## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Mitchell's Salon and Day Spa, Inc. 401(k) Plan  
Cincinnati, OH

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the accompanying financial statements of Mitchell's Salon and Day Spa, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Mitchell's Salon and Day Spa 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for

the Audit of the Financial Statements section of our report. We are required to be independent of Mitchell's Salon and Day Spa, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitchell's Salon and Day Spa, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mitchell's Salon and Day Spa, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitchell's Salon and Day Spa, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedule Required by ERISA***

The supplemental schedule of the Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MITCHELL'S SALON AND DAY SPA, INC., 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Mitchell's Salon and Day Spa, Inc. (the "Company") 401(k) Plan (the "Plan") is provided for general information. Participants should refer to the agreement governing the Plan (the "Plan Agreement") for a more complete description of the Plan's provisions.

General

The Plan which became effective January 1, 1989 and was restated effective July 1, 2023, is a defined contribution plan covering all employees of the Company who have completed three months of service and are at least twenty-one years of age. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA), as amended. Enrollment in the Plan is allowed on the first day of the month following the date the employee becomes eligible to participate.

Contributions

Effective July 1, 2023, the Plan was restated to automatically enroll participants at 5% of eligible compensation on a pre-tax basis as defined in the Plan Agreement, up to the total annual deferral limits set by the Internal Revenue Code (\$23,000 in 2024; thereafter as adjusted by the Secretary of the Treasury) in a calendar year. Participants who have attained age 50 and before the end of the Plan year are eligible to make catch-up contributions (up to \$7,500 in 2024). Participant may also elect to contribute a specific percentage or dollar amount of compensation on an after-tax Roth deferral basis. Participants may also contribute amounts representing distributions from other qualified plans. The Company may make discretionary matching and profit sharing contributions under the Plan.

Employee Investment Options

Upon enrollment in the Plan, participants may direct contributions among investment choices offered by the Plan. The Plan currently offers mutual funds through an insurance investment contract as investment options for participants. There are no nonparticipant-directed investments in the Plan. All investments are based upon the participants' elections.

Participant Accounts

Participants' accounts are valued on a daily basis based on quoted market prices. Each account is credited with the participant's contributions and allocations of net investment earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, including rollovers, plus actual earnings thereon. Discretionary Company contributions, if any, are subject to a graded vesting schedule over a six-year period.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 – DESCRIPTION OF PLAN (Continued)**

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of \$50,000 reduced by the highest outstanding loan balance in the previous twelve months, or 50% of their vested account balance, whichever is less. Loans are secured by the balance in the participant's account and bear interest at a commercially reasonable rate. Principal and interest are paid ratably through bi-weekly payroll deductions, generally not exceeding 60 months, unless the loan is for the purchase of a primary residence which is repaid over up to 360 months. Outstanding loan balances become due and payable upon the occurrence of a distributable event. Participants may take up to four (4) loans at any point.

Payment of Benefits

Upon termination of service due to death, retirement, disability, or other reasons, the participant or a designated beneficiary may receive a distribution amount equal to the value of the participant's vested interest in his or her account. Distributions may be in a single lump sum, installments, or partial withdrawals depending on vested account balance. Hardship distributions and in-service distributions are permitted as defined by the Plan Agreement.

Forfeitures

Any non-vested balance is forfeited upon termination of service. Forfeitures may be used to pay administration expenses. As of and for the years ended December 31, 2024 and 2023, there were no forfeited non-vested balances.

Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

New Provisions

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. The most significant changes impacting existing plan provisions included updates to required minimum distributions (RMDs) and hardship distribution rules, expanded eligibility of part-time employees, modifications to catch-up contribution rules and options for the plan sponsor to make matching contributions to an employee's retirement account based on employee's student loan payment. SECURE Act 2.0 amendments must be adopted by December 31, 2025, for calendar year plans. Plan documents are to be updated in accordance with the provisions of SECURE Act 2.0.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Presentation

The accompanying financial statements have been prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for its fully benefit-responsive investment contract which is valued at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements. Investments in fully benefit-responsive investment contracts are valued at the fair value of the underlying investment and then adjusted by the issuer to contract value.

The net appreciation (depreciation) in the fair value of investments is reflected in the Statements of Changes in Net Assets Available for Benefits and includes realized gains and losses on investments bought and sold and the change in fair value from one period to the next. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Acquisition costs are included in the cost of investments purchased and sales are recorded net of selling expenses.

Fully Benefit Responsive Investment Contract

The Voya Fixed Account is an obligation of Voya Retirement Insurance and Annuity Company (VRIAC) general account which supports all of the company's insurance annuity commitments. All guarantees are based on the financial strength and claims-paying ability of VRIAC, who is solely responsible for all obligations under its contracts.

The Voya Fixed Account guarantees minimum rates of interest and may credit interest that exceeds the guaranteed minimum rates. Daily credited interest becomes part of principal and the investment increases through compound interest. All amounts invested by your plan in the Voya Fixed Account receive the same credited rate. This is known as a portfolio method of interest rate crediting.

VRIAC may impose restrictions on the ability to move funds into or out of this investment option or among investment options in general. These restrictions help VRIAC to provide stable credited interest rates which historically have not varied significantly from month to month despite the general market's volatility in new money interest rates.

