## Independent Auditor's Report

Board of Trustees  
Paul Collins Jr. Scholarship Fund

### Opinion

We have audited the accompanying financial statements of the Paul Collins Jr. Scholarship Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and plan benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and plan benefit obligations for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits and changes in plan benefit obligations for the years ended December 31, 2024 and 2023 in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 16 through 17 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on page 18 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

## Independent Auditor's Report

Board of Trustees  
Paul Collins Jr. Scholarship Fund

### Opinion

We have audited the accompanying financial statements of the Paul Collins Jr. Scholarship Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and plan benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and plan benefit obligations for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits and changes in plan benefit obligations for the years ended December 31, 2024 and 2023 in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 16 through 17 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### **Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on page 18 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

### **NOTES TO FINANCIAL STATEMENTS**

**YEARS ENDED DECEMBER 31, 2024 AND 2023**

#### **Note 1 - Description of Plan and Significant Accounting Policies**

The following description of the Paul Collins Jr. Scholarship Fund (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

##### ***General***

The Plan first became effective December 17, 1996 and is a scholarship benefit plan established under an Agreement and Declaration of Trust pursuant to collective bargaining agreements between the International Association of Sheet Metal, Air, Rail and Transportation Local Union 137 (the "Union") and various employers and employer associations in the sheet metal industry in the New York and New Jersey metropolitan areas. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Management has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.

##### ***Purpose and participation***

The purpose of the Plan is to provide scholarships to eligible participants for undergraduate tuition in an accredited college or university. All members in good standing with the Union, whose employers contribute to this Plan, their spouses, children, and children of deceased members (within 2 years of death), are eligible participants. A non-partisan selection committee chooses the scholarship recipients with assistance from an outside professor, who monitors the application and award process. The recipients are chosen based on the results of an examination administered by the scholarship committee or professor. The scholarship will continue for a maximum of four years, subject to the student maintaining matriculation, demonstrating academic progress, and proof of enrollment. Scholarship awards are paid to the family of the recipient upon proof of registration and payment of tuition.

##### ***Benefits***

Scholarship benefits are determined by the Plan's Trustees. The Trustees determine the number and value of scholarships granted annually based on the financial status of the Plan. The current benefit is \$2,000 per semester, with a maximum of 4 years study.

##### ***Plan termination***

The Trustees expect and intend to continue the Plan indefinitely, but reserve the right to amend or terminate it as provided for by the applicable Trust Agreement and Plan provisions. If the Plan is terminated, trust assets will be used to pay all expenses under the terms of the Plan in the order of priority specified in the Plan and as otherwise required by law.

**PAUL COLLINS JR. SCHOLARSHIP FUND**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEARS ENDED DECEMBER 31, 2024 AND 2023**

**Note 1 - Description of Plan and Significant Accounting Policies (cont'd)**

***Basis of accounting***

The financial statements are presented on the accrual basis of accounting.

***Use of estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

***Investment valuation and income recognition***

The Plan's investments are stated at fair value. See "Fair value measurements" footnote for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Employers' contributions receivable***

Employers' contributions receivable is estimated based on receipts in the subsequent plan year that pertain to prior plan years.

The Plan, in its normal course of business, performs audits of the records of contributing employers to monitor compliance with their obligation to make contributions to the Plan. It is the Plan's policy that any employer contributions due to the Plan based on these procedures are recorded as income in the period in which such amounts are received.

***Lease***

The Plan assesses whether a contractual arrangement qualifies as a lease at inception and only reassesses its determination if the terms and conditions of the arrangement are modified. If an arrangement qualifies as a lease, the Plan evaluates whether it should be classified as an operating or financing lease.

**PAUL COLLINS JR. SCHOLARSHIP FUND**

**NOTES TO FINANCIAL STATEMENTS**

**YEARS ENDED DECEMBER 31, 2024 AND 2023**

**Note 1 - Description of Plan and Significant Accounting Policies (cont'd)**

***Lease (cont'd)***

For leases assessed as long-term, lease right-of-use assets represent the Plan's right to use the underlying asset for the lease term and lease liabilities represent the Plan's obligation to make lease payments arising from the leases. The Plan records a lease liability based on the future estimated cash payments discounted over the non-cancellable portion of the lease term. In the event an implicit discount rate is not readily determined in lease agreements, the Plan uses the risk-free Treasury rate at the lease commencement date in determining the present value of future lease payments. Lease right-of-use assets may include lease payments made and exclude lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Plan will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

***Administrative expense allocation***

The administrative office is occupied by the Plan and its related Union, Annuity, Insurance and Apprenticeship Training Funds. Certain expenses not specifically applicable to a particular entity are allocated based on the estimated benefit received by each entity. Amounts reported as receivable from related organizations or payable to related organizations generally include balances for shared expenses.

