We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## INDEPENDENT AUDITOR'S REPORT - continued

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## INDEPENDENT AUDITOR'S REPORT - continued

### Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Reporting Requirements Under Department of Labor's Rules for the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**CENTRAL SUPPLY COMPANY, INC.  
GROUP BENEFIT PLAN**

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024

**NOTE 1 PLAN DESCRIPTION**

Central Supply Company, Inc. Group Benefit Plan (the Plan) provides group medical care (hospital, surgical, and major medical) benefits and weekly disability benefits. All active full-time (30 or more hours) employees are eligible. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). A Summary Plan Description is available which provides a comprehensive description of the Plan's provisions.

The amount paid in by employees through earnings' deductions are based on the employee's desired coverage. Contributions range from \$105 to \$315 per month. Central Supply Company, Inc. (the Company) contributes additional amounts needed to provide Plan benefits.

The Plan has acquired specific and aggregate excess liability insurance. The specific excess liability insurance covers claims over \$85,000 for the insurance contract year ending December 31, 2024. The aggregate excess insurance of \$1,000,000 covers aggregate claims in excess of the attachment factor of \$1,848,069 for the insurance contract year ending December 31, 2024.

**NOTE 2 SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Cash Equivalents

Cash equivalents include checking and money market savings accounts that are highly liquid. These accounts are maintained at one financial institution located in Indianapolis, Indiana. The balances subject the Company to concentration of credit risk as the balances occasionally exceed federally insured limits. No losses have been incurred to date.

Funding Policy

The Plan is funded through a separate trust with general assets of the Company and authorized payroll deductions withheld from Employees. The contributions are made by the Company and Employees to cover benefit payments.

Claims Payable

The Plan provides a liability for claims incurred, but not yet paid. At December 31, 2024 and 2023, the amount so determined was \$180,751 and \$263,303, respectively. The liability was determined based on actual claims paid and pending subsequent to the respective Plan year.

GROUP BENEFIT PLAN**

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2024

**NOTE 2 SIGNIFICANT ACCOUNTING POLICIES** - continued

Estimated Liability for Claims Incurred But Not Reported

In accordance with the Plan document, all claims must be reported to the third party administrator within twelve months after the Plan's year-end. It is the Plan's experience that claims are normally filed within the first three months of incurrence. Since the Estimated Liability for Claims Incurred But Not Paid, shown above, includes claims incurred during the respective Plan year and reported through April 30, 2025, no material unreported claims have been estimated. No actuarial valuation was necessary as the liability was determined based on subsequent claims paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Evaluation of Subsequent Events

The Company has evaluated subsequent events through July 10, 2025, which is the date the financial statements were available to be issued.

**NOTE 3 PARTIES-IN-INTEREST**

There were no non-exempt transactions during the year between the Plan and any parties-in-interest as defined by the Employee Retirement Income Security Act of 1974.

**NOTE 4 TAX STATUS**

The Plan obtained its latest determination letter on October 15, 1980, in which the Internal Revenue Service stated that the Plan, as then designated, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter, however, the Plan Administrator and the Plan's tax council believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.
