Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Imagine One, Ltd 401(k) & Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN

General

The following description of Imagine One, Ltd 401(k) & Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. It is subject to the provisions of the Employees' Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was originally effective January 1, 2003.

The Internal Revenue Service (IRS) requires sponsors of preapproved 401(k), profit-sharing, and money purchase plans to restate their retirement plan documents every six years to reflect all legislative and regulatory changes since the last restatement. Fidelity Management Trust Company (Fidelity) completed the restatement of the Plan for the current IRS restatement, known as the Cycle 3 Restatement effective March 5, 2021.

The restatement incorporates an updated listing of participating employers, listing of company's entity type, removal of trustee election from the Plan Document, additional required fields for discretionary Employer Matching Contributions, and IRS-required amendments such as the Bipartisan Budget Act. The restatement also adds boilerplate language that the IRS has been requiring in 401(k) documents. This restatement does not make any substantive design changes to the 401(k) plan.

Trustee (Custodian) and Administration of the Plan

The trustee (custodian) and recordkeeper of the Plan is Fidelity. The administrator of the Plan is the Company. The trustee (custodian) holds all assets of the Plan in accordance with the service provider contract with the Company. The Profit Sharing Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

The Plan is a defined contribution plan covering substantially all employees of Imagine One Technology & Management, Ltd., (the Company or Employer) unless they are covered by a collective bargaining agreement or leased employees, who are 18 years old and who have completed three months of service. Employees are eligible for employer matching contributions upon completion of six months of service. Employees are eligible for discretionary non-elective employer contributions (profit-sharing contributions) upon completion of one year of service with at least 1,000 hours of service during the year of service. An eligible participant can enter the Plan immediately upon meeting the eligibility requirements stated above.

DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions

Each year, participants may contribute up to 75% of pre-tax annual compensation, as defined in the Plan, not to exceed dollar limits set by law. The Plan also allows participants to make catch-up contributions for individuals who are aged 50 or over. The Company matches participant contributions equal to 33% of the first 6% of compensation. Participants may elect to make after-tax Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company may also make a non-elective discretionary contribution (profit sharing contribution) to the Plan as a supplemental contribution for participants who are employed by the Company at the end of the year for which the contribution is made and if they completed at least 1,000 hours of service during the Plan year. Employees are exempt from the last day or hours of service requirement if they experience one of the following events during the Plan year, death, disability, or normal retirement of later of the later of age 65 (not less than 55 or greater than 65) or the fifth anniversary of the participant's employment commencement date. No non-elective discretionary contributions were made for the year ending December 31, 2024.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, Company match and profit sharing contribution, allocations of net Plan earnings, and charged with an allocation of administrative expenses, where applicable. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various mutual fund options offered by the Plan.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. A participant is 100% vested in employer matching and discretionary non-elective contributions after five years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance in their account during the prior 12-month period. Notes Receivable are secured by the balance in the participant's account and bear interest at rates of prime plus 1%. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years unless the loans were used to purchase a primary residence. Notes receivable from participants are subject to certain restrictions as defined by the Plan Document and applicable restrictions under the Internal Revenue Code (IRC).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or rollover their vested interest into a qualified individual retirement account. The Plan also allows hardship distributions under certain circumstances, as defined in the Plan Document. Participants may also withdrawal an amount at age 59½ if certain criteria are met.

Immediate lump-sum distributions may be made to terminated participants if the participant's vested account balance is \$5,000 or less. For terminated participants with vested balances greater than \$1,000 but less than \$5,000, their vested balance may be automatically rolled into an IRA unless otherwise elected.

Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$138,370 and \$510,615, respectively. These accounts may be used to pay administrative expenses and reduce future employer contributions. Approximately \$28,404 of the forfeited funds in the account were used to pay administrative expenses and \$406,452 were used to to fund employer contributions in 2024.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 – Fair Value Measurements for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

IMAGINE ONE, LTD 401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued unpaid interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

The Plan has an ERISA spending account agreement with Fidelity. The Plan received ERISA spending account revenue of \$6,059 recorded as Fair Value Appreciation on the statement of changes in net assets available for benefits during the year ended December 31, 2024. Expenses totaling \$-0- were paid through the ERISA spending account during the year ended December 31, 2024, and have been recorded as administrative expenses on the statement of changes in net assets available for benefits. As of December 31, 2024 and 2023, the ERISA spending account totaled \$12,245 and \$6,001 respectively.