Reimbursements paid to related organizations for the years ended December 31, 2024 and 2023 were \$31,986 and \$32,917, respectively.

***Other benefit obligations***

Plan obligations for scholarships payable is based upon the dollar amount of the remaining scholarships payable at December 31, assuming all recipients will receive the maximum allowable scholarship under the program (four years). Future benefit obligations are reduced in the period that any recipient ceases to maintain matriculation or proof of enrollment.

**Note 2 - Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices, in active markets, for identical assets that the Plan has the ability to access.

**PAUL COLLINS JR. SCHOLARSHIP FUND**

**NOTES TO FINANCIAL STATEMENTS**

**YEARS ENDED DECEMBER 31, 2024 AND 2023**

**Note 2 - Fair value measurements (cont'd)**

Level 2 inputs to the valuation methodology include: quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement. Level 3 inputs are generally based on the best information available, which may include the reporting entity's own assumptions and data.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Interest bearing cash: Valued at cost.

Investments measured at net asset value: Common/collective trust funds are estimated by the management of the investment.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables below are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**PAUL COLLINS JR. SCHOLARSHIP FUND**

**NOTES TO FINANCIAL STATEMENTS**

**YEARS ENDED DECEMBER 31, 2024 AND 2023**

**Note 2 - Fair value measurements (cont'd)**

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of December 31, 2024, with fair value measurements on a recurring basis:

	<u>2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<b>Investments at fair value</b>

Investments measured at net asset value	<u>600,417</u>			
Investments at fair value	\$ <u><u>637,925</u></u>			

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of December 31, 2023, with fair value measurements on a recurring basis:

	<u>2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<b>Investments at fair value</b>				
Interest bearing cash	\$ <u>18,907</u>	\$ <u>18,907</u>	\$ <u>-</u>	\$ <u>-</u>
Total assets in the fair value hierarchy	18,907	\$ <u><u>18,907</u></u>	\$ <u><u>-</u></u>	\$ <u><u>-</u></u>
Investments measured at net asset value	<u>600,955</u>			
Investments at fair value	\$ <u><u>619,862</u></u>			

**Note 3 - Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

### NOTES TO FINANCIAL STATEMENTS

#### YEARS ENDED DECEMBER 31, 2024 AND 2023

##### **Note 4 - Cash**

At times throughout the year the Plan may have, on deposit in banks, amounts in excess of FDIC insurance limits. The Plan has not experienced any losses in such accounts and the Trustees believe it is not exposed to any significant credit risks.

##### **Note 5 - Common/collective trust fund**

LongView Cash Management Fund (the "LongView Fund") is a tax-exempt, nonregistered fund established by Amalgamated Bank. The LongView Fund's investment objective is to provide investment results that approximate the performance of the Bloomberg 1-3 Month US Treasury Bill Index. Valuation is determined at the close of each business day, which excludes admissions and withdrawals that were executed on that day and not settled until next business day. Admissions and withdrawals may be made on each business day and, at the option of the LongView Fund's trustees, may be made in cash or in-kind or partly in cash and partly in-kind. In-kind contributions and withdrawals consist of investments at fair value at the date of admission or withdrawal. The estimated fair value of the Plan's investment as of December 31, 2024 and 2023, was \$600,417 and \$600,955, respectively.

##### **Note 6 - Employers' contributions**

In accordance with collective bargaining agreements, employers are required to make contributions to the Plan on behalf of employees performing covered work. Contributions are based on hourly rates.

##### **Note 7 - Special events**

During 2024, the Plan hosted a golf outing generating gross revenue of \$108,555, with related expenses of \$45,117.

During 2023, the Plan hosted a golf outing generating gross revenue of \$109,920, with related expenses of \$49,533.

##### **Note 8 - Party-in-interest transactions**

Certain Plan investments are held by the manager of the investment; therefore, transactions relating to those investments qualify as exempt party-in-interest transactions and are identified as such on the supplemental schedules of investments.

##### **Note 9 - Lease**

The Plan subleases office space from the Union, a related organization, in accordance with a lease that expires April 30, 2030. Rent is payable in monthly installments and is subject to escalations of approximately 3%, effective May 1 of each year. The Plan recognized a right-of-use asset and liability in connection with the lease.

**Note 12 - Tax status**

The trust funding the Plan has received an exemption letter from the IRS dated January 16, 2002, stating that the trust is tax exempt under the provisions of Section 501(c)(3) of the Internal Revenue Code ("IRC"). The Plan and trust are required to operate in conformity with the IRC to maintain the tax exempt status of the trust. The Trustees believe that the Plan, including amendments, is being operated in compliance with the applicable requirements of the IRC and, therefore, believe the related trust is tax exempt.
