INDEPENDENT AUDITOR'S REPORT

To the Participants and Benefits Committee of the
BrandSafway 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of BrandSafway 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of BrandSafway 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of BrandSafway 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BrandSafway 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BrandSafway 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BrandSafway 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2023 and delinquent participant contributions for the year the ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BrandSafway 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the BrandSafway 401(k) Plan (the "Plan"), formerly known as the Brand Share 401(k) Savings and Profit-Sharing Plan, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution savings and profit-sharing plan established by Brand Services, Inc. (the "Company" or "Plan Sponsor"). The Plan covers eligible associates of the Company and its subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Each year participants may contribute on a pre-tax basis in increments of 1% up to 60% of eligible compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants are eligible to enter the Plan upon their date of hire.

Employees upon their date of hire are now eligible to elect pre-tax and post-tax Roth salary deferrals if they have attained the age of 21.

The Employer matching contribution percentage is made in accordance with the Plan document and related Plan amendments. The Company reserves the right to suspend or reduce its matching contributions for any Plan year or portion thereof. Additional profit-sharing amounts may be contributed at the option of the Company's Retirement Plan Investment Committee. No discretionary profit-sharing contributions were made during 2023 and 2022.

Effective January 1, 2022, the Plan adopted a safe harbor employer matching contribution. The Company makes matching contributions of 100% of the first 3% of the participant's contribution and 50% of the next 2% of the participant's contribution.

Participants direct the investment of employee and Company matching contributions into various investment options offered by the Plan. All contributions are subject to certain limitations as defined by the Plan and the Internal Revenue Code ("IRC").

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's contribution for the participant, and allocations of the Plan's earnings. Allocations are based on participant account balances or earnings, as defined by the Plan Document. The benefit to which a participant is entitled is the vested balance within the participant's account.

Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are fully vested in their contributions, rollover contributions, Company matching contributions, and the earnings thereon at all times. Participants typically become 100% vested in any discretionary profit-sharing contributions or non-elective contributions made by the Company after three years.

Forfeited accounts

Forfeited non-vested account balances are used to either pay expenses of the Plan, reduce contributions made by the Plan Sponsor, or restore previously forfeited amounts due to a break in service. There is no priority in the allocation. The forfeiture account balance was \$105,860 and \$109,533 at 2023 and 2022, respectively. Forfeitures in the amount of \$38,757 and \$54,081 were used to reduce Plan expenses during the years ending December 31, 2023 and 2022, respectively.

Notes receivable from participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, less the highest outstanding loan balance within the past 12 months. Loan terms range from one month to 60 months or from one month to 120 months in the case of loans to purchase a principal residence. The loans are secured by the balance in the participant's account and bear interest at a fixed annual rate of prime plus 1% or less on the day the loan is initiated. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

Upon termination of service due to death, disability, retirement or termination, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants, while employed by the Company, may elect to withdraw all or a portion of their vested account value when they attain the age of 59 ½ or if they experience a financial hardship, as defined.

The Plan contains an automatic cash out provision for terminated employees who have account balances of less than \$5,000.

Participant hardship withdrawals

Participants may withdraw from the Plan any portion of their vested account balance in the event of undue financial hardship. The maximum hardship withdrawal is 100% of the participant's total vested balance.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator and management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, and investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when incurred. No allowance for credit losses has been recorded as of 2023 and 2022.

Payment of benefits

Benefit payments are recorded when paid.

Expenses

Certain administrative expenses may be paid by the Plan Sponsor. Expenses for loan setup and maintenance fees are deducted from the participant's account at the time the loan is initiated and monthly thereafter throughout the duration of the loan. Overnight fees for expedited benefit payments initiated at the participant's request, as well as annual maintenance and participant fees are charged to terminated employees with balances remaining in the Plan.

Notes to Financial Statements
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Plan has evaluated subsequent events through July 21, 2025, the date the financial statements are available to be issued.

