INDEPENDENT AUDITOR'S REPORT

To the Trustees of
the Korber Pharma Packaging Materials LLC 401(k) Plan
Camden, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **KORBER PHARMA PACKAGING MATERIALS LLC 401(k) PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **KORBER PHARMA PACKAGING MATERIALS LLC 401(k) PLAN**'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **KORBER PHARMA PACKAGING MATERIALS LLC 401(k) PLAN** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **KORBER PHARMA PACKAGING MATERIALS LLC 401(k) PLAN**'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **KORBER PHARMA PACKAGING MATERIALS LLC 401(k) PLAN's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the **KORBER PHARMA PACKAGING MATERIALS LLC 401(k) PLAN's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presently fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 1 – Description of Plan

The following description of the Korber Pharma Packaging Materials LLC 401(k) Plan ("the Plan") provides only general information. The Plan was amended effective August 1, 2024 to change the Plan name from Contemporary Graphics, Inc. 401(k) Plan to Korber Pharma Packaging Materials LLC 401(k) Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General:** The Plan is a defined contribution plan established for the benefit of the employees of Korber Pharma Packaging Materials LLC ("the Company"). The President of the Company and the Executive Vice President of Finance serve as the Trustees. The plan assets are held by Transamerica Life Insurance Company Inc. ("TLIC") and the Participant Record Keeper of the Plan is Estate & Pension Advisory Board ("Record Keeper"). The Plan is intended to satisfy all the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code ("IRC") and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Trustees of the Plan are responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.
2. **Eligibility:** Employees of the Company who have reached 18 years of age and have completed one year of continuous employment are eligible to participate in the Plan. For the employer discretionary matching contribution, the participant must be employed on the last day of the Plan year.
3. **Participant Accounts:** Each participant account is credited with the participant's elective deferral contributions, as well as allocations of the Company's discretionary matching contributions, the Plan's investment earnings, net of investment expenses, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 1 – Description of Plan (continued)

4. **Contributions:** Participants may make salary deferral contributions in any percentage of their pretax annual compensation, as defined in the Plan, up to a maximum of \$23,000 in 2024. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 in 2024. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover”). A discretionary matching contribution of 100% of the participants’ contributions, limited to a maximum contribution of 2% of the participants’ annual compensation in the amount of \$137,092 was made to employees based on the deferrals made into the Plan in 2024. The match was deposited into the Plan in February 2025. A discretionary matching contribution of 25% of the participants’ contributions, limited to a maximum contribution of 8% of the participants’ annual compensation in the amount of \$110,686 was made to employees based on the deferrals made into the Plan in 2023. The match was deposited into the Plan in March 2024. Participants direct the investment of their contributions and employer match into various pooled separate accounts as investment options for participants. Participants may change their investment options quarterly via contact with the Record Keeper.
5. **Vesting:** Participants are immediately 100% vested in their salary deferral contributions plus actual earnings thereon. The portion of the participants' accounts attributable to the Company’s discretionary matching contributions becomes 20% vested after 2 years of service, as defined, and continues to vest at the rate of 20% for each successive year of service until 100% is vested after 6 years of service.
6. **Payment of Benefits:** Upon termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or receive installment payments subject to minimum distribution rules. For termination of service for other reasons, a participant may either directly roll over their vested account balance to an individual retirement account or another employer plan, or receive a distribution of the balance as a lump-sum payment.

