Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **FRANK, RIMERMAN & CO., LLP**

(2) EIN: **94-1341042**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

- a** Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)
- b** Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)
- c** Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)
- d** Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)
- e** Was this plan covered by a fidelity bond?
- f** Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?
- g** Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?
- h** Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?
- i** Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)
- j** Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)
- k** Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?
- l** Has the plan failed to provide any benefit when due under the plan?
- m** If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)
- n** If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the EIT, LLC 401k Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of March 08, 2024, and the related statement of changes in net assets available for benefits for the period from January 1, 2024 through March 08, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of March 08, 2024 and for the period from January 1, 2024 through March 08, 2024, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to the participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Emphasis of Matter – Plan Termination

As described in Note 1 to the financial statements, During 2023, the Board of Directors of the Plan approved conversion and termination of the Plan. Effective December 28, 2023, the Plan was terminated and contributions to the Plan ceased. On March 8, 2024, all assets of the Plan were liquidated and transferred into a new plan.

Other Matter - 2023 Financial Statement

The Plan's statement of net assets available for benefits as of December 31, 2023 was audited by a predecessor auditor. The predecessor auditor performed an ERISA Section 103(a)(3)(C) audit and their report, dated October 10, 2024, stated (a) the amounts and disclosures in the financial statement, other than those agreed to or derived from certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the financial statement related to assets held by and certified to by the qualified institution agreed to or was derived from, in all material respects, the information prepared and certified by a qualified institution management determined met the requirements of ERISA Section 103(a)(3)(C).

EIT, LLC 401k Profit Sharing Plan

Notes to Financial Statements

1. Description of Plan

Electronic Instrumentation & Technology, LLC. (the Company) and affiliated companies that have adopted the plan (collectively, the Employer) established The EIT, LLC 401k Profit Sharing Plan (the Plan), effective January 1, 1984, to provide participants with a means to fund their retirement on a tax-deferred basis. The following description of the Plan, as amended and restated, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

During 2023, the Board of Directors of the Plan approved conversion and termination of the Plan. An application for termination was filed in 2024. Subsequent to December 28, 2023, no employee contributions, loan payments or new loans were allowed into or out of the Plan. On March 8, 2024, all assets of the Plan were liquidated and transferred into a new plan.

General:

The Plan was a defined contribution plan the Internal Revenue Code (the Code) and applicable state laws. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company was the Plan sponsor and Plan administrator. The Plan's trustee for shares of mutual funds held in a qualified trust was Delaware Charter Guarantee & Trust Company (Delaware Charter), a wholly-owned affiliate of Principal Life Insurance Company (Principal). Principal was the investment custodian of pooled separate accounts, and a common/collective trust held under a group annuity contract (the Contract) and was the Plan's record keeper. Company employees served as trustees for assets held under the Contract.

An administrative committee, consisting of Company employees, helped administer the Plan and was responsible for selecting investment options offered under the Plan and monitoring investment performance.

Eligible Participants:

Employees of the Employer covered by a collective bargaining agreement were not eligible for participation unless otherwise indicated in the collective bargaining agreement. All other employees, as defined by the Plan agreement, aged 18 or older, were eligible to participate in the Plan on the first day of the month following the completion of three months of service.

1. Description of Plan (continued)

Contributions:

Participants were permitted to make contributions to the Plan through pre-tax salary reduction and Roth after-tax contributions up to 100% of annual compensation, as defined by the Plan agreement. Participants who had reached the age of 50 could also elect to withhold additional catch-up contributions under the Code. In addition, participants could contribute amounts representing distributions from other tax-qualified plans (rollovers), subject to Code regulations.

The Plan provided for automatic enrollment on the date employees became eligible to participate in the Plan. The automatic election for eligible participants was 3% of their compensation, unless the participants requested a different amount to be contributed or formally declined participation.

The Company was required to make safe harbor matching contributions. The Company contributed 25% of the first 6% of base compensation that a participant contributed to the Plan. Contributions were allocated to participant accounts based on participant annual compensation. Participants were eligible for contributions for years during which the participant worked 1,000 or more hours.

The Company could also make discretionary matching and profit-sharing contributions, at the discretion of the Company's Board of Directors. The Company did not make any discretionary contributions in 2024.

Contributions were subject to certain limitations under the Code.