3. CERTIFICATION BY FIDELITY MANAGEMENT TRUST COMPANY

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from Fidelity Management Trust Company ("Fidelity") that all of the investment and participant note receivable information provided by Fidelity is complete and accurate. Information included in the accompanying financial statements as to investments, net realized and unrealized appreciation (depreciation) in fair value of investments, interest and dividend income, and all information in the supplemental Schedule of Assets (Held at End of Year) is presented in reliance solely upon those certifications.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in the inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BrandSafway 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

4. FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 81,475,450</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 81,475,450
Investments measured at net asset value (a)				<u>233,666,788</u>
				<u>\$ 315,142,238</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 60,177,497</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 60,177,497
Investments measured at net asset value (a)				<u>209,761,921</u>
				<u>\$ 269,939,418</u>

BrandSafway 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

4. FAIR VALUE MEASUREMENTS (continued)

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarized investments for which fair value has been measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively.

December 31, 2023:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust funds	\$ 233,666,788	\$ -	Immediate	12 months*

December 31, 2022:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust funds	\$ 209,761,921	\$ -	Immediate	12 months*

* Participant withdrawals made on the collective trusts can be initiated immediately. Plan Sponsor terminations of the contract can be initiated immediately. Disbursements of the funds for Plan Sponsor terminations will be provided as soon as practicable within twelve months following written notice.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

BrandSafway 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

7. TAX STATUS

On June 30, 2020, the IRS stated that the volume submitter prototype adopted by the Plan, as then designed, qualifies under the IRC section 401(a). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and interests in collective trust funds managed by Fidelity. Fidelity is the trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions allowable under ERISA regulations. Fees paid to the trustee for investment management services are incorporated into the return of the individual investments. Additionally, certain Plan expenses may be paid by the Company. Fees paid by the Plan to Fidelity were \$380,284 and \$417,710 for the plan years 2023 and 2022, respectively.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 324,602,739	\$ 278,263,722
Adjustment from contract value to fair value used for 5500 reporting	<u>(1,236,939)</u>	<u>(1,577,997)</u>

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

Changes in net assets available for benefits per the financial statements	\$ 46,339,017

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of BrandSafway 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of BrandSafway 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of BrandSafway 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BrandSafway 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BrandSafway 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BrandSafway 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2023 and delinquent participant contributions for the year the ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BrandSafway 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the BrandSafway 401(k) Plan (the "Plan"), formerly known as the Brand Share 401(k) Savings and Profit-Sharing Plan, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution savings and profit-sharing plan established by Brand Services, Inc. (the "Company" or "Plan Sponsor"). The Plan covers eligible associates of the Company and its subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Each year participants may contribute on a pre-tax basis in increments of 1% up to 60% of eligible compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants are eligible to enter the Plan upon their date of hire.

Employees upon their date of hire are now eligible to elect pre-tax and post-tax Roth salary deferrals if they have attained the age of 21.

The Employer matching contribution percentage is made in accordance with the Plan document and related Plan amendments. The Company reserves the right to suspend or reduce its matching contributions for any Plan year or portion thereof. Additional profit-sharing amounts may be contributed at the option of the Company's Retirement Plan Investment Committee. No discretionary profit-sharing contributions were made during 2023 and 2022.

Effective January 1, 2022, the Plan adopted a safe harbor employer matching contribution. The Company makes matching contributions of 100% of the first 3% of the participant's contribution and 50% of the next 2% of the participant's contribution.

Participants direct the investment of employee and Company matching contributions into various investment options offered by the Plan. All contributions are subject to certain limitations as defined by the Plan and the Internal Revenue Code ("IRC").

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's contribution for the participant, and allocations of the Plan's earnings. Allocations are based on participant account balances or earnings, as defined by the Plan Document. The benefit to which a participant is entitled is the vested balance within the participant's account.

BrandSafway 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are fully vested in their contributions, rollover contributions, Company matching contributions, and the earnings thereon at all times. Participants typically become 100% vested in any discretionary profit-sharing contributions or non-elective contributions made by the Company after three years.

