if any and less a pro-rata share of annual Fund expenses.

Unclaimed Benefits - In the event that the Fund Administrator is unable to locate a participant in order to disburse that participant's account, the Fund Administrator will hold the amounts in the participant's accounts in abeyance for a period of two years. If the Fund Administrator is unable to locate the participant during that two-year period, upon the expiration of the two-year period, all of the participant's and his beneficiary's rights and claims to benefit from the Fund shall be forfeited. At September 30, 2024 and 2023, expired vacation benefit accounts totaled \$53,538 and \$15,602, respectively. These accounts may be used by the Fund Administrator for the operation and administration of the Fund.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements have been prepared using the accrual basis of accounting.

Funding Policy and Revenue Recognition - The contributions from participating employers are determine subject to the provisions of collective bargaining agreements with the Council. Contributions are accounted for as exchange transactions. The contributions are due on a monthly basis. It is the policy of the Trustees to pursue monies due.

Employer contributions due but not paid at year end are recorded as contributions receivable. The Fund believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits - Benefits are recognized upon distribution.

Benefit Obligations - The vacation benefits payable, estimated by the Fund's management, consists of unclaimed balance in the participant's vacation account for a period of two years.

Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Reclassification - Certain reclassifications have been made to prior year end amounts to conform to the current year presentation.

NOTE 3. TAX STATUS

The Fund obtained its latest determination letter in which the Internal Revenue Service stated that the Fund, as then designed, was in compliance with the applicable requirements under Section 501(c)(9) of the Internal Revenue Code and was, therefore, exempt from Federal income taxes. The Fund has been amended since receiving the determination letter. Fund management believes that the Fund is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Fund management to evaluate tax positions taken by the Fund and recognize a tax liability if the Fund has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Fund.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the trustees to continue the Fund in full force and effect. However, the right to discontinue the Fund is reserved to the trustees. In the event the fund terminates, the net assets of the Fund will be allocated as prescribed by the trustees and applicable laws.