Participant Accounts:

Participant accounts were credited with participant contributions, Company contributions, rollovers, and an allocation of the Plan's net earnings or losses. Allocations were based on participant earnings or account balances, in accordance with the Plan agreement. The benefit to which participants were entitled is the benefit that could be provided from the participant accounts.

Participants could elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants could authorize transfers among investment options at any time.

Notes to Financial Statements

1. Description of Plan (continued)

Vesting:

Participants were immediately vested in their contributions, plus actual earnings thereon, less administrative expenses charged by the Plan. Vesting in Employer matching and discretionary contributions was determined based on a graded vesting schedule, with participants becoming fully vested after completing six years of service.

Forfeitures:

The forfeited non-vested portion of terminated participant account balances could either be used to pay administrative expenses or to reduce future Employer contributions.

Notes Receivable from Participants:

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes were reclassified as distributions based upon the terms of the Plan agreement.

Participants could borrow up to one-half of their account balance, a minimum of \$1,000 and not to exceed \$50,000, for a period not to exceed five years, except for notes used to purchase a primary residence for which terms of up to thirty years are permitted. Participants could only have one note outstanding. Participant notes were evidenced by a written note, secured by the balance in the participant's account, and bore interest at the prime rate, as published in The Wall Street Journal on the 14th day of the month the note was granted, plus 1%. Repayment of principal and interest was generally made through payroll deductions.

Payment of Benefits:

On termination of service, participants could elect to leave their account balances in the Plan or receive benefits. Benefits were paid in a lump-sum cash distribution equal to the value of the participant vested account balances. Upon termination, the Plan could immediately elect to distribute participant account balances without participant consent if the balance was \$5,000 or less. For distributions between \$1,000 and \$5,000, account balances were rolled into individual retirement accounts on behalf of the participants without participant consent. Distributions would be in the form of a check for account balances less than \$1,000. Benefits were recorded when paid.

EIT, LLC 401k Profit Sharing Plan Notes to Financial Statements

1. Description of Plan (continued)

Plan Expenses:

The investment fund options were subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees were charged directly against the fund's investment performance and, thus, were not separately disclosed in the Plan's financial statements. Certain transaction and maintenance fees were paid by the Plan. All other administrative expenses related to the Plan were paid by the Company and are not reflected in these financial statements.

Risks and Uncertainties:

Participants could invest their account balances in a variety of investment options offered by the Plan. Investments were exposed to various risks, such as interest rate, market fluctuation, and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible changes in risk in the near term could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's financial statements were prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP required the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments:

Investments were accounted for as follows:

Mutual Funds: Mutual funds were valued at the net asset value (NAV) of shares held by the Plan at year end based on quoted prices in an active market.

EIT, LLC 401k Profit Sharing Plan Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Investments: (continued)

Pooled Separate Accounts: These accounts were separate from Principal's general fund account and consisted of shares in various mutual funds. The investment in each separate account was expressed in 'units'. The value of each separate account is recorded at the close of each business day at fair value based on unit value reported by Principal. The 'unit value' is calculated by dividing the value of the entire account by the total number of units in the account. The value of the Plan's investment in each separate account on any date is determined by multiplying the number of units held by the unit value.

Common/Collective Trust (CCT): The Principal Stable Value Preferred Fund is a CCT and stable value fund that is composed primarily of fully benefit-responsive investment contracts. Units held in the CCT are valued using the NAV practical expedient as an estimate of the CCT's fair value, as determined by the CCT manager. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV of the CCT is calculated based on the compilation of primarily observable market information.

The NAV practical expedient would not be used if it is determined to be probable the Plan will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidated will be carried out in an orderly business manner. The Plan has no unfunded commitments with the CCT.

Guaranteed interest contract: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

EIT, LLC 401k Profit Sharing Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Investments: (continued)

For those assets with fair value measured using Level 3 inputs, the plan investment committee determines the fair value measurement policies and procedures in consultation with the Plan's chief financial officer and trustee. Those policies and procedures are reassessed at least annually to determine if the current valuation techniques are still appropriate. At that time, the unobservable inputs used in the fair value measurements are evaluated and adjusted, as necessary, based on current market conditions and other third party information.

