Independent Auditor's Report

To the Trustees of the
Block Real Estate Services, LLC 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Block Real Estate Services, LLC 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Block Real Estate Services, LLC 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to benefits provided under the plan or to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Block Real Estate Services, LLC 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Block Real Estate Services, LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Block Real Estate Services, LLC 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and supplemental schedule of delinquent contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Block Real Estate Services, LLC 401(k) Savings Plan Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Block Real Estate Services, LLC 401(k) Savings Plan ("the Plan") provides only general information. Financial statement users should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and Eligibility

The Plan is a defined contribution plan available to all full-time employees of Block Real Estate Services, LLC; Block Construction Services, LLC; Block Hawley Commercial Real Estate Services, LLC; Block St. Louis, LLC; Block Landscape Solutions, LLC; Block Maintenance Solutions, LLC; Block Technology Solutions, LLC; BRES, Atlanta, LLC; Block Healthcare Development, LLC; BRES Multifamily, LLC; Block Multifamily Group, LLC; Pinnacle Construction Group, LLC; and BRES Partners, LLC, collectively, ("the Employer") who have attained the age of 21 and have completed three months of service. An employee may enter the plan on the first day following the attainment of the aforementioned eligibility requirements. The Employer serves as sponsor of the Plan and, as such, has the authority to amend or terminate the Plan subject to certain restrictions. American United Life Insurance Company ("AUL") was the trustee of the Plan for the years ended December 31, 2023 and 2022, and as such had the authority and responsibility to hold, manage and protect the assets of the Plan in accordance with the provisions of the Plan. The Employer contracted with OneAmerica Financial Partners ("OneAmerica") for general administration of the Plan and as such had the authority and responsibility for that aspect of plan operations. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute a portion of their annual compensation up to the maximum percentage allowable (100%) but may not exceed dollar amount limits set forth by Internal Revenue Service regulations. During the years ended December 31, 2023 and 2022, these limits were \$22,500 and \$20,500, respectively. Qualifying participants may also contribute limited catch-up deferrals. Employer discretionary contributions are equal to 25% of the participants elective deferral contributions up to 4% of annual pretax salary for both 2023 and 2022.

On April 1, 2022, the adoption agreement was amended to modify the Employer discretionary contribution where there may be an annual recalculation based on the ratio of elective deferrals to compensation for the Plan Year, and "true-up" contributions will be made accordingly.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and, (b) Plan earnings. The non-vested portion of any terminated employees' accounts are used to reduce the employer's contribution match.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options listed in the attached supplemental schedule.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in the account or a direct rollover to another qualified plan or IRA. While still employed, a member may withdraw any part of his or her account any time after reaching age 59 1/2.

Notes to Financial Statements**

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's discretionary contribution portion plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of service.

Years	< 2	2	3	4	5	6 or more
Vesting Percentage	0%	20%	40%	60%	80%	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0 for both years. These funds are used to reduce the employer contributions applicable to the plan year or the year following the forfeiture; during 2023 and 2022, \$8,409 and \$7,215, respectively, were used to reduce employer contributions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts.

**Block Real Estate Services, LLC 401(k) Savings Plan
Notes to Financial Statements**

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participants account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

In October 2024, the Employer entered into an agreement to change the Plan service provider to Voya Financial. The transition was completed in January 2025. The new service provider will assume responsibility for general administration of the Plan.

Subsequent events have been evaluated through June 30, 2025, which is the date the accompanying financial statements were available to be issued.

NOTE 3 - CERTIFICATIONS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by American United Life Insurance Company, the trustee of the Plan.

Block Real Estate Services, LLC 401(k) Savings Plan Notes to Financial Statements

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial asset or liability's classification within the hierarchy is determined based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts are valued at net asset value practical expedient, which is based on the latest quoted market price of investments held within the fund. In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy because of the NAV practical expedient. For those investments, unfunded commitments are not applicable, the redemption frequency (if currently eligible) is daily, and the redemption notice period is 12 months. A concentration exists in the Plan whenever any investment exceeds 10% of total assets; there were no concentrations at December 31, 2023 and 2022.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the years ended December 31, 2023 and 2022, there were no transfers between Level 1 and Level 2 or into and out of Level 3.

Block Real Estate Services, LLC 401(k) Savings Plan Notes to Financial Statements

NOTE 5 - STABLE VALUE ACCOUNT

The Plan's fully benefit-responsive stable value investment option with AUL is maintained in AUL's general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fixed interest investment option issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract may be subject to a market value adjustment upon contract termination. Crediting interest rates on the fixed fund portion of the insurance investment contract are determined annually by the issuer with a minimum rate of 0.50%, subject to limitations relating to Plan termination, early retirements, etc.

As described above, because the fixed interest investment option is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fixed interest investment option. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the Employer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

All Plan Investments are shares of pooled separate accounts and a stable value account managed by AUL, the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination participants will become 100% vested in their accounts.

Block Real Estate Services, LLC 401(k) Savings Plan
Notes to Financial Statements

NOTE 8 - TAX STATUS

The Plan has a non-standardized volume submitter plan document provided by American United Life Insurance Company (AUL). The plan sponsor received a favorable opinion letter dated November 30, 2020, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the volume submitter plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 - PROHIBITED TRANSACTIONS

During 2022, the Employer remitted certain participant contributions to the Plan late, aggregating \$50,999. During 2023, the Employer remitted certain participant contributions to the Plan late, aggregating \$39,232.

Subject: G39731 Block Real Estate Services LLC 401k Savings Plan 2023 Audit

Dear Sir/Madam,

I am writing on behalf of Block Real Estate Services LLC to inform you of the status of our Form 5500 filing for the plan year 2022-2023. Unfortunately, we have encountered delays in completing the required audit for the 2022-2023 plan year, which has impacted our ability to file Form 5500 for that period in a timely manner.

At this time, the Accountant's Opinion is not attached to this filing as the information required to complete the audit is not available. The plan audit will be completed as soon as possible upon receipt of the necessary information, and we will proceed with filing the completed Form 5500 promptly thereafter. We have engaged Creative Planning to complete the audits.

As we are still in the process of finalizing the 2022-2023 audit, we have not yet been able to initiate the audit for the 2023-2024 plan year. We understand the importance of adhering to filing deadlines and are working diligently to resolve the outstanding issues and complete the required audits as soon as possible.

We greatly appreciate your understanding of this matter and assure you that we are making every effort to comply with all necessary filing requirements.

Please do not hesitate to contact me if you require any additional information or documentation regarding this delay.

Thank you for your attention to this matter.

Sincerely,

Ellen Ochampaugh
Senior Manager of Human Resources and Insurance Compliance
