INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
GGA 401(k) PEP

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of GGA 401(k) PEP (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section –

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4 - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Their report dated September 25, 2024 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the GGA 401(k) PEP (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was adopted on November 1, 2019, and is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective January 1, 2021, the Plan qualifies as a Pooled Employer Plan (PEP) as described in Section 413(c) of the Internal Revenue Code (IRC). The Plan allows any affiliated or unaffiliated employers, as defined in the Plan document, to participate in the Plan (Participating Employers or Employers) if it accepts the terms of the Plan, trust, adoption agreement, and all related documents.

Participating Employers at December 31, 2024 include:

Platinum Enterprises Inc., dba Brightstar Care of Milford-Framingham
The DDC Group, Inc., dba Brightstar Care of S. Dayton/Warren
Canadian Fish Exporters, Inc.
Granite Group Advisors, LLC
New Beginnings Construction Inc.
Riverdale Pediatrics, P.C.
Thomas M. Anderson, Jr. D.D.S., P.A.
Turri-Masterson, Inc.
Zeedub LLC dba Brightstar of Fort Wayne
Out-Fit, A California Corporation (Outfit)
Renehan & Rossetti, LLP.
Top Seedz
Shamrock Enterprises, LLC (Shamrock)
Pelorus Management Group LLC (Pelorus)
Tomcat HC LLC dba Brightstar of Fort Wayne (Tomcat)

Shamrock became a participating employer during 2024 and seven participants rolled over \$5,263,374 to the Plan during the year. Pelorus became a participating employer during 2024 and transferred assets for six participants of \$178,500 from its prior plan during the year. Outfit left the Plan in April 2024 and the transfer of assets out of \$1,633,076 were transferred to a qualified plan. Zeedub LLC dba Brightstar of Fort Wayne, was merged into Tomcat during 2024 and the assets were moved via an inter-plan transfer.

Isolved, Inc. (Isolved) is the third-party administrator for the Plan. Mid Atlantic Trust Company (MATC) is the Plan's trustee.

On January 1, 2025, an additional employer joined the Plan, and the M2O Private Fund Investors LLC Retirement Savings Plan, merged into the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Eligibility

Each Employer may have different eligibility requirements however, generally, all eligible non-union employees become eligible to participate in the Plan between three months and one year of service and reaching the age of 21, while some participating employers have no age requirement. All eligible non-union employees of the Employers become eligible for employer contributions as defined below.

Contributions

Each year, participants may contribute up to the lesser of 100% of their compensation or the dollar limitation set forth in Section 402(g) of the IRC in effect at the beginning of each Plan year. Contributions may be made on a pre-tax basis, an after-tax basis (Roth deferral contributions), or a combination of the two. Eligible employees who have attained age 50 before the close of the Plan year may make catch-up contributions, up to the maximum allowed by the IRC, if permitted by the Participating Employer's Multiple Employer Participation Agreement (PPA). Contributions are subject to certain limitations. If elected by the Participating Employer, newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set as determined by the Participating Employer's PPA. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

Participating Employers may make matching contributions (Employer matching contributions) that may or may not be discretionary and vary by Participating Employer. An Employer matching contribution is generally made on a pay-period basis and based on the employee's deferral up to a varying limited percent of compensation. Further, certain Participating Employers may make discretionary contributions (Employer profit-sharing contributions), which are generally determined annually by individual Participating Employers and are allocated to eligible participant accounts based upon eligible compensation.

Participant Accounts

Each participant's account is credited with their contributions, allocations of discretionary Employer matching contributions and any discretionary Employer profit-sharing contributions, allocations of Plan earnings (losses) and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is based on each participant's vested account.

Vesting

Participants are immediately vested in the value of their salary deferral, rollover contributions, and related investment earnings. Employer contributions vest based on schedules specific to each Participating Employer and range from immediate vesting to a graduated vesting schedule over a six-year period.

Participants must be credited with a minimum of 1,000 hours of service during a Plan year to complete a year of vested service. A participant will become fully vested in Employer contributions, regardless of length of service, in the event of death or disability.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

As elected by each Participating Employer, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the balance in a participant's account. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

A participant's contributions and vested Employer contributions and associated earnings and losses may be withdrawn upon retirement on or after the attainment of normal retirement age of 65, termination of employment, death, or disability. Upon retirement, disability, death or termination of employment, the total vested amount of a participant's account that is less than \$5,000, is automatically distributed to the participant or his/her beneficiary, as applicable, in a lump sum payment. Other forms of payment include installment payments, single life annuities, joint and survivor annuities, fixed period annuities, and any other annuity and withdrawal option as provided under the funding vehicle contract. Participants may also request an in-service withdrawal after age 59½ or hardship withdrawals upon meeting certain requirements as outlined by the IRS.

Forfeitures

Amounts forfeited by participants who terminate from the Plan prior to being 100% vested will be used to pay administrative expenses or to reduce subsequent participating employer matching contributions to the Plan. In 2024, employer matching contributions were reduced by \$22,799 by using forfeited non-vested accounts. The total forfeited balance available at December 31, 2024 and 2023, was \$4,879 and \$36,272, respectively.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Investments Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Plan Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan document. Certain other administrative expenses of the Plan are paid by the Participating Employers. Investment fees are paid by the Plan in the form of reductions of net investment income earned by Plan participants.

Subsequent Events

The Plan has evaluated subsequent events through July 15, 2025, the date the financial statements were available for issuance.

NOTE 3 - CERTIFIED INVESTMENTS

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including all investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, dividends and other income, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by MATC, the custodian of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2024 and 2023.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. The funds must to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 20,744,493</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 20,744,493</u>
	2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 17,974,553</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,974,553</u>

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments were managed by MATC. Isolved is the third-party recordkeeper for the Plan. As MATC is the Plan's trustee and Isolved is the third-party recordkeeper, these transactions qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

At any time under the Plan and subject to the provisions of ERISA, the Participating Employers have the right to discontinue their contributions, the Participating Employers may withdraw from participation under the Plan, and the Participating Employers have the right to terminate the Plan. Although the Participating Employers have not expressed an intention to do so, in the event that such actions are taken, participants would become or 100% vested in their account balances.

NOTE 7 - TAX STATUS

The Plan has been designed using a Non-Standardized Pre-Approved prototype plan document. The Plan obtained its opinion letter dated January 22, 2021. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities and investment contracts. Investment are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ended December 31, 2024, there were unintentional delays by one of the participating Employers in remitting certain participant deferral contributions in the amount of \$410 to MATC within the period prescribed by the Department of Labor's regulations. The Plan has processed the lost earnings resulting from these delays and has remitted the appropriate lost earnings of \$6 to the accounts of the affected participants in June 2025.