Subsequent Events

The Plan has evaluated subsequent events through July 15, 2025, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

IMAGINE ONE, LTD 401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

There have been no changes in the methodologies used at December 31, 2024 or 2023. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts (CCT's) – Valued at the NAV of units of a collective trust fund. The NAV, as provided by the trustee of the CCT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the CCT less its liabilities. This practical expedient is not used when it is determined to be probable that the CCT will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 20,690,363	\$ -	\$ -	\$ 20,690,363
*CCT - Stable Value at NAV	-	-	-	3,593,488
Total Investments at Fair Value	\$ 20,690,363	\$ -	\$ -	\$ 24,283,851

	2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 20,729,097	\$ -	\$ -	\$ 20,729,097
*CCT - Stable Value at NAV	-	-	-	1,172,086
Total Investments at Fair Value	\$ 20,729,097	\$ -	\$ -	\$ 21,901,183

**In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items present in the statements of net assets available for benefits.*

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan:

Year Ended December 31,	Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
2024	Stable Value Fund	\$ 3,593,488	None	Daily	None
2023	Stable Value Fund	\$ 1,172,086	None	Daily	None

NOTE 4 CERTIFIED INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution.

IMAGINE ONE, LTD 401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 4 CERTIFIED INVESTMENT INFORMATION (CONTINUED)

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 5 RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in funds and accounts that are managed by Fidelity. Participant loan and distribution processing fees are paid to Fidelity by participants. The Plan paid for third-party administrator fees, investment advisory, and Plan audit fees which qualify as party-in-interest transactions. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 TAX STATUS

The Plan adopted a non-standardized form of prototype plan sponsored by Fidelity. The prototype plan received a determination letter from the IRS dated June 30, 2020, as to the prototype plan's qualified status. The prototype plan's opinion letter has been relied upon by the Plan. The Plan has been amended since receiving the determination letter. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 8 RISKS AND UNCERTAINTIES

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Imagine One, Ltd 401(k) & Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN

General

The following description of Imagine One, Ltd 401(k) & Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. It is subject to the provisions of the Employees' Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was originally effective January 1, 2003.

The Internal Revenue Service (IRS) requires sponsors of preapproved 401(k), profit-sharing, and money purchase plans to restate their retirement plan documents every six years to reflect all legislative and regulatory changes since the last restatement. Fidelity Management Trust Company (Fidelity) completed the restatement of the Plan for the current IRS restatement, known as the Cycle 3 Restatement effective March 5, 2021.

The restatement incorporates an updated listing of participating employers, listing of company's entity type, removal of trustee election from the Plan Document, additional required fields for discretionary Employer Matching Contributions, and IRS-required amendments such as the Bipartisan Budget Act. The restatement also adds boilerplate language that the IRS has been requiring in 401(k) documents. This restatement does not make any substantive design changes to the 401(k) plan.

Trustee (Custodian) and Administration of the Plan

The trustee (custodian) and recordkeeper of the Plan is Fidelity. The administrator of the Plan is the Company. The trustee (custodian) holds all assets of the Plan in accordance with the service provider contract with the Company. The Profit Sharing Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

The Plan is a defined contribution plan covering substantially all employees of Imagine One Technology & Management, Ltd., (the Company or Employer) unless they are covered by a collective bargaining agreement or leased employees, who are 18 years old and who have completed three months of service. Employees are eligible for employer matching contributions upon completion of six months of service. Employees are eligible for discretionary non-elective employer contributions (profit-sharing contributions) upon completion of one year of service with at least 1,000 hours of service during the year of service. An eligible participant can enter the Plan immediately upon meeting the eligibility requirements stated above.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions

Each year, participants may contribute up to 75% of pre-tax annual compensation, as defined in the Plan, not to exceed dollar limits set by law. The Plan also allows participants to make catch-up contributions for individuals who are aged 50 or over. The Company matches participant contributions equal to 33% of the first 6% of compensation. Participants may elect to make after-tax Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company may also make a non-elective discretionary contribution (profit sharing contribution) to the Plan as a supplemental contribution for participants who are employed by the Company at the end of the year for which the contribution is made and if they completed at least 1,000 hours of service during the Plan year. Employees are exempt from the last day or hours of service requirement if they experience one of the following events during the Plan year, death, disability, or normal retirement of later of the later of age 65 (not less than 55 or greater than 65) or the fifth anniversary of the participant's employment commencement date. No non-elective discretionary contributions were made for the year ending December 31, 2024.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, Company match and profit sharing contribution, allocations of net Plan earnings, and charged with an allocation of administrative expenses, where applicable. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various mutual fund options offered by the Plan.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. A participant is 100% vested in employer matching and discretionary non-elective contributions after five years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance in their account during the prior 12-month period. Notes Receivable are secured by the balance in the participant's account and bear interest at rates of prime plus 1%. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years unless the loans were used to purchase a primary residence. Notes receivable from participants are subject to certain restrictions as defined by the Plan Document and applicable restrictions under the Internal Revenue Code (IRC).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or rollover their vested interest into a qualified individual retirement account. The Plan also allows hardship distributions under certain circumstances, as defined in the Plan Document. Participants may also withdrawal an amount at age 59½ if certain criteria are met.

Immediate lump-sum distributions may be made to terminated participants if the participant's vested account balance is \$5,000 or less. For terminated participants with vested balances greater than \$1,000 but less than \$5,000, their vested balance may be automatically rolled into an IRA unless otherwise elected.

Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$138,370 and \$510,615, respectively. These accounts may be used to pay administrative expenses and reduce future employer contributions. Approximately \$28,404 of the forfeited funds in the account were used to pay administrative expenses and \$406,452 were used to to fund employer contributions in 2024.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 – Fair Value Measurements for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**IMAGINE ONE, LTD 401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued unpaid interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

The Plan has an ERISA spending account agreement with Fidelity. The Plan received ERISA spending account revenue of \$6,059 recorded as Fair Value Appreciation on the statement of changes in net assets available for benefits during the year ended December 31, 2024. Expenses totaling \$-0- were paid through the ERISA spending account during the year ended December 31, 2024, and have been recorded as administrative expenses on the statement of changes in net assets available for benefits. As of December 31, 2024 and 2023, the ERISA spending account totaled \$12,245 and \$6,001 respectively.

Subsequent Events

The Plan has evaluated subsequent events through July 15, 2025, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

IMAGINE ONE, LTD 401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

There have been no changes in the methodologies used at December 31, 2024 or 2023. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts (CCT's) – Valued at the NAV of units of a collective trust fund. The NAV, as provided by the trustee of the CCT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the CCT less its liabilities. This practical expedient is not used when it is determined to be probable that the CCT will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 20,690,363	\$ -	\$ -	\$ 20,690,363
*CCT - Stable Value at NAV	-	-	-	3,593,488
Total Investments at Fair Value	\$ 20,690,363	\$ -	\$ -	\$ 24,283,851

	2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 20,729,097	\$ -	\$ -	\$ 20,729,097
*CCT - Stable Value at NAV	-	-	-	1,172,086
Total Investments at Fair Value	\$ 20,729,097	\$ -	\$ -	\$ 21,901,183

**In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items present in the statements of net assets available for benefits.*

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan:

Year Ended December 31,	Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
2024	Stable Value Fund	\$ 3,593,488	None	Daily	None
2023	Stable Value Fund	\$ 1,172,086	None	Daily	None

NOTE 4 CERTIFIED INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution.

IMAGINE ONE, LTD 401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 4 CERTIFIED INVESTMENT INFORMATION (CONTINUED)

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 5 RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in funds and accounts that are managed by Fidelity. Participant loan and distribution processing fees are paid to Fidelity by participants. The Plan paid for third-party administrator fees, investment advisory, and Plan audit fees which qualify as party-in-interest transactions. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 TAX STATUS

The Plan adopted a non-standardized form of prototype plan sponsored by Fidelity. The prototype plan received a determination letter from the IRS dated June 30, 2020, as to the prototype plan's qualified status. The prototype plan's opinion letter has been relied upon by the Plan. The Plan has been amended since receiving the determination letter. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

**IMAGINE ONE, LTD 401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 8 RISKS AND UNCERTAINTIES

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.