Fair Value Measurement:

The Plan used a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability as of the measurement date. The three-level hierarchy prioritizes within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

The three levels of the fair value hierarchy are as follows:

- Level I:** Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level II:** Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level III:** Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement: (continued)

Investments at fair value as of December 31, 2023 under the three-level hierarchy are as follows:

<u>Investments</u>	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Mutual funds	\$ 8,703,165	\$ -	\$ -	\$ 8,703,165

Total	<u>\$ 8,703,165</u>	<u>\$ 1,190,430</u>	<u>\$ 1,835,790</u>	<u>\$ 11,729,385</u>

The CCT, valued based on the NAV practical expedient, is excluded from the fair value hierarchy under GAAP.

Income Recognition:

Purchases and sales of investments were recorded on a trade date basis. Interest income was recorded on the accrual method of accounting. Dividends were recorded on the ex-dividend date. Net appreciation included the gains and losses on the Plan's investments bought, sold or held during the periods.

3. Information Prepared and Certified by Plan Trustee and Investment Custodian

Delaware Charter, as the Plan's trustee, and Principal, as the Plan's investment custodian, has certified the fair value of investments and net income that were used in the preparation of the financial statements. The following table summarizes the certified information as of:

	<u>March 21, 2024</u>	<u>December 31, 2023</u>

Notes to Financial Statements

4. Party-In-Interest Transactions

Certain Plan assets were invested in funds offered by Principal. Principal, as the Plan's investment custodian, was a party-in-interest of the Plan. As a result, transactions related to these investments were considered party-in-interest transactions.

5. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2023:

Net assets available for benefits per the financial statements	\$ 13,312,582
Adjustment from contract value to fair value for fully benefit-responsive investment contract	<u>(63,704)</u>
Net assets available for benefits per Form 5500	<u>\$ 13,248,878</u>

The following is a reconciliation of change in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the period from January 1, 2024 through March 08, 2024:

Change in net assets available for benefits per the financial statements	\$ (13,312,582)
Adjustment from contract value to fair value for fully benefit-responsive investment contract as of December 31, 2023	<u>63,704</u>
Change in net assets available for benefits per Form 5500	<u>\$ (13,248,878)</u>

6. Nonexempt Prohibited Transactions

In 2023, the Company did not remit participant contributions and note repayments totaling \$40,164 to the Plan timely, as required by the Department of Labor (DOL). The Company remitted lost earnings on the delinquent remittances in 2024.

The DOL considers these late remittances to be nonexempt prohibited transactions with the Employer, which could jeopardize the Plan's tax-exempt status.

EIT, LLC 401k Profit Sharing Plan

Notes to Financial Statements

7. Income Tax Status

The Plan obtained a favorable tax determination letter dated June 30, 2020 from the Internal Revenue Service (IRS) stating the Plan, as designed, was in compliance with the applicable requirements of the Code. The Plan had been amended and restated since receipt of the letter. However, the Company believed the Plan was being operated in substantial compliance with the applicable requirements of the Code and related state statutes and, was therefore, qualified and the trust that formed a part of the Plan is exempt from federal and state income taxes.

GAAP requires Plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded, as of March 08, 2024, there are no uncertain income tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there were no audits for any tax periods in progress. The Plan administrator believes the Plan was subject to income tax examinations for all years after 2021.

8. Subsequent Events

Subsequent events have been evaluated through June 24, 2025, which is the date the financial statements were approved by the Plan administrator and available to be issued.

Subject: Request for Waiver/Abatement – Form 5500 Delayed Filing

We respectfully submit this statement to explain the circumstances surrounding the delayed filing of our Form 5500 and associated 401(k) audit report.

Due to the unexpected termination of our Lead HR Representative during a critical compliance period, we experienced a disruption in our internal processes. This necessitated the urgent recruitment of a new audit team, which further contributed to the delay. Additionally, the plan in question covered only a partial year, which added complexity to the transition and audit preparation. Funds were officially transferred on March 8, 2024.

Despite these challenges, we made good faith efforts to comply with all filing requirements. As soon as the oversight was identified, we took immediate corrective action to complete the necessary audit and filings. We are committed to maintaining full compliance with ERISA and IRS regulations and have implemented internal controls to prevent recurrence.

Given the unintentional nature of the delay and our prompt corrective measures, we respectfully request consideration for a waiver and abatement of any potential penalties in connection with this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Jerri S. White'.