Note 1 – Description of Plan (continued)

6. **Payment of Benefits (continued):** The Plan also provides for in-service distributions for participants who have attained age 59 ½. A participant may elect a partial withdrawal with respect to in-service distributions only. The Plan also provides for hardship withdrawals subject to specified terms and conditions.
7. **Forfeited Accounts:** At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$1,567 and \$1,593, respectively. These accounts may be used to reduce Company discretionary matching contributions and to pay the cost of administration of the Plan. For the year ended December 31, 2024, there were \$2,346 of forfeitures and the account earned net gains of \$28. For the year ended December 31, 2023, \$2,400 of forfeitures were used to pay plan administrative expenses.
8. **Notes Receivable from Participants:** Participants may borrow from their fund account a minimum of \$1,000 up to a maximum of \$50,000 reduced by the excess of the highest outstanding loan balance in the twelve months prior over the outstanding balance on the date of the loan or 50% of their vested account balance, whichever is less. Loans are secured by no more than 50% of the participant's account balance, bear interest at a rate of Prime plus 2% (9.50% and 10.50% as of December 31, 2024 and 2023) and are amortized over a maximum of five years, or up to ten years for the purchase of a principal residence. Principal and interest is paid ratably through payroll deductions. The Plan allows for five outstanding loans per participant at any time.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 2 – Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan’s valuation policies utilizing information provided by the investment advisors and insurance company. See Note 4 to the financial statements for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan’s gains on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits payments to participants are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Note 2 – Summary of Significant Accounting Policies (continued)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions. The Plan distributed the 2023 excess contributions to the applicable participants in March 2024. The Plan distributed the 2024 excess contributions to the applicable participants in February 2025.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Note 3 – Investments Certified by Transamerica Life Insurance Company Inc. (“TLIC”)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified by TLIC as complete and accurate, except for comparing such information certified by TLIC to information included in the Plan’s financial statements and supplemental schedule:

	<u>2024</u>	<u>2023</u>
Pooled separate accounts	\$ 8,511,375	\$ 8,005,960
Notes receivable from participants	\$ 163,937	\$ 133,781
	<u>2024</u>	
Investment income:		
Net appreciation in fair value of investments	\$ 778,717

Note 4 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used only when Level 1 inputs are not available. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. There are no plan assets that are classified in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled separate accounts: Valued at net asset value (“NAV”), as a practical expedient, based on the market value of the underlying investments. The NAV is not a publicly quoted price in an active market. The pooled separate accounts are comprised of interests in registered investment companies.

(FORMERLY CONTEMPORARY GRAPHICS, INC 401(k) PLAN)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 4 – Fair Value Measurements (continued)

All of the Plan’s investments at fair value are pooled separate accounts which are valued at NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented below are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments at Fair Value at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Investments measured at net asset value		
Pooled separate accounts	\$ 8,511,375	\$ 8,005,960

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Plan Level Redemption Notice Period</u>
<u>December 31, 2024</u>				
Pooled separate accounts	\$8,511,375	N/A	Daily	None
<u>December 31, 2023</u>				
Pooled separate accounts	\$8,005,960	N/A	Daily	None

Note 5 – Tax Status

The Internal Revenue Service has determined and informed Estate & Pension Advisory Board by a letter dated June 30, 2020, that the Non-Standardized Pre-Approved Profit Sharing Plan sponsored by Estate & Pension Advisory Board, and adopted by the Plan, constitutes a qualified plan under Section 401(a) of the Internal Revenue Code (“IRC”) and is, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Non-Standardized Pre-Approved Profit Sharing Plan advisory letter has been relied upon by this plan. The Plan has been amended since receiving the tax advisory letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore the plan is qualified and the related trust is tax exempt.

**KORBER PHARMA PACKAGING MATERIALS LLC 401(k) PLAN
(FORMERLY CONTEMPORARY GRAPHICS, INC 401(k) PLAN)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 5 – Tax Status (continued)

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

Note 7 – Related Party Transactions

All the Plan investments are pooled separate accounts managed by TLIC. TLIC is the insurance company, as defined by the Plan and, therefore, transactions related to these investments qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through the Plan, rather than direct payments. Fees paid by the Plan to TLIC for administrative expenses amounted to \$7,072 for the year ended December 31, 2024.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**KORBER PHARMA PACKAGING MATERIALS LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

Note 8 – Risks and Uncertainties (continued)

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2024 may not necessarily be indicative of amounts that could be realized in a current market exchange.
