Natural Delights 401(k) Plan
Yuma, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Natural Delights 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audits"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audits opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. **Summary of Significant Plan Provisions**

The following description of the Natural Delights 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. **General** – Effective September 1, 2023, an amendment was made to change the Plan's name to the Natural Delights 401(k) Plan, previously the Datepac 401(k) Plan, and become a multiple-employer plan with Bard Valley Date Growers Association as the Plan employer and Datepac, LLC ("Datepac") as a participating employer (collectively, the "Employers"). Previously, as the single employer, Datepac administered payroll for all employees. After the amendment, the Employers administered payroll separately for their own employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

b. **Eligibility** – Employees, who are not part of an ineligible class of employees, as defined in the Plan agreement, are eligible to participate in the Plan at the next entry date after attaining age 21 and 60 days of consecutive service. Entry date is the first day of the month following the month in which eligibility requirements are met. The Plan allows long-term, part-time employees who complete at least 500 hours of service with the Employers during three consecutive years starting in the 2021 Plan year but have never completed a year of service to become eligible to make salary deferrals into the Plan.

c. **Contributions** – Participants may contribute through payroll deductions, either pre-tax or after-tax, and may make eligible rollover contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts from other qualified plans (rollover). Participants can defer up to the maximum allowed by the Internal Revenue Code ("IRC"). The Employers will make a safe harbor matching contribution of 100% of participants' elective contributions up to 3% of eligible compensation plus 50% of elective contributions between 3% and 5% of eligible compensation. The Employers may also make additional discretionary contributions. The Employers did not make additional discretionary contributions during 2024 or 2023.

d. **Participant accounts** – Each participant's account is credited with the participant's and Employer contributions and allocations of Plan earnings/losses, and is charged with applicable withdrawals and an allocation of administrative expenses. Allocations are based on participant's earnings, contributions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

e. **Vesting rights** – A participant is always fully vested in their own contributions and the Employers' safe harbor contributions, plus earnings/losses thereon. All benefits attributable to a participant shall be fully vested if their employment is terminated as a result of death, disability, or reaching retirement age. If a participant terminates employment for any reason other than those mentioned above, they are entitled to the total value of their own contributions and safe harbor contributions, plus any earnings/losses thereon, plus a vested percentage of the Employers' discretionary contributions, plus earnings/losses thereon.

1. **Summary of Significant Plan Provisions (cont.)**

This vesting percentage is determined as follows:

Years of Credited Service	Vested Percentage
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

f. **Investment options** – Upon enrollment in the Plan, a participant may direct contributions to any of the investment options available under the Plan. Participants may change their investment selections at any time.

g. **Forfeitures** – The portion of the participant's account to which they are not entitled upon termination of participation is deemed a forfeiture. Forfeitures may be used at the discretion of the Plan. There were no forfeitures utilized for the years ended December 31, 2024 or 2023. Additionally, there are no forfeitures remaining to be used in future years.

h. **Payment of benefits** – Upon termination of employment, a participant may elect to have their account paid in a lump sum or may elect to defer payment of their account balance if it exceeds $7,000. If the participant's account balance is equal to or less than $7,000, the balance will be automatically distributed. In-service withdrawals are available to participants who meet certain age or hardship requirements. In-service withdrawals are also available to participants from their rollover account at any time.

i. **Termination of the Plan** – Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. **Summary of Significant Accounting Policies**

a. **Basis of accounting** – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

b. **Estimates** – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

c. **Investment valuation and income recognition** – Investments are reported at fair value. See Note 4 for discussion on fair value measurements.

2. **Summary of Significant Accounting Policies (cont.)**

Purchases and sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

d. **Payment of benefits** – Benefits are recorded when paid.

e. **Administrative expenses** – Administrative expenses paid by the Plan are allocated to participant accounts, as defined in the Plan document. All other expenses paid by the Employers are excluded from these financial statements.

3. **Investments**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by John Hancock Life Insurance Company, U.S.A. ("John Hancock"), the custodian of the Plan, and was not subjected to any audit procedures, except for comparing such information with the related information included in the financial statements and supplemental schedule:

a. Investments at fair value shown on the accompanying statement of net assets available for benefits of $4,864,661 and $4,589,919 as of December 31, 2024 and 2023, respectively.

b. Net change in fair value of investments as shown on the accompanying statement of changes in net assets available for benefits of $622,119 and $615,971 for the years ended December 31, 2024 and 2023, respectively.

c. All investment transactions that occurred during the years ended December 31, 2024 and 2023.

d. All information included in the schedule of assets (held at end of year).

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risk. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

4. Fair Value Measurements

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 or 2023.

Pooled separate accounts – These investments are valued based on the net asset value ("NAV") of the pooled separate account multiplied by the number of shares held by the Plan at year-end. The NAV is determined based on the fair value of the underlying investments, adjusted for expenses. The NAV is used as a practical expedient to estimate fair value.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is based on the NAV practical expedient:

	Fair Value as of December 31,		Unfunded	Redemption	Redemption
	2024	2023	Commitments	Frequency	Notice Period
Pooled separate accounts					
Asset Allocation	$ 2,817,585	$ 3,057,751	N/A	Daily	None
Aggressive Growth	795,733	526,197	N/A	Daily	None
Growth	853,487	645,284	N/A	Daily	None
Income	243,905	226,543	N/A	Daily	None
Conservative	153,951	134,144	N/A	Daily	None
	$ 4,864,661	$ 4,589,919			

5. Tax Status

The Plan is utilizing a non-standardized pre-approved profit sharing plan with cash or deferred arrangement document (the "Plan Document"), which received an opinion letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") stated the Plan Document is designed in accordance with the applicable sections of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter of the Plan Document for its own qualification. Although the Plan Document has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. **Parties-in-Interest Transactions**

John Hancock is the Plan's custodian, Edberg Perry, LLC ("Edberg Perry") provides third-party administrative services, and Edward D. Jones & Co., L.P. ("Edward Jones") and Wilshire Advisors, LLC ("Wilshire") provide investment advisory services for the Plan. The Plan paid John Hancock, Edberg Perry, Edward Jones, and Wilshire for their services. These services qualify as parties-in-interest transactions and are exempt from being prohibited transactions under ERISA.

7. **Subsequent Events Evaluation Date**

Management of the Plan evaluated the events and transactions subsequent to its December 31, 2024 financial statement date and determined there were no significant events necessary for disclosure through July 17, 2025, which is the financial statement issuance date.