The Voya Fixed Account guarantees principal and a guaranteed minimum interest rate (GMIR) for the life of the contract, as well as featuring two declared interest rates: a current rate, determined at least monthly, and a guaranteed minimum floor rate declared for a defined period - currently one calendar year. The GMIR may vary by participant based on the date the participant established an account under the VRIAC contract. The guaranteed minimum floor rate may change after a defined period, but it will

**MITCHELL'S SALON AND DAY SPA, INC., 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

never be lower than the GMIR that applies for the life of the contract. The current rate, the guaranteed minimum floor rate and the GMIR are expressed as annual effective yields. Taking the effect of compounding into account, the interest credited to your account daily yields the then current credited rate.

VRIAC's determination of credited interest rates reflects a number of factors, which may include mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of invested assets. Under this option, VRIAC assumes the risk of investment gain or loss by guaranteeing the principal amount you allocate to this option and promising a minimum interest rate during the accumulation period and also throughout the annuity payout period, if applicable.

If an event should ever occur such that realization of full contract value for a particular investment contract is no longer probable (for example, a significant decline in creditworthiness of VRIAC), the stable value fund may no longer be considered fully benefit-responsive.

Terms of the contract require all permitted participant-initiated transactions with the fund to occur at contract value with no conditions, limits, or restrictions. Permitted participant-initiated transactions are those allowed by the Plan, such as withdrawals for benefits, loans, or transfers to other funds within the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term, and those changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

Market conditions may result in a high degree of volatility and increase the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

Administrative Expenses

The Company absorbs significant costs of Plan administration related to legal, accounting, audit, recordkeeping, and general administration. Investment advisory fees and other expenses related to the administration of the Plan are paid either by the Plan, the Company, or the participants.

Payment of Benefits

Benefits are recorded when paid.

**MITCHELL'S SALON AND DAY SPA, INC., 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable are reclassified based upon the terms of the Plan document. Deemed and defaulted loans reclassified as distributions were \$7,151 and \$0 for the years ended December 31, 2024 and 2023.

**NOTE 3 – INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The Plan has a group annuity investment contract with Voya Retirement Insurance and Annuity Company (VRIAC). VRIAC maintains the investments in a pooled separate account which is stated at contract value as reported to the Plan by VRIAC, based on the quoted market prices of the underlying mutual funds. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

**NOTE 4 – RELATED PART AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds managed by Voya Retirement Insurance and Annuity Company. This company is affiliated with Voya Institutional Trust Company, the Plan custodian, and Voya Institutional Plan Services, LLC, the Plan record keeper, so transactions involving these investments qualify as party-in- interest transactions. Fees and commissions paid by the Plan Sponsor to Voya for investment management services totaled \$400 and \$300 during the years ended December 31, 2024 and 2023, respectively.

Fees and commissions paid from Plan assets totaled \$3,250 and \$2,625 during the years ended December 31, 2024 and 2023, respectively. In addition, the Company provides certain accounting and administrative services to the Plan for which no fees are charged.

**NOTE 5 – TAX STATUS**

The Plan has adopted a standardized form of a prototype plan sponsored by Voya Retirement Insurance and Annuity Company, who has represented that the prototype plan qualifies under Section 401(a) of the Internal Revenue Code. The Plan has not requested a determination letter specific to the Plan itself. However, the Plan administrator believes the Plan was designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**NOTE 6 – PLAN AMENDMENTS**

The Plan implemented an automatic enrollment to the plan of 5% of compensation for each payroll period during the Plan year ended December 31, 2023. The Plan has been amended to reflect these adoptions.

**NOTE 7 – UNAUDITED INFORMATION CERTIFIED BY TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan has certified as to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the supplemental Schedule H line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, and the related investment activity reflected in the statement of changes in net assets available for benefits for the years ended December 31, 2024 and 2023. Accordingly, as permitted under this election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to this information, except for comparing such information to the information included in the Plan's financial statements and supplemental schedule.

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified as complete and accurate by the trustee.

	2024	2023
Investments at fair value	\$ 10,073,043	\$ 8,483,331
Investments at contract value	\$ 70,382	\$ 62,281

**NOTE 8 – FAIR VALUE MEASUREMENTS**

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1      Inputs to the valuation methodology are based on quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.  
assets or liabilities in active markets that the Plan has the ability to access.
- Level 2      Inputs to the valuation methodology are based on quoted prices in markets that are not active or for which significant inputs are observable either directly or indirectly.
- Level 3      Inputs to the valuation methodology are based on inputs that are unobservable and significant to the overall fair value measurement.

When available, quoted market prices are used to determine the fair value of investments held in the Plan, and such items are classified within Level 1 of the fair value hierarchy. The level to which an asset or liability is classified is based upon the lowest level of input that is significant to the fair value measurements.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 8 – FAIR VALUE MEASUREMENTS (Continued)**

The following is a description of the valuation methodologies used for instruments measured at fair value, as well as general classifications of such instruments pursuant to the valuation hierarchy. There has been no changes in methodologies at December 31, 2024 or 2023.

*Money market funds:* Valued at the closing price reported on the active market on which the individual securities are traded, which approximates fair value.

*Mutual funds:* These investments are valued at the daily closing price as reported by the fund. They are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price.

*Common collective trusts:* These investments are tax-exempt, pooled investment vehicles maintained by the trustee which only sell to institutional investors. Trustee relies on independent pricing services to calculate net asset value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at estimated fair value as of December 31, 2024.

	Level 1	Level 2	Level 3	Total
Self-directed investment accounts				
Money market funds	\$ 1,330	\$ -	\$ -	\$ 1,330
