## Independent Auditor's Report

Plan Administrator  
JANUS Research Group 401(k) Plan  
Evans, Georgia

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of the JANUS Research Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedules (Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023), are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# JANUS Research Group 401(k) Plan

## Notes to the Financial Statements

---

### 1. Description of the Plan

The following description of the JANUS Research Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document and any amendments thereto for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering all employees of JANUS Research Group, LLC (the Company, or Plan Sponsor) except for employees covered by a collective bargaining agreement and nonresident aliens not receiving any earned income from the Company constituting United States source income. Employees are eligible after completion of one-month of employment with the Company. Plan entry dates for eligible employees are the first day of each month. The Plan was most recently restated effective September 30, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Under the terms of a Stock Purchase Agreement dated September 30, 2022, the Plan Sponsor, JANUS Research Group, LLC acquired 100% of the common stock of Cape Henry Associates, Inc. (Cape Henry). The acquisition was effective October 1, 2022.

#### *Plan Merger*

Effective April 19, 2023, the Cape Henry Associates, Inc. 401(k) Plan (the Cape Henry Plan) merged into the Plan. Net assets totaling \$4,430,961 were transferred, which included \$80,031 of outstanding loans. On that effective date, participants who merged from the Cape Henry 401(k) Plan became fully vested in their prior safe harbor non-elective and discretionary matching contributions.

#### *Trustee, Custodian and Administration of the Plan*

The trustee of the Plan is FMTC, and the custodian and recordkeeper of the Plan is Fidelity Management Trust Company, LLC (collectively, Fidelity). The administrator of the Plan is Fidelity Workplace Services and the Company. Fidelity holds all assets of the Plan in accordance with the service provider contract with the Company. The Company's management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### *Contributions*

Each year, participants may defer a portion of their pretax pay to the Plan subject to an annual limit of the lesser of 90% of eligible compensation or Internal Revenue Code (IRC) limitations. Participants who have attained age fifty (50) before the end of the Plan year are eligible to make catch-up contributions in accordance with IRC limitations. The Plan also allows for Roth 401(k) contributions. The Plan is intended to qualify as a participant-directed plan under Section 404(c) of ERISA, which means participants direct the investment of their contributions into various investment options offered by the Plan.

Effective August 12, 2015, the Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at six percent (6%) of eligible compensation. Employees who are automatically enrolled are enrolled on the first entry date that falls thirty (30) days after their date

## Notes to the Financial Statements

---

of hire. The automatic enrollment provision excludes all employees hired or rehired prior to August 12, 2015. Contributions are automatically invested in designated funds based on the participant's date of birth until changed by the participant.

The Company contributes 50% of the first 6% of base compensation that a participant contributes to the Plan as a non-discretionary matching contribution. The Company may also make discretionary non-elective contributions (profit-sharing). These amounts may be contributed at the option of the Company's Board of Directors and will be allocated to the participant accounts on the last day of the Plan year for eligible employees. Rollovers from other qualified retirement plans or conduit Individual Retirement Accounts or Annuities (IRA) are accepted by the Plan if the employee meets the eligibility requirements of the Plan. All investments in the Plan are directed by the participants including employer contributions.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, including amounts rolled over from other qualified plans, the Company's contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are immediately vested in their voluntary contributions and rollover contributions, plus actual earnings thereon. Company profit sharing and non-elective contributions are immediately fully vested. Vesting in the Company's non-discretionary matching contributions, plus earnings thereon, is based on years of continuous service. A participant is vested according to the following schedule:

| Years of Service | Vested Percentage |
|------------------|-------------------|
| Less than 1 year | -%                |
| 1                | 30%               |
| 2                | 60%               |
| 3                | 100%              |

On the effective date, the Cape Henry employees will be subject to the same vesting schedule above for all future Company contributions.

### ***Payment of Benefits***

Upon termination of service due to death, disability, retirement or any other reason, a participant or beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account. Participants may elect to receive a distribution of their vested account balance in a single lump sum as early as possible following the day of termination. If the account balance is \$5,000 or greater, election to defer payment can be made. For balances under \$5,000, the Plan Administrator will direct Fidelity, that any amount exceeding \$1,000 be distributed

to an IRA for the participant's benefit. If the vested account balance is \$1,000 or less, the Plan Administrator will direct the Trustee to distribute it to the participant as a lump-sum distribution without consent. Participants may also receive a distribution of their elective deferral contributions in the event of proven financial hardship.

### ***Forfeited Accounts***

Forfeitures result from nonvested Company contributions remaining in the Plan for all terminated employees. Upon reaching the break-in-service requirement, as defined in the Plan Agreement, forfeitures generated are retained in the Plan and may be used to pay administrative expenses or to reduce future employer contributions payable under the Plan. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$14,931 and \$17,090, respectively. During 2023, \$114,077 of forfeited nonvested accounts were utilized to pay administrative expenses and employer contributions.

### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum of the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance in their account during the prior 12-month period. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through monthly payroll deductions. Each participant may not have more than one outstanding loan at any time. These loans are subject to certain restrictions as defined by the Plan Document and applicable restrictions under the IRC.

## **2. Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

### ***Use of Estimates***

The preparation of financial statements in accordance with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from estimated amounts.

### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 4 for further information on fair value measurements.

The Plan's shares of mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds or a money market fund that are registered

# JANUS Research Group 401(k) Plan

## Notes to the Financial Statements

---

with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's investment in the money market fund is generally short-term money market funds valued using \$1 per unit for the unit value. Fidelity reports the market and quotes the prices, on a daily basis, that are available to market participants. The investments are valued at amortized cost, which approximates fair value.

The John Hancock Stable Value Fund I6 is a collective investment trust (CIT) valued at the net asset value (NAV) of units held. The NAV, as provided by the trustee of the CIT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the CIT less its liabilities. This practical expedient is not used when it is determined to be probable that the CIT will sell for an amount different than the reported NAV. The CIT provides for daily redemptions by the Plan at reported NAV with no advance notice. There are no unfunded commitments related to the investment. The CIT is a direct filing entity.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### ***Contributions Receivable***

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Non-elective/Profit sharing contributions are recorded in the period in which the contribution has been declared in accordance with the terms in the Plan document.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at the unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

### ***Payment of Benefits***

Benefits are recorded when paid.

### ***Administrative Expenses***

The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor as provided by the Plan Agreement. Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are, therefore, excluded from these financial statements. Investment-related expenses are included in net depreciation in fair value of investments. Fees for the administration of participant-initiated transactions are included in administrative expenses and charged directly to the participant's account.

# JANUS Research Group 401(k) Plan

## Notes to the Financial Statements

---

### 3. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity, a qualified institution.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental schedule of assets (held at end of year), including assessing whether the supplemental schedule of assets (held at end of year) is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

# JANUS Research Group 401(k) Plan

## Notes to the Financial Statements

There have been no changes in the methodologies used at December 31, 2023 and 2022. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

### December 31, 2023

|                                            | Level 1       | Level 2 | Level 3 | Total         |
|--------------------------------------------|---------------|---------|---------|---------------|
| Mutual funds                               | \$ 52,962,739 | \$ -    | \$ -    | \$ 52,962,739 |
| <b>Total Investments, measured at NAV*</b> | -             | -       | -       | 79,799        |
| <b>Total Investments, at fair value</b>    | \$ 52,962,739 | \$ -    | \$ -    | \$ 53,042,538 |

### December 31, 2022

|                                         | Level 1       | Level 2 | Level 3 | Total         |
|-----------------------------------------|---------------|---------|---------|---------------|
| Mutual funds                            | \$ 36,848,384 | \$ -    | \$ -    | \$ 36,848,384 |
| <b>Total Investments, at fair value</b> | \$ 36,848,384 | \$ -    | \$ -    | \$ 36,848,384 |

\* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

## 5. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are in funds and accounts that are managed by Fidelity or its subsidiaries and affiliates. Participant loan and distribution processing fees are paid to Fidelity by participants. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

## 6. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

## 7. Operational Compliance

During the period from January 1, 2023 through April 19, 2023, it was discovered that certain of the Plan's provisions were not properly applied in the daily operations of the Plan. The Plan Sponsor allowed all previous employees of Cape Henry Associates, Inc., who became employees of JANUS Research Group effective January 1, 2023, to continue making contributions to the Cape Henry Plan and the Plan Sponsor and therefore these individuals were not permitted the opportunity to participate in this Plan. Neither plan adopted the appropriate amendments to permit this treatment, and therefore, this is considered to be an operational defect. The Company is in the

# JANUS Research Group 401(k) Plan

## Notes to the Financial Statements

---

process of determining the appropriate corrective action for this error and determining any amounts due. The amount of any corrective contributions or distributions are not known. The Company will make corrections as soon as administratively feasible.

### 8. Delinquent Participant Contributions

During the Plan year ended December 31, 2023, participant contributions and loan repayments totaling \$161,115 were not remitted to the Plan within the period prescribed by DOL regulations. These transactions constitute non-exempt party-in-interest transactions and prohibited transactions as defined by ERISA. The Company is in the process of correcting these transactions. The related lost earnings are expected to be remitted to the Plan during 2025.

### 9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to reduce or discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their entire account balances.

### 10. Income Tax Status

The Plan uses a pre-approved plan document sponsored by Fidelity. Fidelity received an opinion letter from the IRS, dated June 30, 2020, which states that the pre-approved plan document, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