Forfeited accounts

Forfeited non-vested account balances are used to either pay expenses of the Plan, reduce contributions made by the Plan Sponsor, or restore previously forfeited amounts due to a break in service. There is no priority in the allocation. The forfeiture account balance was \$105,860 and \$109,533 at 2023 and 2022, respectively. Forfeitures in the amount of \$38,757 and \$54,081 were used to reduce Plan expenses during the years ending December 31, 2023 and 2022, respectively.

Notes receivable from participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, less the highest outstanding loan balance within the past 12 months. Loan terms range from one month to 60 months or from one month to 120 months in the case of loans to purchase a principal residence. The loans are secured by the balance in the participant's account and bear interest at a fixed annual rate of prime plus 1% or less on the day the loan is initiated. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

Upon termination of service due to death, disability, retirement or termination, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants, while employed by the Company, may elect to withdraw all or a portion of their vested account value when they attain the age of 59 ½ or if they experience a financial hardship, as defined.

The Plan contains an automatic cash out provision for terminated employees who have account balances of less than \$5,000.

Participant hardship withdrawals

Participants may withdraw from the Plan any portion of their vested account balance in the event of undue financial hardship. The maximum hardship withdrawal is 100% of the participant's total vested balance.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator and management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, and investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when incurred. No allowance for credit losses has been recorded as of 2023 and 2022.

Payment of benefits

Benefit payments are recorded when paid.

Expenses

Certain administrative expenses may be paid by the Plan Sponsor. Expenses for loan setup and maintenance fees are deducted from the participant's account at the time the loan is initiated and monthly thereafter throughout the duration of the loan. Overnight fees for expedited benefit payments initiated at the participant's request, as well as annual maintenance and participant fees are charged to terminated employees with balances remaining in the Plan.

Notes to Financial Statements
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Plan has evaluated subsequent events through July 21, 2025, the date the financial statements are available to be issued.

3. CERTIFICATION BY FIDELITY MANAGEMENT TRUST COMPANY

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from Fidelity Management Trust Company ("Fidelity") that all of the investment and participant note receivable information provided by Fidelity is complete and accurate. Information included in the accompanying financial statements as to investments, net realized and unrealized appreciation (depreciation) in fair value of investments, interest and dividend income, and all information in the supplemental Schedule of Assets (Held at End of Year) is presented in reliance solely upon those certifications.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in the inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BrandSafway 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

4. FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 81,475,450</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 81,475,450
Investments measured at net asset value (a)				<u>233,666,788</u>
				<u>\$ 315,142,238</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 60,177,497</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 60,177,497

				<u>\$ 269,939,418</u>

4. FAIR VALUE MEASUREMENTS (continued)

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarized investments for which fair value has been measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively.

December 31, 2023:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust funds	\$ 233,666,788	\$ -	Immediate	12 months*

December 31, 2022:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust funds	\$ 209,761,921	\$ -	Immediate	12 months*

* Participant withdrawals made on the collective trusts can be initiated immediately. Plan Sponsor terminations of the contract can be initiated immediately. Disbursements of the funds for Plan Sponsor terminations will be provided as soon as practicable within twelve months following written notice.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

BrandSafway 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

7. TAX STATUS

On June 30, 2020, the IRS stated that the volume submitter prototype adopted by the Plan, as then designed, qualifies under the IRC section 401(a). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and interests in collective trust funds managed by Fidelity. Fidelity is the trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions allowable under ERISA regulations. Fees paid to the trustee for investment management services are incorporated into the return of the individual investments. Additionally, certain Plan expenses may be paid by the Company. Fees paid by the Plan to Fidelity were \$380,284 and \$417,710 for the plan years 2023 and 2022, respectively.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 324,602,739	\$ 278,263,722
Adjustment from contract value to fair value used for 5500 reporting	<u>(1,236,939)</u>	<u>(1,577,997)</u>
